PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: Merciful God, thank You for giving us another day.

Your care and wisdom are shown to us by the way You extend Your kingdom into our world down to the present day. Your Word reveals every aspect of Your saving plan. You accomplish Your designed purpose in and through the hearts of the faithful who respond to You.

Today, convert our minds and hearts that we may become the great Nation You hope us to be.

Help the Members of this people's House to seek Your presence in the midst of their busy lives. Animate them with Your spirit and help them to perform their appointed tasks to come to solutions that will redound to the benefit of our Nation.

ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair will entertain up to five requests for 1-minute speeches on each side of the aisle.

SALARY EQUALITY

(Mr. HARDER of California asked and was given permission to address the House for 1 minute.)

Mr. HARDER of California. Madam Speaker, I rise today because it is absolutely absurd that in the year 2019, women are still paid less than men, 77 cents on the dollar compared to men, but it is even worse for women of color. Latina women make only 53 cents on the dollar.

That is why I was so proud to support the Paycheck Fairness Act, which included our amendment to specifically support women of color.

There are thousands of Latina women in my district who work hard day in, day out, only to be paid half what their male counterparts get. It hurts them, it hurts their families, and it hurts our Central Valley community.

This is an equality issue, but it is also an economic issue. In fact, almost a quarter of the families in the Central Valley have a woman as their breadwinner.

It is 2019. It is time that women, especially Latina women, are not left behind.

Madam Speaker, I urge my colleagues in the Senate to take up this bill and make sure we are lifting up everyone in our communities.

CONGRESS MUST UPHOLD IDEA PROMISE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, in the 1970s, Congress made a commitment to provide a free and appropriate education to students with disabilities.

While we have made tremendous progress, thanks to the Individuals with Disabilities Education Act, we have also failed to fully fund the cost of special education that was promised by Congress at that point in time.

Congress promised to cover 40 percent of the extra cost of special education, but we have never come close to fulfilling that promise. In fact, current funding remains only at 14 percent of the targeted amount.

Mr. Speaker, that is shameful.

This means our students and schools suffer, it means that the programs will be cut, it means schools won't be able to recruit and retain qualified teachers, and above all else, it means that students with disabilities will not be able to succeed, not without the appropriate high-quality services they deserve.

That is why I proudly cosponsored the bipartisan IDEA Full Funding Act, which would mandate gradual increases in IDEA funding to reach that full commitment made by Congress of 40 percent by fiscal year 2029 and each subsequent fiscal year.
