The American Legion was chartered by Congress in September 1919 after members of the American Expeditionary Force, who fought in World War I, convened to create an organization to represent veterans of that conflict. Today, the American Legion focuses on serving veterans, current service members children and communities with a membership numbering over two million from 13,000 posts worldwide. The American Legion, under the leadership of its National Commander Brett Reistad, continues to grow and advocate on

behalf of those who have served our nation with honor and distinction.

One of the very first posts to come into existence in the months following the creation of the American Legion was the Lowville American Legion Post 162. The National organization came into existence in March 1919 and the Lowville post was founded just three months later, in June. Since then, they have been a leading post, sending members to serve on national, state, and district committees. They have made an indelible impact on the Lowville community over the past century and I wish them continued success. Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I rise today to recognize Mrs. Sue Bricker Dorn as she celebrates her 85th birthday this weekend. A longtime resident of New York City, Mrs. Dorn has fulfilled the finest American traditions of family, faith and service to community.

Born on April 21, 1934 to Barney and Frances Bricker in Seattle, Washington, Mrs. Dorn was raised in Seattle, Washington and Portland, Oregon. In 1955, Mrs. Dorn graduated from Stanford University, where she met and later married Philip Henry Dorn. As the Dorns settled in Southern California and Michigan for his work in the burgeoning computer industry, she got involved in the local community. Mrs. Dorn later earned a Master of Science degree from the Bank Street College of Education and served on the College's Board of Trustees.

Mrs. Dorn began her career as a public-school teacher in Long Island City, where she taught students with special needs. Later in her career, she pivoted to the development industry, where she served in high-level roles for some of the world's major cultural institutions including Yale University, the Museum of Modern Art, the Aspen Institute and New York Hospital. Mrs. Dorn was also appointed to the Regional Selection Panel of the President's Commission on White House Fellowships. In the years since retiring, she has become a tireless volunteer in New York City, including with Central Synagogue, where she sits on the Social Action Committee. She also played an instrumental effort in the creation of New York's municipal ID program.

Finally, Mrs. Dorn is the matriarch of a proud family. For nearly 40 years she shared a loving marriage with Philip Dorn. Mrs. Dorn also remains close with her siblings Monte and Nadine, with whom she regularly travels.
