

RECOGNIZING JANE GRIM

**HON. BRIAN K. FITZPATRICK**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 3, 2019*

Mr. FITZPATRICK. Madam Speaker, I rise to recognize an outstanding citizen from Bucks County, Pennsylvania, who was recently honored with the 38th Annual Bucks County Women's History Month Award.

Jane Grim, a resident of East Rockhill Township, has distinguished herself as a leader in our community. She was originally nominated for this distinction by the League of Women Voters of Bucks County, an organization she joined in 1970 to promote civic awareness and good citizenship.

Jane's record of service is truly impressive. She has the unique distinction of being named the first female trustee of Grand View Hospital, has served as a member and chair of the Pennridge Youth Aid Panel, and has worked as a docent at the James A. Michener Art Museum.

I cannot think of a worthier choice for the Bucks County Women's History Month Award than Jane Grim. I wish Jane and her family all of the best, and congratulate her on this well-deserved recognition.

Mr. DEUTCH. Madam Speaker, I rise today to recognize my constituent, First Sergeant John Navarra, who is retiring as the leader of the Junior Reserve Officers' Training Corps (JROTC) at Marjory Stoneman Douglas High School.

HONORING THE LIFE OF LEON  
ARTHUR BELLOT, JR.**HON. NEAL P. DUNN**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 3, 2019*

Mr. DUNN. Madam Speaker, I rise today to honor the life of Leon Arthur Bellot, Jr. who passed away on Saturday, February 23, 2019 at the age of 67. Mr. Bellot was born and raised in Dixie County, Florida and has held a multitude of roles in Dixie County throughout his lifetime—each of them with the main purpose of serving others.

His love for education and investing in children was one of the many passions that Mr. Bellot dedicated his life to. A graduate of Dixie County High School, Mr. Bellot would return to this same school to not only teach, but also to hold the title of Assistant Principal and Dean of Students.

He protected the citizens of Dixie County through his service as a volunteer fireman, Assistant Fire Chief for the Cross City Fire Department, and through his role with Dixie County Emergency Services. He would even go on to become the first Emergency Services Director for Dixie County in 1975. Mr. Bellot served in the capacity of Emergency Services Director for 24 years before also becoming the first County Administrator for Dixie County.

Throughout his career and community involvement, there was always one aspect of Mr. Bellot's life that would remain constant—his love and commitment to the Lord God our Savior. Mr. Bellot was a member of the Faith Baptist Church where he dedicated his time to the church as a Deacon.

Madam Speaker, please join me in honoring the life of a courageous educator, protector, and leader who will be missed by many, Mr. Leon Arthur Bellot.

HONORING THE LIFE OF THE  
HONORABLE KENNETH A. GIBSON**HON. DONALD M. PAYNE, JR.**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 3, 2019*

Mr. PAYNE. Madam Speaker, I ask that my colleagues join me in honoring the life and legacy of a great man, a visionary leader, and a trailblazer—Kenneth A. Gibson.

In 1970, voters in Newark, New Jersey, elected Mr. Gibson as our city's first Black mayor. He went on to serve four terms as mayor. Mayor Gibson passed away on March 19 at the age of 86. Mayor Gibson walked into Newark City Hall during a tumultuous time in the city's history. He was steadfast in fighting to ensure that, in his words, "wherever American cities are going, Newark is going to get there first." Mayor Gibson brought home federal funds to help improve public housing. He made improvements to public health services, which led to reductions in infant mortality and tuberculosis. And Mayor Gibson helped start a revitalization of downtown Newark that continues today.

Mayor Gibson's words, vision, and legacy will live on through the work of those who came after him. The modern development of Newark, New Jersey, cannot be separated

from the legacy of Kenneth A. Gibson. It was his life and legacy that paved the way for transforming Newark.

I ask that my colleagues join me in honoring the life of Newark, New Jersey's first Black Mayor, the Honorable Kenneth A. Gibson.

BE THE LIGHT FOOD PANTRY FOR  
U.S. COAST GUARD MEMBERS  
AND OTHERS**HON. SUZANNE BONAMICI**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 3, 2019*

Ms. BONAMICI. Madam Speaker, I rise today to acknowledge the generosity and public service of the organizers of the Be The Light Food Pantry.

More than 500 active duty members of the Coast Guard and their families live and work in NW Oregon, and their mission is critical to our nation's safety. The Coast Guard protects our borders and our national security. They save lives every day, ensuring the safety of our fishing fleet and the many others who rely on the Columbia River and the ocean for their livelihood.

Because of the longest-ever government shutdown this winter, the dedicated members of the U.S. Coast Guard missed two consecutive paychecks. This was the first time in modern history that a branch of the armed forces went without pay. It is unconscionable that people who are protecting our country should be forced to work without getting their paychecks.

Over the course of the 35-day-long shutdown, I heard from many U.S. Coast Guard members and spouses who were furious, demoralized, and very stressed about their personal finances.

Michelle discovered that her 16-year-old was skipping meals because he was worried there wouldn't be enough food for his younger siblings.

Amanda had to explain to her five kids why the family needed food assistance, even though their dad was working hard every day to serve our country.

Robin, a proud Coast Guard mom with three sons and one daughter-in-law in the Coast Guard, told me that one of her sons lost an apartment because he couldn't afford to put down a deposit.

Our national security depends on having service members who are focused on the job at hand, and the mission could be compromised if Coast Guard members are worried about how they're going to keep a roof over their heads or put food on the table. The effects on future recruitment and our standing in the world are also deeply concerning.

In the midst of this calamity, an inspiring effort came together—the Be The Light Food Pantry for Coast Guard members and all federal employees affected by the shutdown. U.S. Coast Guard spouses Stacey Benson, Michelle Somers, and Amanda Gibbs generously led the effort, giving countless hours of their time. Community members, local Boy Scout Troop 211, the Masonic Temple of Astoria, the Moms Club of Astoria, the U.S. Coast Guard Chief Petty Officer Association, and many private businesses contributed thousands of pounds of food and hundreds of

hours of volunteer time to make the pantry a success.

In its first weekend, the food pantry served 503 families. That's 503 families who could have faced hunger because of the harmful and unnecessary shutdown. It is inspiring to see how the community came together to support our Coast Guard members and their families.

I extend my deepest congratulations to Emmalee Gonzales for winning the Arvada Wheat Ridge Service Ambassadors for Youth award. I have no doubt she will exhibit the same dedication and character in all of her future accomplishments.

INTRODUCTION OF THE OVERDOSE PREVENTION AND PATIENT SAFETY ACT

**HON. EARL BLUMENAUER**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 3, 2019*

Mr. BLUMENAUER. Madam Speaker, today I am pleased to introduce the Overdose Prevention and Patient Safety Act. As the opioid crisis continues to devastate our communities, this legislation would help to address the opioid crisis by ensuring that medical providers have access to the full medical history of patients suffering from substance use disorders.

Currently, because of an antiquated law from 1972, substance use treatment records are kept expressly separate from a patient's medical record. This life-threatening barrier prevents medical providers who treat patients in recovery for substance use disorders from knowing their full medical history, which can lead to poor, and in some cases, tragic patient outcomes.

The Overdose Prevention and Patient Safety Act would align the outdated and restrictive law, known as 42 CFR Part 2 (or "Part 2"), with the patient privacy protections currently in place under HIPAA, ensuring substance use records are treated as all other medical records. The legislation also incorporates language to guard against unauthorized invasions of patient privacy, discriminatory activities, and authorizes penalties and breach notification re-

quirements for these transgressions not currently available under Part 2.

As our health care delivery system moves towards more robust, integrated care models, every member of a patient's treatment team needs to understand a patient's full medical history, including substance use disorder history. Current Part 2 regulations stand as a hindrance to whole-person care and must be changed to ensure all patients, regardless of diagnosis, have access to safe, effective, high-quality treatment and care.

If substance use disorder treatment is not included in your entire medical records, then they are not complete. It makes care coordination more difficult and can lead to devastating outcomes. This bill works to remove the stigma that comes with substance use disorders and ensures necessary information is available for safe, efficient, and transparent treatment for all patients. I urge all of my colleagues to join me to pass the Overdose Prevention and Patient Safety Act.

COMMEMORATING 50TH ANNIVERSARY OF CASE CONSTRUCTION SKID STEER

**HON. RON ESTES**

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 3, 2019*

Mr. ESTES. Madam Speaker, today I ask my colleagues to join me in honoring the 50th anniversary of the skid steer loader.

On April 3, 1969, CASE Construction Equipment began manufacturing its skid steer loaders for the first time in Burlington, Iowa.

In 1974, CASE moved its skid steer manufacturing operations to Wichita, Kansas.

In 1999, CASE and New Holland merged to form CNH Industrial, but the skid steer manufacturing operation remained in Wichita.

Today, the Wichita site employs nearly 500 people who research, design and manufacture the skid steer loaders for use all around our country and throughout the world.

From agriculture to construction, the skid steer has become an iconic fixture in many industries and is another example of how products grown and manufactured in south-central Kansas impact our world.

I am hopeful that through free and fair trade policies, companies like CNH Industrial can continue to grow and thrive in my district of Kansas and throughout the country.

On this 50th anniversary, I congratulate all of the hard-working men and women of CNH Industrial in Wichita on this milestone and wish them many more decades of success and growth.

HONORING THE LIFE AND LEGACY OF NATIONAL COMMANDER WILLIAM M. DETWEILER

**HON. CEDRIC L. RICHMOND**

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 3, 2019*

Mr. RICHMOND. Madam Speaker, I rise to honor the life and legacy of William M. "Bill" Detweiler, a strong advocate for veterans who was a former national commander of the

American Legion. He passed away on Wednesday, March 27, 2019 at the age of 79.

Mr. Detweiler, a native of New Orleans, grew up near the St. Roch Playground. He graduated from St. Aloysius High School and earned undergraduate and law degrees at Loyola University.

Mr. Detweiler served in the Army. After graduating from its Infantry and Intelligence schools, he was operations officer on the G-2 Staff of the U.S. Air Defense Command at Fort Bliss, Texas. After his discharge from active duty in 1965, Mr. Detweiler returned to New Orleans, where he served in the Army Reserve, rising to the rank of captain.

Upon his return to civil life, Mr. Detweiler started practicing law. In 1978, he was elected constable of New Orleans' First City Court, a position to which he was re-elected twice and from which he stepped down at the end of 1996.

In 1973, United States President Richard Nixon appointed Mr. Detweiler to the Veterans Administration's National Rehabilitation and Education Advisory Committee; he was named its chairman in 1975. He also served on military advisory boards for the governor, the Louisiana Senate and New Orleans' mayor.

In 1995, United States President Bill Clinton invited Mr. Detweiler to fly with him on Air Force One to Russia to represent America's veterans at the 50th annual commemoration of the Allies' victory in World War II.

Mr. Detweiler received the Andrew J. Higgins Award for Exceptional Leadership from the Mayor's Military Affairs Committee of Greater New Orleans in 1998.

After Hurricane Katrina devastated New Orleans in 2005, Mr. Detweiler was a guiding force in getting the New Orleans VA Medical Center rebuilt, serving on the advisory committee for the project's design team. He was at both the new facility's groundbreaking and grand opening and is credited with crafting the words now engraved in stone at the front entrance of the medical center: "THE PRICE OF FREEDOM CAN BE SEEN WITHIN THESE WALLS."

In 2010, Mr. Detweiler was appointed to lead the American Legion's committee assigned to investigate the existing science and procedures for treating traumatic brain injury and post-traumatic stress disorder.

In 2013, Mayor Mitch Landrieu appointed Mr. Detweiler to the Board of Directors of the New Orleans Building Corp. He was elected its president in 2017, which was the year when the organization assumed the responsibilities of the Canal Street Development Corp.

Mr. Detweiler also was instrumental in bringing what is now the National World War II Museum to the city of New Orleans. He served as a member of the executive leadership team for the museum until his death.

In December 2018, Mr. Detweiler was presented the French National Order of Merit by Consulate General of France Vincent Sciana. He was honored for his work at the museum, including helping launch the annual World War II Conference at the museum in 2007 when it re-opened after Hurricane Katrina.

Mr. Detweiler loved the city and the people of New Orleans. His legacy will forever be a part of the city and his dedication to community embodies the spirit of New Orleans. We cannot match the sacrifices made by Mr. Detweiler, but surely, we can try to match his
