

Council for his generous contributions to one of our prized, American institutions. In addition, he's served on the board of the Pennsylvania Food Merchants Association and the advisory board of Channels Food Rescue. In his spare time, Scott enjoys traveling with Marleen, his wife of 37 years, supporting his church and community, cooking up new recipes, hitting the links, and spending time with his grandchildren.

On behalf of Pennsylvania's Tenth Congressional District, I'm honored to recognize the leadership and community involvement of Mr. D. Scott Karns. I thank and commend him for his tireless service, commitment and leadership to the Central Pennsylvania region.

RECOGNIZING THE 2019 TYSONS REGIONAL CHAMBER OF COMMERCE BOARD OF DIRECTORS

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 8, 2019

Mr. CONNOLLY. Madam Speaker, I rise to recognize the Tysons Regional Chamber of Commerce and to congratulate the incoming 2019 board members.

Tyson's has drastically transformed during the past 56 years from a sleepy, rural area to one of the most vibrant regions in the country. This change began when the Fairfax County Board of Supervisors approved plans for the Tysons Corner Shopping Center in 1962. When the mall opened in 1968, it was hailed as the largest enclosed mall in the world.

Since then, there has been a dramatic influx of technology companies, government contracting firms, and other corporations. Tysons has become the premier business district of the Washington Metropolitan Area and is one of the largest employment centers in the United States. With the opening of Metro's Silver Line and ongoing redevelopment, the region is expected to continue adding not only businesses but also high-density residential housing. 45 million square feet of transit-oriented development is already present in Tysons and more is on the way.

The mission of the Tysons Regional Chamber of Commerce is to be the unified voice of the business community while ensuring that its ties and commitment to the community are strengthened.

The Chamber actively promotes local nonprofits and community organizations as well as youth educational programs, and it sponsors multiple events each year in support of these activities. The growth of the Chamber has been the result of the diversity of its members and the leadership of its Board. I am pleased to include in the RECORD the names of the incoming 2019 board members:

Chairman of the Board: Tucker Gladhill
At-Large Members: Alex Levy, Andrew Clark, Anthony Anikeeff, Audrey Lustre, Chris Tomseth, David MacGillivray, Diana Villareal, Dr. Michelle Walker, Frederick Keown, Gina Gagliardi, James Lawson, Jeffrey Krashin, Jonathan LaCroix, Kara Shelton, Kara Mayle, Kathleen Kelley, Kathy McNeill, Kevin Corey, Maureen Loftus, Maureen Caufield, Miriam Tadross, Rod Loges, Rodney Lusk, Samim Ardeishar, Sanjay Srikantiah, Suzan Zimmerman, Timothy Klinkner, Uppasna Chand, Virginia Case, and Walter Kim.

Madam Speaker, I ask that my colleagues join me in congratulating the incoming board members and in commending the Tysons Regional Chamber of Commerce for its commitment to promoting the business community while encouraging social responsibility and civic engagement. I wish the Chamber the very best for its continued growth and success.

CASEY PFENNING

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, April 8, 2019

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Casey Pfennig for receiving the Adams County Mayor's and Commissioners Youth Award.

The Youth Award focuses on teenagers who have overcome personal adversity and created positive changes in their lives and their community. The program provides businesses, the community and civic leaders an opportunity to support young people in their communities and recognize their accomplishments. Casey is the perfect recipient for this award because despite adversities and challenges, he has become an inspiration and role model for his peers.

The dedication and leadership demonstrated by Casey is exemplary of the type of achievement that can be attained with hard work and perseverance. It is essential students at all levels strive to make the most of their education and develop a work ethic which will guide them for the rest of their lives.

I extend my deepest congratulations to Casey Pfennig for this well-deserved recognition. I have no doubt he will exhibit the same dedication and character in all of his future accomplishments.

TRIBUTE TO DR. DIANE L. EVANS—28TH CONGRESSIONAL DISTRICT WOMAN OF THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 8, 2019

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Dr. Diane L. Evans of La Crescenta, California.

Dr. Evans has been the Director for Earth Science and Technology Directorate at the National Aeronautics and Space Administration's (NASA) Jet Propulsion Laboratory (JPL) for the last fifteen years, and is the first woman to lead the Earth Science activities at JPL. During her tenure, the Directorate has grown substantially in annual funding and the number of spaceborne missions in development has increased as well.

Dr. Evans holds a Bachelor's Degree in Geology from Occidental College in Los Angeles and both a Master of Science and a Ph.D. de-

gree in Geological Sciences from the University of Washington in Seattle. A member of many international science teams, Diane has been a principal investigator on several research activities sponsored by NASA.

Diane is responsible for the implementation, development and operations of JPL's Earth Science flight experiments and missions. One such mission was entitled "Grace" and accomplished its main goal of measuring the Earth's gravity field and measuring water loss from major aquifers and ice loss from Greenland. The Grace mission represents one mission whose science results have expended beyond its original objectives to include other crucial measurements, thus making key contributions to understanding our world. Dr. Evans has been instrumental in defining the missions, which often include domestic and foreign partnerships.

Earth Science research at JPL, which is also under Diane's direction, include research areas of oceanography, geophysics, climate, atmospheric composition and combines a wide spectrum of advanced technologies. Dr. Evans has chaired many planning committees for NASA and other academic institutions, has authored more than one hundred research publications and conference presentations in the areas of geologic and radar remote sensing and has presented many courses on these topics globally. For her outstanding leadership and accomplishments in the development of Earth science missions, Diane has received many awards including the NASA Outstanding Leadership Medal.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Dr. Diane L. Evans.

IN RECOGNITION OF CAROLINE SERRATO

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 8, 2019

Ms. SPEIER. Madam Speaker, I rise to honor Caroline Serrato upon her retirement from the Hillsborough Police Department after 23 years of service to the residents of Hillsborough, California, and after 31 years in law enforcement. Caroline Serrato has enjoyed a long career in law enforcement dating back to May 20, 1988 when she was first sworn in as a peace officer and park ranger for the City of Escondido.

The City of Brisbane benefited from Caroline's leadership where she served starting in 1993. For a brief time, she was also a peace officer for the University of San Francisco where she attained the rank of Inspector and then Sergeant.

The Town of Hillsborough recruited Caroline in 1996 and she quickly proved to be an exemplary addition to its police force. She was the first school liaison officer and was promoted to Inspector in 1998 and to Corporal in 2001. Hillsborough's policing environment is specialized. In addition to the town's rolling hills and leafy streets, both deceptively serene yet creating a complex web to patrol, you can add the challenge of protecting visiting luminaries and leadership from around the globe. Caroline met the challenge by being professional and polite, firm but fair. She was quickly
