RECOGNIZING BILL MCGAHAN,  
FOUNDER OF GEORGIA WORKS!

**HON. DOUG COLLINS**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 9, 2019*

Mr. COLLINS of Georgia. Madam Speaker, I rise today to pay tribute to Bill McGahan, founder of Georgia Works!, for the life changing impact he has made on countless men in the greater Atlanta area.

Bill McGahan founded Georgia Works! in 2013 based off his fundamental belief that every life has value, and virtually every person can be given the tools and habits to make their lives better. With the ultimate goal of achieving self-sufficiency, Georgia Works! strives to end homelessness, criminal recidivism and dependency among chronically homeless men in Atlanta through programs that ensure personal development in good habits, work ethic and character.

By helping participants gain stable employment and housing, Georgia Works! offers homeless men a second chance at life. Through personal support, case management, and workforce training, as well as AA/NA classes, GED classes, support in obtaining a driver's license, help setting up a bank account, and life skill preparation courses, the program works to set them up for long term success.

Thanks to Bill McGahan's leadership, Georgia Works! has graduated more than 600 men. Even more impressive is the fact that the program has accomplished this major milestone without accepting a single dime of government funding.

While Georgia Works! is among his most prominent accomplishments, Bill McGahan's love for and dedication to his community stretches far and wide. Bill has been involved in many organizations and non-profit boards including: The State of Georgia Housing Trust Fund for the Homeless Commission; Atlanta Area Co-Chair of the Steering Committee for the Governor's Office of Transition, Support and Reentry; From Houses to Homes; Atlanta Academy; The Howard School, The Paces Civic Association; and The National Foundation for Facial Reconstruction.

As we celebrate Second Chance Month, I'm incredibly proud to recognize Bill McGahan for his dedication to providing men with an opportunity for a second chance. On behalf of the people of Georgia, I commend him for his service and I thank him for his steadfast commitment to bettering our communities.

TRIBUTE TO SOFIYA FIKHMAN—  
28TH CONGRESSIONAL DISTRICT  
WOMAN OF THE YEAR

**HON. ADAM B. SCHIFF**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 9, 2019*

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Sofiya Fikhman of West Hollywood, California.

Born in the Ukraine in 1939, Sofiya was two years old when the war between the Soviet Union and Germany began. During World War II, she and her family, along with thirteen strangers, lived in the Bershad ghetto in a one-room tenement. After the Soviet army freed the ghetto in 1944, Sofiya and her family returned to Savran in 1945, where they lived until 1952, thereafter moving to Moldova to join her father's family, where she pursued her education at a medical college to become a nurse.

Sofiya married her husband, Shmil, in 1958, and they had two children. Upon completing her degree that same year, she began work in a children's hospital as a supervisor until 1967; then worked in early childhood education, retiring in 1988 to help raise her grandchildren. Ms. Fikhman was over fifty years old when she and her family moved to the United States in 1991, with the dream of creating a new life in a new country. She worked as a caregiver for the elderly, babysitter, and volunteered in her free time.

A tireless and dedicated volunteer, Ms. Fikhman has always enjoyed being of service to people in the community. She joined the Association of Holocaust Survivors from the Former Soviet Union in 1996, and two years later, started volunteering for the organization and undertook various tasks including answering telephone calls, curating events, assisting new immigrants, and visiting survivors in care facilities and hospitals. She expanded her volunteer work by visiting several Jewish day schools, where she educated young people about her experience during the Holocaust. Ms. Fikhman became a member of the City of West Hollywood Russian Advisory Board in 2006, where she continued to plan cultural events and assist immigrant families. Presently, Sofiya is a staunch volunteer at the City of West Hollywood's Russian Language Public Library.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Sofiya Fikhman.

INTRODUCTION OF THE DISTRICT  
OF COLUMBIA FLOOD PREVEN-  
TION ACT OF 2019

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA  
IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 9, 2019*

Ms. NORTON. Madam Speaker, I rise to introduce the District of Columbia Flood Prevention Act of 2019. The bill would amend the Coastal Zone Management Act of 1972 (CZMA) to include the nation's capital in the definition of "coastal state." Our bill would correct an apparent oversight in the omission of the District of Columbia and would make the District eligible to receive federal funding and provide oversight for federally issued permits, facilities and actions that affect the coastal waters of the District. The District urgently needs the protection of the CZMA because of serious flood risks that currently affect federal assets, residents and businesses, including the National Mall and the cluster of downtown federal agencies.

In an effort to reduce coastal flood risk, Congress has authorized a number of programs to help states and territories respond to floods and mitigate risk through resiliency projects. Among these programs, the CZMA provides planning and technical services to assist states in protecting, restoring and developing coastal communities and resources. Once the federal government approves a state's coastal management plan, the state becomes eligible for grants. Federal actions must be consistent with the state plans and vice versa.

Even though the District is located on two rivers and has suffered substantial coastal floods in the past, D.C. was omitted from the list of eligible states and territories in the CZMA. This oversight probably occurred because the CZMA was passed in 1972—before the District achieved home rule. Of note, under Section 304 of the CZMA, "coastal state[s]" include the states and U.S. territories (Puerto Rico, the Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands, the Trust Territories of the Pacific Islands and American Samoa). Absent from this definition is the District, even though the District, including the federal complex, is under a serious threat from rising sea levels. Because territories are included in the definition of "coastal states," it appears that D.C.'s omission is a mistake, which only Congress can correct.

Scientists have predicted that the tides on the Atlantic Coast could rise two to four feet by the year 2100, causing property worth as much as \$7 billion in the District to be routinely under threat by floodwaters. This damage not only includes private homes and businesses, but the National Mall, federal buildings and three military bases located in the District. The Anacostia and Potomac Rivers are both tidally influenced, showing tangible salt water effects (and fish), and are part of an "intertidal-zone" existing between high and low maritime tides. In addition, the Maryland and Virginia coastal zones each include the tidal Potomac River, with Maryland's zone ending at the District line. Because of these factors, the District should be eligible under the CZMA just like the states and territories already listed in the CZMA.

I urge support for this bill.
