

decided to use existing facilities and expertise in New Mexico to make some pits, and repurpose the MOX facility in South Carolina to make the remainder. That's a good plan and I support it. I want to hear from Administrator Gordon-Hagerty today how NNSA is applying the lessons we learned from UPF and MOX to make sure we get the pit production restart done on time and on budget.

Naval Reactors is responsible for all aspects of nuclear power for our submarines and aircraft carriers. Naval Reactors has a lot on their plate right now—they are designing a new reactor core for the next class of submarines, refueling a prototype reactor, and building a new spent fuel processing facility for nuclear waste from defense activities.

Admiral Caldwell and I had an opportunity talk about the new spent fuel processing facility earlier this week. It is a part of the Navy's consolidated interim storage for its used nuclear fuel.

The Navy's program shows that it can be done safely and effectively, but that does not replace the need for a permanent repository at Yucca Mountain. That used nuclear fuel will still need to go to Yucca Mountain once it is built. I look forward to Admiral Caldwell's comments today on the progress he's making on his important work, and particularly how Naval Reactors stores used nuclear fuel. I'd also like to hear what is being done to keep the new Columbia-Class submarine design on track.

The NNSA needs to complete a lot of important work, and this work is going to require good planning and effective oversight. I look forward to working with Administrator Gordon-Hagerty as we begin putting together our Energy and Water Appropriations bill for fiscal year 2020, and also with Senator Feinstein, who I will now recognize for her opening statement.

#### ADDITIONAL STATEMENTS

##### RECOGNIZING THE BIG CHEESE OF MIAMI

• Mr. RUBIO. Madam President, as chairman of the Senate Committee on Small Business and Entrepreneurship, it is my privilege to recognize a small business that exemplifies creativity, hard work, and dedication to improving their community. This week, it is my honor to name The Big Cheese of Miami, FL, as the Senate Small Business of the Week.

Having just celebrated their 35 year anniversary, The Big Cheese has grown from a 12-seat and 2-person operation to a landmark Miami Italian restaurant. Lifelong friends Bill Archer and Garry Duell founded The Big Cheese in 1984 and due to their rapid success, expanded to a larger location across the street. Bill is the culinary expert of the duo and has developed original recipes for all 120 items on the menu, while Garry focuses on the day-to-day operations. Along the way, they have shared in the restaurant's success.

Today, The Big Cheese remains family-oriented and affordable and uses only the finest ingredients. They have an extensive menu that includes everything from Italian favorites to Miami classics. Many of their employees have

been there since inception, and others are second-generation employees, with an average employee tenure of 16 years. Bill, Gary, and longtime manager Salvatore Aiello strive to create a welcoming and friendly atmosphere and they have certainly succeeded.

Their dedication to fair prices and made-from-scratch dishes has not gone unnoticed. They were voted The Best Inexpensive Italian Restaurant in Miami and received the 5 Kids Crown Award from South Florida Parenting Magazine for their pizza. They are proud to feed people from diverse socioeconomic and cultural backgrounds and remain focused on serving their community.

One example of their efforts to help community members in need was during Hurricane Irma recovery, when they donated food to the emergency operations center in Monroe County. They are also the official sponsor of the University of Miami Athletics Department, providing both the Hurricanes and their competitors with pregame meals. Since their founding, they have served thousands of University of Miami students and collected more than 200 pieces of original memorabilia. Their dedication to the school was recently honored when they were chosen to represent the University of Miami during the Taste of the NFL, a charity aimed at bringing awareness to the millions of Americans who struggle with hunger.

The Big Cheese is an exemplary community-focused small business. They have remained true to their original values and serve their community in times of need. Like many Main Street restaurants throughout our country, The Big Cheese is a place where community members have gathered and enjoyed meals together for decades. By focusing on quality food and superior customer service, The Big Cheese has stayed in high demand. It is with great pleasure that I extend my congratulations to Bill, Gary and all of the employees at The Big Cheese. I wish you well as you continue serving the people of South Florida, and I look forward to watching your continued growth and success.●
