been there since inception, and others are second-generation employees, with an average employee tenure of 16 years. Bill, Gary, and longtime manager Salvatore Aiello strive to create a welcoming and friendly atmosphere and they have succeeded. Their dedication to fair prices and made-from-scratch dishes has not gone unnoticed. They were voted The Best Inexpensive Italian Restaurant in Miami and received the 5 Kids Crown Award from South Florida Parenting Magazine for their pizza. They are proud to feed people from diverse socioeconomic and cultural backgrounds and remain focused on serving their community.

An example of their efforts to help community members in need was during Hurricane Irma recovery, when they donated food to the emergency operations center in Monroe County. They are also the official sponsor of the University of Miami Athletics Department, providing both the Hurricane's and their competitors with pregame meals. Since their founding, they have served thousands of University of Miami students and collected more than 200 pieces of original memorabilia. Their dedication to the school was recently honored when they were chosen to represent the University of Miami during the Taste of the NFL, a charity aimed at bringing awareness to the millions of Americans who struggle with hunger.

The Big Cheese is an exemplary community-focused small business. They have remained true to their original values and serve their community in times of need. Like many Main Street restaurants throughout our country, The Big Cheese is a place where community members have gathered and enjoyed meals together for decades. By focusing on quality food and superior customer service, The Big Cheese has stayed in high demand. It is with great pleasure that I extend my congratulations to Bill, Gary, and all of the employees at The Big Cheese. I wish you well as you continue serving the people of South Florida, and I look forward to watching your continued growth and success.
