

completing the 11th grade, she enrolled at TWU and earned her bachelor's degree in Health, Physical Education & Recreation, with a minor in Government-Sociology, in 1946. The following year, she completed a master's degree at TWU and in 1960 earned a Ph.D. in counseling psychology from the University of Michigan. Dr. Myers returned to TWU as a faculty member in 1961. After completing 54 years of faithful service to the university, she retired in 2015. In honor of her service, TWU dedicated the Dr. Bettye Myers Butterfly Garden in 2016.

Throughout her career, Dr. Myers was an involved and beloved member of the Denton community. She was actively involved in many organizations, including the TWU Alumnae Association, the Kiwanis, AIDS Services of North Texas, the United Way of Denton County, and the Denton Independent School District Board of Trustees. In recognition of her service and contributions, the City of Denton declared September 26, 2006, her 80th birthday, as "Bettye Myers Day."

Dr. Myers received more than 30 awards for education and civic participation; however, she is most remembered for her kindness and dedication. Her legacy will continue on at Myers Middle School, where generations of North Texans will learn about her lifelong dedication to education as students at the school that bears her name.

I am grateful for Dr. Myers' many contributions to TWU and Denton. A true North Texas legend, she will be remembered by those whose lives she touched. I offer my condolences to her many friends and family upon this great loss.

INFANT FORMULA PROTECTION ACT OF 2019

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 10, 2019

Ms. MENG. Madam Speaker, I rise today to announce the introduction of the Infant Formula Protection Act.

As a mom, I know the fear and the pressure that comes with caring for a newborn; all a new parent wants is to make sure their baby is healthy. Busy parents need to be able to rely on the safety of products, like formula, that they buy in grocery stores to make sure their newborns are well-fed and healthy. Grocery stores that stock expired formula—even by just a few days—pose real health risks to infants.

Although regulations require expiration dates to be placed on formula, there is no federal law that prohibits the sale of the product after it has expired. As a result, many stores continue to keep the expired items on their shelves even though the products are outdated.

That is why I have introduced the Infant Formula Protection Act of 2019, which would categorize expired infant formula as "adulterated." A grocery store that stocks an adulterated substance can incur fines and other penalties. Parents must be able to trust the safety of the products they buy in their stores.

Madam Speaker, we cannot take any chances with what we feed our babies, I urge my colleagues to join me and pass the Infant Formula Protection Act.

COMMEMORATING THE 160TH ANNIVERSARY OF THE CHURCH OF ST. MICHAEL THE ARCHANGEL

HON. JAMES R. LANGEVIN

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 10, 2019

Mr. LANGEVIN. Madam Speaker, this year marks the 160th anniversary of the founding of the Church of St. Michael the Archangel in Providence, Rhode Island. St. Michael's parish reflects the vibrancy and diversity of Rhode Island, and its social programs continue to make a positive impact in the community.

In 1859, St. Bernard's Parish, which would become St. Michael's, was founded in Rhode Island. Within a year, it became the home of the St. Vincent de Paul Society, serving Irish immigrants who fled the Great Famine. This was the start of St. Michael's dedication to community service, a tradition that has continued for 160 years.

Since its founding, St. Michael's has provided a welcoming and inclusive community for the successive waves of immigrants who have arrived in Rhode Island. Beginning with Irish, Italian, Portuguese, and other Western European immigrant populations, the St. Michael's community has expanded to include members of more than 40 nationalities or countries of origin, with mass celebrated in five different languages. The multicultural, multilingual community exemplifies Rhode Island's founding principles of inclusion, acceptance, respect, religious tolerance, and the celebration of our common humanity.

St. Michael's mission of service has long brought parishioners together to meet the needs of its members and of the broader community. Through their tireless advocacy, commitment to service, and partnerships with local nonprofits and other faith-based organizations, the people of St. Michael's have helped countless individuals and made an indelible mark on the state.

St. Michael's 160th anniversary is an incredible milestone for one of the spiritual and charitable pillars of Rhode Island, and I look forward to congratulating the parish on many more anniversaries to come.

HONORING THE CAREER AND ACCOMPLISHMENTS OF MS. MARY ANN MELCHERS

HON. ELAINE G. LURIA

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 10, 2019

Mrs. LURIA. Madam Speaker, I rise today to honor the career and accomplishments of Mary Ann Melchers. Mary Ann Melchers has been a female pioneer during the 54 years that she has been an active member and volunteer in the credit union movement. She began her relationship with credit unions as a volunteer with Norfolk Naval Base Federal Credit Union following a merger with Amphibious Base Federal Credit Union in Hampton Roads, Virginia. Today, the credit union is known as ABNB Federal Credit Union and is the largest community credit union in Southeastern Virginia.

Her credit union volunteer career is well documented. In 1965, she became a member

of the Credit Committee at Naval Base Norfolk Federal Credit Union. This was an especially significant achievement considering that women were unable to obtain credit in their own name at that time in history. Despite those obstacles, she began her lifelong quest to ensure that all people of modest means regardless of gender, race or creed have access to credit and the other vital financial services they need.

In succeeding years, deregulation dramatically changed the face of the financial services industry. In the late 1970's, Mary Ann guided the credit union's evolution by recognizing and then expanding the growth of products and services offered to members from simple savings accounts and small loans to full-service financial offerings. Through her leadership, she also made history as the first woman elected to the office of Chairperson of the Board of Directors at Naval Base Federal Credit Union. This achievement came at a time when women were rarely participants in American business boardrooms let alone serving in leadership roles. As chair she was instrumental in successfully consummating the 1996 merger of Naval Base and Amphibious Base Federal Credit Unions, resulting in what is now known as ABNB Federal Credit Union.

At ABNB Federal Credit Union, Mary Ann has held numerous leadership positions serving as Vice Chair of the Board from 1996 to 1998. In 1999, she was elected Chair of the ABNB FCU Board, beginning a 20-year volunteer career as chair and only the second woman to hold that position in ABNB's history. Under her leadership ABNB grew from 32,615 to 59,469 members and from \$182 million to well over \$57 million in assets.

Through her stewardship, the credit union also expanded its field of membership from solely serving military personnel on the Naval Base and Amphibious Base into the largest full-service community credit union. Today, the credit union serves over 60,000 members across Hampton Roads and Northeastern North Carolina with 18 branches and 24 surcharge-free ATM's. In addition, she was the 2016 recipient of the Virginia Credit Union League's highest honor, the James P. Kirsch Lifetime Achievement Award. This award is given annually to recognize individuals who have made significant contributions to the credit union movement over the course of their career.

In summary, Mary Ann was able to deliver on her promise ensuring that people of modest means have access to credit and other affordable financial services. During her 54-year volunteer career she was instrumental in guiding a credit union that would eventually serve everyone in Hampton Roads and beyond with low cost and high-quality financial services.
