Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Target Practice and Marksmanship Training Support Act".

SEC. 2. FINDINGS; PURPOSE.

(a) FINDINGS.—Congress finds that—

(1) the use of firearms and archery equipment for target practice and marksmanship training activities on Federal land is allowed, except to the extent specific portions of that land have been closed to those activities;

(2) in recent years preceding the date of enactment of this Act, portions of Federal land have been closed to target practice and marksmanship training for many reasons;

(3) the availability of public target ranges on non-Federal land has been declining for a variety of reasons, including continued population growth and development near former ranges;

(4) providing opportunities for target practice and marksmanship training at public target ranges on Federal and non-Federal land can help—

(A) to promote enjoyment of shooting, recreational, and hunting activities; and

(B) to ensure safe and convenient locations for those activities;

(5) Federal law in effect on the date of enactment of this Act, including the Pittman-Robertson Wildlife Restoration Act (16 U.S.C. 669 et seq.), provides Federal support for construction and expansion of public target ranges by making available to States amounts that may be used for construction, operation, and maintenance of public target ranges; and

(6) it is in the public interest to provide increased Federal support to facilitate the construction or expansion of public target ranges.

(b) PURPOSE.—The purpose of this Act is to facilitate the construction and expansion of public target ranges, including ranges on Federal land managed by the Forest Service and the Bureau of Land Management.

SEC. 3. DEFINITION OF PUBLIC TARGET RANGE.

In this Act, the term "public target range" means a specific location that—

(1) is identified by a governmental agency for recreational shooting;

(2) is open to the public;

(3) may be supervised; and

(4) may accommodate archery or rifle, pistol, or shotgun shooting.

SEC. 4. AMENDMENTS TO PITTMAN-ROBERTSON WILDLIFE RESTORATION ACT.

(a) DEFINITIONS.—Section 2 of the Pittman-Robertson Wildlife Restoration Act (16 U.S.C. 669a) is amended—

(1) by redesignating paragraphs (2) through (8) as paragraphs (3) through (9), respectively; and

(2) by inserting after paragraph (1) the following:

"(2) the term 'public target range' means a specific location that—

"(A) is identified by a governmental agency for recreational shooting;

"(B) is open to the public;

"(D) may accommodate archery or rifle, pistol, or shotgun shooting;"

(b) EXPENDITURES FOR MANAGEMENT OF WILDLIFE AREAS AND RESOURCES.—Section 8(b) of the Pittman-Robertson Wildlife Restoration Act (16 U.S.C. 669g(b)) is amended—

(1) by striking "(b) Each State" and inserting the following:

"(b) EXPENDITURES FOR MANAGEMENT OF WILDLIFE AREAS AND RESOURCES.—

"(1) IN GENERAL.—Except as provided in paragraph (2), each State";

(2) in paragraph (1) (as so designated), by striking "construction, operation," and inserting "operation";

(3) in the second sentence, by striking "The non-Federal share" and inserting the following:

"(3) NON-FEDERAL SHARE.—The non-Federal share";

(4) in the third sentence, by striking "The Secretary" and inserting the following:

"(4) REGULATIONS.—The Secretary"; and

(5) by inserting after paragraph (1) (as designated by paragraph (1) of this subsection) the following:

"(2) EXCEPTION.—Notwithstanding the limitation described in paragraph (1), a State may pay up to 90 percent of the cost of acquiring land for, expanding, or constructing a public target range."

(c) FIREARM AND BOW HUNTER EDUCATION AND SAFETY PROGRAM GRANTS.—Section 10 of the Pittman-Robertson Wildlife Restoration Act (16 U.S.C. 669h-1) is amended—

(1) in subsection (a), by adding at the end the following:

"(3) ALLOCATION OF ADDITIONAL AMOUNTS.—Of the amount apportioned to a State for any fiscal year under section 4(b), the State may elect to allocate not more than 10 percent, to be combined with the amount apportioned to the State under paragraph (1) for that fiscal year, for acquiring land for, expanding, or constructing a public target range."

(2) by striking subsection (b) and inserting the following:

"(b) COST SHARING.—

"(1) IN GENERAL.—Except as provided in paragraph (2), the Federal share of the cost of any activity carried out using a grant under this section shall not exceed 75 percent of the total cost of the activity.

"(2) PUBLIC TARGET RANGE CONSTRUCTION OR EXPANSION.—The Federal share of the cost of acquiring land for, expanding, or constructing a public target range in a State on Federal or non-Federal land pursuant to this section or section 8(b) shall not exceed 90 percent of the cost of the activity."; and

(3) in subsection (c)(1)—

(A) by striking "Amounts made" and inserting the following:

"(A) IN GENERAL.—Except as provided in subparagraph (B), amounts made"; and

(B) by adding at the end the following:

"(B) EXCEPTION.—Amounts provided for acquiring land for, constructing, or expanding a public target range shall remain available for expenditure and obligation during the 5-fiscal-year period beginning on October 1 of the first fiscal year for which the amounts are made available."

SEC. 5. SENSE OF CONGRESS REGARDING CO-OPERATION.

It is the sense of Congress that, consistent with applicable laws and regulations, the Chief of the Forest Service and the Director of the Bureau of Land Management should cooperate with State and local authorities and other entities to carry out waste removal and other activities on any Federal land used as a public target range to encourage continued use of that land for target practice or marksmanship training.

Mr. BARRASSO. Mr. President, I ask unanimous consent that the motion to reconsider be considered made and laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

SUPPORTING DEMOCRATIC PRINCIPLES AND STANDARDS IN BOLIVIA AND THROUGHOUT LATIN AMERICA

Mr. BARRASSO. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of Calendar No. 58, S. Res. 35.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The bill clerk read as follows:

A resolution (S. Res. 35) supporting democratic principles and standards in Bolivia and throughout Latin America.

There being no objection, the Senate proceeded to consider the resolution which had been reported from the Committee on Foreign Relations, without amendment, and with an amendment to the preamble, as follows:

Whereas the nation of Bolivia proclaimed independence from Spain on August 6, 1825, with Simón Bolívar as its president;

Whereas Bolivia endured more than a century of fragile governance and instability, with more than 150 changes of leadership since it gained independence;

Whereas Bolivia experienced a succession of military coups that resulted in the irregular transfer of power between presidents and military juntas during the period of 1964 to 1982;

Whereas a transition to civilian democracy occurred in 1982, after the ruling military junta handed over power to a civilian government, which managed to maintain control despite major economic upheavals and painful market reforms;

Whereas elected President Gonzalo Sanchez de Lozada and his successor Carlos Mesa both resigned in the face of destabilizing protests in 2003 and 2005, respectively;

Whereas, in 2005, Evo Morales won his first term as president, becoming Bolivia's first indigenous citizen elected to the office;
