As the third-largest county park system in the United States, Miami-Dade Parks is a staple of our community. Founded in 1929 and now covering 270 parks and over 13 thousand acres of land, Miami-Dade Parks has spent 90 years providing all of South Florida with opportunities to explore our natural heritage and enjoy the outdoors. In addition to leading environmental restoration efforts and cultural programs, Miami-Dade Parks offers summer camps and fitness programs for children, adults, seniors, and people with disabilities.

Miami-Dade Parks brings our community together by helping all of us enjoy the beauty of South Florida’s natural wonders together. We are better friends to the environment and to each other thanks to the incredible work of this department. I hope my fellow Miami-Dade residents join me in celebrating Miami-Dade Parks for all it offers our community in every way.

Mr. NÉGUSE. Madam Speaker, I rise today to recognize Richard Seidler for his retirement from UnityPoint Health-Trinity as president and Chief Executive Officer. Mr. Seidler has 37 years of leadership experience within the health care industry.

Mrs. BUSTOS. Madam Speaker, I rise today to recognize Richard Seidler for his retirement from UnityPoint Health-Trinity as president and Chief Executive Officer. Mr. Seidler has 37 years of leadership experience within the health care industry.

Mrs. BUSTOS. Madam Speaker, I rise today to recognize Richard Seidler for his retirement from UnityPoint Health-Trinity as president and Chief Executive Officer. Mr. Seidler has 37 years of leadership experience within the health care industry.

Mr. Seidler received his MBA and BBA from the University of Miami in Florida, and is Board Certified in Health Care Management. He is a Fellow in the American College of Health Care Administrators and received the Distinguished Service Award in 2011. Mr. Seidler’s professional experience ranges from Assistant Administrator, Chief Operating Officer and Chief Executive Officer when he was in California. His vision and expertise have driven the success of facility mergers, managed care organizations, primary care group acquisitions, market share and referral increases, new partnerships with insurers and the development of comprehensive outpatient campuses and cardiovascular centers. Mr. Seidler came to Trinity and the Quad-Cities in 2010 following twelve years leading Allen Health System in Waterloo, Iowa. He also serves on several boards and has shown a continued dedication to the Quad-Cities community.

It is because of dedicated leaders such as Mr. Seidler that I am especially proud to serve Illinois’ 17th Congressional District. Madam Speaker, I would like to again formally congratulate Mr. Seidler on his retirement and thank him for his service to the community.

Mr. NÉGUSE. Madam Speaker, I rise today to honor the numerous accomplishments of Mr. Max Stein.

As a World War II Navy Veteran and long-time Professor of Mathematics at Colorado State University in my district, Mr. Stein knows the meaning of hard work better than most. Throughout his career, he worked tirelessly to ensure that any students he came in contact with understood the concepts they needed to succeed. This was true whether he was teaching World War II pilots how to use their radar technology or instructing doctoral candidates on how to defend their theses.

Mr. Stein has not only been a long-time role model for his discipline, but for quality of character as well. As a husband, father, grandfather, and great-grandfather, he ensures that those around him understand how much he cared for them. This devotion has also been extended to the sport teams he tirelessly cheers, powering through with them in the good seasons and the bad. In addition to all of this, Mr. Stein’s love for laughter has made him a joy to be around.
