Mr. CUELLAR changed his vote from "aye to "no."

So the Journal was approved.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. COX of California. Mr. Speaker, due to a delayed flight, I was unable to make it back to Washington, D.C. in time for votes. Had I been present, I would have voted "yea" on rollcall No. 168 and "yea" on rollcall No. 169.

SANTA YNEZ BAND OF CHUMASH INDIANS LAND AFFIRMATION ACT OF 2019

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the question on suspending the rules and passing the bill (H.R. 317) to reaffirm the action of the Secretary of the Interior to take land into trust for the benefit of the Santa Ynez Band of Chumash Mission Indians, and for other purposes, as amended.

The Clerk read the title of the bill. The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Jersey (Mr. VAN DREW) that the House suspend the rules and pass the bill, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 9, CLIMATE ACTION NOW ACT

Mr. MCGOVERN, from the Committee on Rules, submitted a privi-

leged report (Rept. No. 116-42) on the resolution (H. Res. 329) providing for consideration of the bill (H.R. 9) to direct the President to develop a plan for the United States to meet its nationally determined contribution under the Paris Agreement, and for other purposes, which was referred to the House Calendar and ordered to be printed.

REQUEST TO CONSIDER H.R. 962, BORN-ALIVE ABORTION SURVIVORS PROTECTION ACT

Mr. HUIZENGA. Mr. Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of H.R. 962, the Born-Alive Abortion Survivors Protection Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

Mr. HUIZENGA. Mr. Speaker, I urge the Democrat leadership to immediately schedule this very important bill and to sign the discharge petition as well.

The SPEAKER pro tempore. The gentleman is not recognized.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 1080

Mr. GOLDEN. Mr. Speaker, I ask unanimous consent that I be removed as a cosponsor of H.R. 1080.

The SPEAKER pro tempore (Mr. LEVIN of California). Is there objection to the request of the gentleman from Maine?

There was no objection.

MOMENT OF SILENCE HONORING RECENT CHABAD OF POWAY SHOOTING VICTIMS

(Mr. PETERS asked and was given permission to address the House for 1 minute.)

Mr. PETERS. Mr. Speaker, it is with great sadness that I rise today to speak of the tragic shooting that took place at the Chabad of Poway on Saturday. As the synagogue celebrated the last day of Passover, a 19-year-old terrorist walked in and opened fire with an assault rifle.

One woman was killed, and three others were badly hurt. Lori Gilbert-Kaye died while selflessly trying to protect her rabbi from the gunman. She is recalled as a faith-filled, generous caregiver who put others before herself. Lori died as she lived.

Yesterday I attended an event to honor local Holocaust survivors. As I watched these brave men and women who survived Nazi Germany, I was confronted with the tragic realization that

today in 2019, Jews are still being threatened by murderous white supremacists.

Mr. Speaker, I ask for a moment of silence, but we must follow it with action. We must act against gun violence and come together to stop the rising tide of white supremacy that plagues our Nation today.

Please join me in a moment of silence.

#### RECOGNIZING NATIONAL INTERNSHIP AWARENESS MONTH

(Ms. FOXX of North Carolina asked and was given permission to address the House for 1 minute.)

Ms. FOXX of North Carolina. Mr. Speaker, April is National Internship Awareness Month, and I rise to highlight the wonderful educational opportunities internships provide.

They promote experiential learning that helps people make career choices amid a wide range of potential professional tracks. Employers increasingly prefer to hire people with relevant work experience, and internships are a great way to gain this asset.

Congress mirrors this trend and financial means should not be a limiting factor in one's participation in a congressional internship. That is why I, in past years, set aside part of my annual office budget to offer paid internships, and I am pleased that appropriations passed into law last year provide funding for all House offices to do the same.

I encourage more employers to consider offering internships, and I encourage people to explore those opportunities in Congress and all fields to help them inform their career paths.

#### LOWER PRESCRIPTION DRUG PRICES

(Ms. MUCARSEL-POWELL asked and was given permission to address the House for 1 minute.)

Ms. MUCARSEL-POWELL. Mr. Speaker, I have spent the last 2 weeks in my district listening to constituents and healthcare providers share stories about how our broken healthcare system is hurting south Florida.

One thing is clear: high prescription drugs prices are hurting families in my community and across America, which is why this week in the Judiciary Committee we are voting on a bipartisan bill to lower prescription drug prices.

I am all for supporting research and innovation, but we cannot allow the pharmaceutical industry to delay and block more affordable, generic medicines because it may hurt their profits. Lowering drug prices for all Americans should be a bipartisan issue, and this is just one more step in making our country healthier and helping Americans keep more of their paycheck.

Let's help hardworking families get ahead.

#### RECOGNIZING TECHNICAL SERGEANT CAM KELSCH

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Technical Sergeant Cam Kelsch who is stationed at Hunter Army Airfield in the First Congressional District of Georgia. He recently received the Silver Star Medal on April 9 at the Mighty Eighth Air Force Museum.

The third highest medal for gallantry in the Nation, Sergeant Kelsch received the award for extraordinary acts of bravery during a nighttime raid in Afghanistan. Throughout the raid, he exposed himself to enemy fire multiple times, once to call in air support, and another time to eliminate an enemy machine gun.

He was also struck by enemy fire while saving the life of a wounded American as he dragged him to safety while under fire.

Stories like these from our soldiers abroad are sober reminders of the dangerous situations they endure to make our world and our Nation a safer place to live.

Mr. Speaker, I thank Sergeant Kelsch for his service, his bravery, and his sacrifice, and congratulate him on receiving the Silver Star. He deserves it.

#### UKRAINIAN ELECTION

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Mr. Speaker, it is with great admiration that I rise to recognize Ukraine's recent historic Presidential elections. On April 21, 2019, the Ukrainian people made their democratic values known in an election international observers lauded as free and fair.

Such an achievement is a rare and true testament to the Ukrainian people's resilience and love of liberty, especially while fending off Russia's ongoing aggression which has already killed over 13,000 Ukrainian citizens.

I am grateful to President Poroshenko for his leadership over the past 5 years and his dedication to moving Ukraine forward. The United States Congress congratulates President-elect Zelenskiy and extends a hand of friendship on behalf of the American people.

The President-elect faces many challenges, including delivering on the Ukrainian people's expectations to counter corruption.

The free world must now step up our efforts to provide moral and material aid to support Ukraine's continued democratic trajectory. Onward Ukraine. Onward free Ukraine.

#### CONSORTIUM TO COMBAT SUBSTANCE ABUSE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, this morning I was at Penn State University, a great land grant university, for the inaugural conference of the Consortium to Combat Substance Abuse. Penn State has brought together a diverse group of stakeholders to address the largest public health crisis of our lifetime: the opioid and substance abuse epidemic.

This group will draw on the expertise of researchers, educators, and practitioners from Penn State campuses across the Commonwealth to develop and implement effective programs, policies, and practices aimed at preventing and treating addiction and its spillover effects on children, families, and our communities.

Pennsylvania has been hit hard by the opioid epidemic, especially our rural communities, though no household is immune.

On Saturday, Americans had the opportunity to protect their communities and prevent the spread of addiction by safely disposing of expired, unwanted, and unused prescription drugs, thanks to the Drug Enforcement Administration's 17th Annual National Prescription Drug Take Back Day.

It is encouraging to see communities working together to slow the spread of the opioid epidemic. It is my hope that through increased awareness and action at all levels we can eradicate it once and for all.

#### OPPOSING TRANSFORMATION PLAN OF THE CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, I rise in strong opposition to the decision by the Corporation for National and Community Service, or CNCS, to close all State and territorial offices and replace them with eight regional offices.

If this plan is implemented, just by way of example, the office in my home State of Rhode Island will close. If this happens, we will lose the local experts who understand the histories and cultures of the communities they serve, and with them, the years-long relationships that they have built up in our communities.

The closures will particularly harm smaller organizations that rely on CNCS, like New Urban Arts, the Rhode Island Free Clinic, Federal Hill House, and Riverzedge Arts.

That is why I have joined my colleagues in sending a letter to CEO Barbara Stewart opposing the plan, and why I am cosponsoring Representative
