RECOGNIZING THE 30TH
ANNIVERSARY OF SAFE STREETS

HON. DEREK KILMER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 30, 2019

Mr. KILMER. Madam Speaker, I rise today in recognition of the 30th anniversary of Safe Streets. Since its founding in 1989, Safe Streets has made a lasting and transformative impact across the many diverse neighborhoods and communities throughout Tacoma and Pierce County.

Operating as a community-led grassroots effort, Safe Streets has thrived through a dedication to building a broad coalition of friends and neighbors that seek to create vibrant and flourishing neighborhoods across Pierce County. They are made up of interfaith leaders, business owners, school teachers, law enforcement, and devoted volunteers from the community.

Safe Streets has organized and trained a network of 125 Neighborhood Groups in neighborhoods, involving over 13,500 community leaders and 190,000 residents who work daily to ensure that their neighborhoods and schools are safe. Safe Streets' Community Mobilizers help these Neighborhood Groups define and address their own needs by utilizing organized block watches, youth leadership teams, graffiti removal teams, safe routes to school, and widespread substance abuse and violence prevention education initiatives.

Safe Streets is doing significant work in adapting and evolving as an organization to meet the ever-changing needs and demands of its communities. Through the development of their Non-English Speaking (NES) program, Safe Streets now provides services to residents who have limited or no English-speaking experience. As a result, Safe Streets has been able to regularly connect and meet with community members from the Japanese, Korean, Samoan, Chinese, Philippine, and Cambodian communities, among others, of Pierce County.

Safe Streets is also revered for their work in engaging, mobilizing, and mentoring young people across Pierce County. Many high schools in our communities have established Youth Leading Change (YLC) clubs that are made up of core students, guided by a teacher and coach, and supported by Safe Streets staff. Participants in YLC learn leadership skills and present on prevention issues to their fellow students throughout the year. Alumni of this program have won numerous awards on the state and local level, including a trip to Washington, DC in 2014 and multiple City of Destiny Awards for Youth Leadership in the City of Tacoma.

Madam Speaker, I can say with certainty that our neighborhoods and communities across Tacoma and Pierce County are safer because of the work of Safe Streets. It speaks to their tenacity that even after 30 amazing years, the many volunteers and staff that make up this organization are committed to
