and Morning Star Baptist Church in Enterprise, Alabama. In 1989, Rev. Hayes was called to be the pastor and spiritual leader of Greater Beulah Missionary Baptist Church in Columbus, Georgia and he and his family moved to the Fountain City.

For the past 30 years, he has served as a guiding light and beacon of hope for the congregation of Greater Beulah Missionary Baptist Church and the Columbus community. Rev. Hayes believes that you enter the church to worship, but you leave to serve. Therefore, his ministry has been to take the church and the teachings of Christ beyond the church building into the community and throughout the world.

Outside of the church, Rev. Hayes has also proved himself a true servant of the communities in which he has lived. At the age of 26, he became the Chairman of the Coffee County, Alabama branch of the Alabama Democratic Conference, a post that he held for eight years. Years later, he was appointed by then Georgia Governor Zell Miller and later Governor Roy Barnes to serve on Georgia's Martin Luther King, Jr. Holiday Commission. Having seen issues arise with human trafficking, he was moved to open two group homes for girls. Because of his love for young people, he opened a counseling center called "Mentoring Youth." As a result of his tremendous advocacy and support for the Columbus community, on August 8, 2017, the Council of the Columbus Consolidated Government named the intersection of 6th Street and 6th Avenue as "C. Medley Hayes Way."

Always seeking to improve his craft in discipleship and Christian ministry, he has been a longtime member of the National Baptist Convention, USA; General Missionary Baptist Convention of Georgia (G.M.B.C.); Fourth District of G.M.B.C.; Mount Calvary Missionary Baptist Association; along with many other faith-based organizations.

The great agricultural chemist, Dr. George Washington Carver once said that, "How far you go in life depends on your being tender with young, compassionate with the aged, sympathetic with the striving and tolerant of the weak and strong. Because someday in your life you will have been all of these." Reverend Hayes has gone far in his ministry and in life because of his love for all people in the same vein as his Lord and Savior, Jesus Christ.

On a personal note, Rev. Hayes has been a great friend and supporter over the many years I have known him. I value his wise counsel and sage advice. He never told me only what I wanted to hear, but always told me what I needed to hear. And for that, I am grateful.

Reverend Hayes has achieved much in his life, but none of it would be possible but for the Grace of God and the love and the support of his wife, Stephanie, and their children, Leon, Lester, Tonya, Alyssa, Tiffany, and Sophia. Rev. Hayes is man of great accomplishment, an outstanding mentor, and a strong leader, but above all, he is a faithful servant of God.

Madam Speaker, I ask my colleagues to join my wife, Vivian, and me, along with the congregation of Greater Beulah Missionary Baptist Church and the 730,000 residents of Georgia's Second Congressional District, in congratulating Rev. Dr. C. Medley Hayes on the joyous occasion of his 30th pastoral anniversary. INTRODUCTION OF THE PREVENT BLOOD LOSS WITH EMERGENCY EQUIPMENT DEVICES ACT OF 2019

HON. ALCEE L. HASTINGS

OF FLORIDA IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 7, 2019

Mr. HASTINGS. Madam Speaker, I rise today to introduce the Prevent Blood Loss with Emergency Equipment Devices Act of 2019 the Prevent BLEEDing Act—legislation that would expand access to Bleeding Control Kits (BCKs) in public gathering places across the country. I would like to thank my colleague, Dr. BRAD WENSTRUP, for introducing this legislation with me, which will help to save lives during emergency situations.

Approximately 214,000 people die every year from traumatic incidents. Motor vehicle crashes, shootings, natural disasters, and workplace accidents, to name just a few, oftentimes result in situations where people suffer traumatic blood loss. Such an injury can lead to death within five minutes, where many of these deaths can be prevented. The Prevent BLEEDing Act will help states to distribute thousands of BCKs to schools, libraries, places of worship, concert venues, shopping malls, and any other place where people gather, while providing staff and volunteers at these facilities with the necessary training to utilize the materials.

Following the disaster at Sandy Hook in December 2012, the American College of Surgeons (ACS) as well as others in the medical community, the federal government, and the U.S. military, convened the Joint Committee to Create a National Policy to Enhance Survivability from Active Shooter Events and Intentional Mass Casualty. The committee's recommendations are called the Hartford Consensus, and they led to the establishment of the Stop the Bleed Program, a national awareness campaign to train and equip everyday Americans with the skills to help in a bleeding emergency before professional help arrives. To date, Stop the Bleed has trained nearly 125,000 Americans anti blood-loss skills, empowering them to help prevent unnecessary deaths from blood loss.

This legislation builds on that program's successes by amending the Homeland Security Act of 2002 to make it easier for states to apply for BCKs through the Homeland Security Grant Program (HSGP). By making these materials more accessible during times of disaster, bystanders with little or no medical training can save lives when confronted with traumatic injury, similar to the use of CPR or automatic defibrillators (AEDs).

Madam Speaker, this bill will help save lives. We can't prevent disasters, but we can help to ensure we are ready to respond to them. I urge my colleagues to support this bill.

HONORING NEIGHBORHOOD CON-NECTIONS OF LONDONDERRY, VERMONT ON THE OCCASION OF ITS 10TH ANNIVERSARY

HON. PETER WELCH

OF VERMONT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 7, 2019

Mr. WELCH. Madam Speaker, it is with great pride that I rise today to pay tribute to Neighborhood Connections of Londonderry, Vermont which will be celebrating its 10th anniversary on May 17th. I especially want to recognize the vision of its two founding partners, Dr. Dolores Barbeau and Gloria Dawson, who identified a need in their community and had the energy and skills to deliver results that have improved the lives of their neighbors.

Today Neighborhood Connections serves nine towns in rural, south-central Vermont. This is an area of my state where many residents are vulnerable to poverty, food and employment insecurity, lack of transportation, mental and physical health issues, disability, isolation and simply not knowing where to turn for basic support.

Neighborhood Connections is a vital organization committed to welcoming all people through its doors, regardless of challenge or financial status, to help them navigate a range of personal difficulties by connecting them with all forms of available assistance. Its focus is on the most vulnerable and those who face barriers to care.

It offers a myriad of services from connecting people to transportation, housing, heating and employment assistance to helping people access disability and income benefits, Medicare, Medicaid and tax preparation assistance. The small professional staff offers counseling, crisis management assistance and home visits primarily to elderly and disabled residents. They "walk with" those they serve, offering support for "as long as it takes." In a given year, Neighborhood Connections delivers over 1,200 services to individuals and families, 90 percent of whom fall below the federal poverty level and 80 percent of whom have significant mental or physical health issues.

Neighborhood Connections is committed to the "total well-being" of communities to improve health and quality of life for all. In short, it exists to foster hope, particularly for vulnerable individuals and families, by delivering care and connecting everyone who walks through its doors to comprehensive wellbeing support.

The motto of Neighborhood Connections is simple: "Neighbors Helping Neighbors." For ten years they have been fulfilling their vital mission and I know they will continue their work for many years to come.

Madam Speaker, I urge the House to join me today in paying tribute to Neighborhood Connections, Dolores Barbeau, and Gloria Dawson for the countless ways they have improved the quality of life for people in southcentral Vermont. Congratulations on this remarkable milestone and best wishes for many more years of success.

OATH CEREMONY ON MAY 10, 2019

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 7, 2019

Mr. VISCLOSKY. Madam Speaker, it is with great pleasure and sincerity that I take this time to congratulate thirty individuals who will take their oaths of citizenship on May 10, 2019. This memorable occasion will be held at the United States Courthouse and Federal Building in Hammond, Indiana.

America is a country founded by immigrants. From its beginning, settlers have come from countries around the world to the United States in search of better lives for their families. Oath ceremonies are a shining example of what is so great about the United States of America—that people from all over the world can come together and unite as members of a free, democratic nation. These individuals realize that nowhere else in the world offers a better opportunity for success than here in America.

On May 10, 2019, the following people, representing many nations throughout the world, will take their oaths of citizenship in Hammond, Indiana: Amorette Jackson Vorkpor, Ragubir Singh Rathore, Zeyad Khalaf Al Sedra Al Sedra, Bushra Thamer Mohsin. Jason Christopher Richardson, Sana Hajira Kendrix, Mari Diaz, Marisol Lopez Pantoja, Garcilazo Garcilazo, Alexandros Felipe Angelos Taflanidis, Henry G. Huang, Carlos Magdaleno, Teodora Orduno Gutierrez, Geena Jikyung Kam, Natalie B. Leonov, Andres Loza, Ying-Ling Lin, Araceli Magdaleno, Janet V. Fatti. Mourad Takawi. Veronica Gonzalez. Qusai M. Odeh, Ana Delia Aleman Lorenzo, Estela Reyes, Boubacar Bouka Gamby, Norma Alicia Garmendiz, Mika Trivunovic, Adrian Jaesim, Hisham Mahmoud Salih Abidallh and Stanislawa Antonina Malochleb.

Although each individual has sought to become a citizen of the United States for his or her own reasons, be it for education, occupation, or to offer their loved ones better lives, each is inspired by the fact that the United States of America is, as Abraham Lincoln described it, a country ". . . of the people, by the people, and for the people." They realize that the United States is truly a free nation. By seeking American citizenship, they have made the decision that they want to live in a place where, as guaranteed by the First Amendment of the Constitution, they can practice religion as they choose, speak their minds without fear of punishment, and assemble in peaceful protest should they choose to do so.
