

and she has been a tremendous leader in our Lancaster County community. Just last year, the health center that she leads logged over 80,000 patient visits.

Madam Speaker, Dr. Shirk led the health center during a pivotal time in the organization's history. Under her steadfast leadership, she grew the organization in many ways, including doubling the organization's operating budget, increasing its staff by nearly 50 percent, and increasing accessibility at two new sites in Lancaster City.

Dr. Shirk will be retiring later this year. It is a pleasure to honor such an incredible community leader. We thank her for her years of service and wish her well in her retirement.

REMEMBERING ANNE MARIE FEENEY

(Mr. SCHRADER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHRADER. Mr. Speaker, it is with a heavy heart that I rise today to recognize and remember a dear friend and devoted, lifelong public servant, my former executive assistant Anne Marie Feeney.

Anne Marie began her more than four decades in Congress in the 1970s with Senator Robert Byrd and retired her career in my office in 2014.

Across the Capitol, Anne Marie was a force to be reckoned with, having served through eight Presidencies and more than 20 Congresses. She knew her stuff.

Beginning her career at a time when few women were hired as congressional staff, she spearheaded the charge to bring full-time childcare to Congress for both Members and staff.

When I was first elected to Congress in 2008, it was Anne Marie who helped me set up my office and guided me through the ins and outs of Congress. I credit her with building the close-knit family culture my office is fortunate to have.

My thoughts this past 2 weeks have been with her daughter, Marybeth; son-in-law, Jamie; grandson, Kyle; sister, Mollie; and brother-in-law, John, as we mourn a great loss and remember the incredibly strong and caring woman that was Anne Marie Feeney.

CREATION OF THE SKYLINE DRUG TASK FORCE

(Mr. RIGGLEMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RIGGLEMAN. Mr. Speaker, I rise today to talk about an issue of grave concern in my district. The Skyline Drive corridor in central and western Virginia has become the center of a drug trafficking problem that is ravaging my district.

This challenge has warranted the creation of a Skyline Drug Task Force to combat drug problems in the community. This counter-drug team has carried out searches and made arrests, including of an individual suspected to be a high-level member of a Mexican drug trafficking organization, a cartel, who had, according to the judge, caused unfathomable damage to the community.

The damage caused by this organization and the many others trafficking in our communities and in the Fifth District of Virginia is very real and very lasting.

It is necessary, for the safety of my constituents, to have the region designated as a High Intensity Drug Area to give law enforcement the funding and support they need to continue the fight against the dangerous drug dealers.
