

Their support and guidance will lead the Pike County farming community into the next 100 years.

RECOGNIZING NURSE FAMILY PARTNERSHIP

HON. JOE NEGUSE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. NEGUSE. Madam Speaker, I rise today in honor of the holidays our nation is recognizing this week—National Nurses Week and Mother’s Day.

To recognize these auspicious occasions, I want to highlight the work of an incredible organization founded in my home state of Colorado—Nurse-Family Partnership.

An evidence-based program, N.F.P. works in 42 states sending registered nurses to the homes of vulnerable expectant mothers, from pregnancy through the child’s second birthday.

Mothers served by N.F.P. in Colorado have a median annual income of \$7,500, demonstrating that this program serves the most vulnerable of our communities’ mothers. Most importantly, for every \$1 invested in Colorado, N.F.P. saves nearly \$8—that’s a nearly 8 times return on our nation’s investment. And those results are being duplicated across our nation, with mothers in Alabama and Oregon, Oklahoma and Virginia, and nearly everywhere in between.

I want to thank N.F.P. for their commitment to families, and in particular I want to recognize the nurses who make these partnerships possible and ensure that our most vulnerable mothers will be supported this Mother’s Day.

IN HONOR OF PURDUE UNIVERSITY’S 150TH BIRTHDAY

HON. JAMES R. BAIRD

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. BAIRD. Madam Speaker, I rise today to honor my alma mater, Purdue University, as we celebrate 150 years of “giant leaps” and academic excellence.

Since Purdue’s first classes with six instructors and 39 students in 1874, upcoming generations have been equipped to push boundaries in innovation and entrepreneurship.

Now, with more than 200 areas of undergraduate study and over 69 graduate disciplines, students continue to pave the way for tremendous advances in medicine, agriculture, space exploration, engineering, and numerous other professions.

Through partnerships with world-renowned programs like NASA and serving the manufacturing sector with technical assistance programs, Purdue’s mission to increase economic prosperity touches every aspect of life in Indiana and across the nation.

I am proud that this university stands as a pillar of excellence in our community.

Since its 1869 groundbreaking, Purdue University has evolved in response to a changing world, but one thing remains the same: a commitment to integrity and service that has been embodied since the very beginning.

I join all current and former Boilermakers in wishing Purdue a very happy 150th birthday.

WELCOMING THE MT. CARMEL HIGH SCHOOL BAND TO THE U.S. CAPITOL

HON. DANIEL MEUSER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. MEUSER. Madam Speaker, it is with great respect and honor that I rise today to welcome the Mt. Carmel High School Band to our nation’s capital. They are performing this afternoon in front of the United States Capitol to showcase their impressive musical talent, and drill team. This exemplary group of students are a fine representation of Pennsylvania’s legacy of educational and musical excellence.

I have a great appreciation for the hours these students have dedicated to preparing for their concert. I am certain that they will impress us all and be a highlight for many other visitors to the Capitol today. On behalf of the United States House of Representatives, and the citizens of Pennsylvania’s Ninth Congressional District, I proudly welcome the Mt. Carmel High School Band to Capitol Hill and extend my best to them in their performance.

REMEMBERING HUBERT PAUL ADAMS, SR.

HON. MICHAEL CLOUD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. CLOUD. Madam Speaker, I rise today in remembrance of Hubert Paul Adams, a World War II veteran who friends and family will miss dearly.

Mr. Adams was born on April 26, 1921, in Robstown, Texas. When World War II began, he proudly defended our nation in the U.S. Army.

When he returned home, he began his career at Questor Drilling. People in the community knew Mr. Adams for his dedication to his profession, and after 42 years, he ended his career having attained the position of Drilling Superintendent.

Mr. Adams leaves behind his wife of 47 years, Ruth, along with children, grandchildren, and great grandchildren. His loved ones will remember him for his sense of humor and his Texas pride as a Dallas Cowboys fan.

During this time of mourning, I would like to extend my heartfelt condolences to her and the rest of their loved ones.

COMMENDING SHERIFF JASON ARD

HON. GARRET GRAVES

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. GRAVES of Louisiana. Madam Speaker, I rise today to commend Sheriff Jason Ard for

winning the Destination Zero Officer Traffic Safety Award. Talking about change is easy, as this body well knows. Making change happen is a different thing altogether. Sheriff Ard earned this recognition by taking decisive action to solve a real problem affecting the performance of his deputies. In January 2017, Sheriff Ard was advised that Livingston Parish Sheriff’s Office had a ‘bad driving’ problem and that his deputies were spending too much on vehicle maintenance and repairs, having at-fault accidents, and dealing with crash injuries and even lawsuit settlements. So he stepped in and initiated change. First, he identified those among his deputies with safe driving records and rewarded them with an extra week off. He also installed GPS devices on all Sheriff’s office vehicles and required all deputies to complete the NADA pursuit driving class—some of his drivers ended up becoming trainers. The result? An immediate 28 percent reduction in at fault crashes, a 62 percent reduction in damage costs, a 25 percent reduction in lawsuits, and an 87 percent reduction in lawsuit settlement payments. Sheriff Ard’s leadership and decisive action serve as a model for law enforcement teams across the country that may be facing the same issues. I thank him for his service to our community and to the State of Louisiana—and for setting the example.

HONORING NATIONAL CORRECTIONS OFFICERS WEEK

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. COLLINS of Georgia. Madam Speaker, I rise today to honor our nation’s correctional workers during National Correctional Officers Week. Twenty-five years ago this week, President Ronald Reagan issued a proclamation designating the first week in May as National Correctional Officers Week. He did so “in recognition of the contributions of correctional officers to our Nation.” I believe it is important to continue to recognize the contributions and critical work that correctional officers engage in on a daily basis, often risking their own safety in the course of carrying out their duties.

It is estimated there are over 2 million people incarcerated in jails and prisons throughout the United States. Correctional officers are tasked with keeping these inmates and our communities safe, as well as the thousands of staff that support the operation of our detention facilities. Correctional officers are an integral part of our criminal justice system and play a key role in helping maintain public safety.

Equally important are correctional officers’ interactions with prisoners, the vast majority of whom will be released at some point. Correctional officers are partners in our efforts to reduce recidivism by providing prisoners with the tools and resources that they need to succeed once released from custody. Correctional officers are the individuals who spend the most time with the prisoner population and investing in them so they can help inmates become productive members of society is a worthwhile endeavor.

I wish to take this opportunity to thank the over 400,000 correctional officers in the United

States for the often-thankless job that they do. I ask my colleagues to join me in honoring these key public servants.

RECOGNIZING BASCOM PALMER
EYE INSTITUTE

HON. DONNA E. SHALALA

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Ms. SHALALA. Madam Speaker, today, I would like to speak about South Florida's Bascom Palmer Eye Institute. Consistently recognized as the best eye hospital in the nation, Bascom Palmer treats over 250,000 patients every year at its five centers in Miami, Coral Gables, Plantation, Naples, and Palm Beach Gardens.

In addition to serving as a national model for excellent eye care, Bascom Palmer acts as the Department of Ophthalmology at the University of Miami.

The center provides students with the opportunity to work with world-class doctors and conduct innovative research to improve patient care and treatment methods.

Eye care is a delicate science.

The doctors, students, and staff at Bascom Palmer demonstrate every day not only their vast knowledge of the constantly developing field of ophthalmology, but also their enormous compassion for patients who suffer from blindness, glaucoma, ocular cancer, and other debilitating conditions.

It was a joy to partner with this stellar team of medical professionals when I led the University of Miami.

I am grateful to know that the eye health of South Florida is in good hands with Bascom Palmer leading the field.

CONGRATULATING SBA CAPITAL
REGION SMALL BUSINESS PER-
SON OF THE YEAR CHRIS
MARTELL

HON. PAUL TONKO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. TONKO. Madam Speaker, I rise to congratulate Chris Martell, President of Druthers Brewing Company of Saratoga Springs, on being named this year's Small Business Person of the Year by the Syracuse regional office of the U.S. Small Business Administration.

Founded in 2009, Druthers is a craft beer success story in New York's 20th Congressional District. This thriving company has opened three brew pubs in our region in less than ten years, serving award-winning beer and inspiring all who take smart chances and invest their energy and passion into their work.

On behalf of their many patrons and fans across New York's Capital Region, including those of us who enjoy their beer cheese and hamburgers, I extend my heartfelt congratulations to Chris and the entire team who make Druthers Brewing Company so special. I am honored to share the accomplishments of Druthers during National Small Business Week, and I hope that Chris's passion and vision ignite in us a renewed appreciation for

supporting our local small business community.

HIPPIE BOTS OF CLIFTON MIDDLE
SCHOOL, MONROVIA, CALIFORNIA

HON. GRACE F. NAPOLITANO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mrs. NAPOLITANO. Madam Speaker, I congratulate the Hippie Bots of Clifton Middle School in Monrovia, California, who became the first middle school robotics team to win the FIRST Tech Challenge Los Angeles-Southern California Regional Championship.

This extraordinary accomplishment made them the first middle school team in our region to qualify for the World Championship. At the World Championship in Houston, Texas on April 17–20, the team faced adversity yet showed its resolve by battling back into contention on the final day of competition. Although the students did not win, they truly made Monrovia and our entire San Gabriel Valley proud with the way they conducted themselves and represented their city throughout the season.

We send our many congratulations to Sophia Adkins, Evan Asti, Lucas Corsi, Christian Figueroa, Alex He, Ian Hughes, Dylan Polanco, Caroline Squire, and Miles Wilson, as well as their teacher, Paul Flores. They have made us very proud; and we wish them the very best in the future.

H.R. 986, THE PROTECTING AMERICANS WITH PREEXISTING CONDITIONS ACT OF 2019 AND H.R. 2157, A COMPREHENSIVE SUPPLEMENTAL APPROPRIATIONS BILL TO HELP AMERICAN COMMUNITIES RECOVER FROM RECENT NATURAL DISASTERS

HON. TONY CÁRDENAS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. CÁRDENAS. Madam Speaker, I am proud to express my support for H.R. 986, the Protecting Americans with Preexisting Conditions Act. For too long this Administration has undermined and attacked the care of our most vulnerable Americans and perpetuated unjust barriers to treatment. By passing this bill my colleagues are fulfilling the will of the American people, who used their voice to tell Washington that these partisan attacks on the Affordable Care Act were unacceptable.

The American people also care about protecting the only planet we have. Climate change continues to threaten the safety of Americans every year by fueling the frequency and severity of natural disasters. In my state of California, the fire season has turned into a year-long ordeal. People in California have lost so much as these fires get worse and worse. We've lost lives, homes, communities, and livelihoods. H.R. 2157 is another step towards recovery. Among other things, it provides funds for emergency forest restoration, to farmers struggling with crop and livestock losses due to wildfires and other disasters,

and for legal services for people who need legal help during the recovery period. H.R. 2157 provides needed relief for Californians and all Americans, including those living in Puerto Rico and other territories devastated by hurricanes.

Importantly, this bill also prevents Defense funds from being used to construct an unnecessary and ineffective wall along the southern border. When we have real problems to fix, we cannot waste a penny on an unnecessary slogan. Instead, we need to be addressing the healthcare needs of Americans and ensure they can get back on their feet in the wake of natural disasters, as we have done today.

As always, I want to take the time to thank those who have worked tirelessly to improve our nation's healthcare, environment, and response to natural disasters.

RECOGNIZING THE EXCEPTIONAL SERVICE AND CONTRIBUTIONS OF DURAID ANTONE TO THE UNITED STATES OF AMERICA AND ORANGE COUNTY, CALIFORNIA

HON. HARLEY ROUDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. ROUDA. Madam Speaker, I rise today to celebrate the work of my constituent, Duraid Antone, who recently received an Ellis Island Medal of Honor for a lifetime of service to our nation.

Ellis Island Medals of Honor are presented each year to individuals who have distinguished themselves through inspired service to our nation and accomplishments in their field. Past recipients of the Ellis Island Medals of Honor include seven former presidents, Supreme Court justices, and many other illustrious American leaders.

Mr. Antone was born in Baghdad, Iraq, and moved to the United States when he was six years old. As a young man, he was called to serve as an active-duty intelligence officer in the United States Army. He later found success in the medical device industry, starting a company in Newport Beach, California, located in my congressional district.

Mr. Antone has lived the American Dream. He has proven, like so many before him, that if you come to our nation, embrace our ideals, and work hard, you can build a life here in the United States of America.

I commend Mr. Antone for his many accomplishments in service of our nation and our Orange County community, and I ask all Members to join me in congratulating him on his receipt of a 2019 Ellis Island Medal of Honor.

IN RECOGNITION OF JAMIE LAND'S SERVICE TO KENTUCKY

HON. BRETT GUTHRIE

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Friday, May 10, 2019

Mr. GUTHRIE. Madam Speaker, I rise today to recognize Chief Jamie Land of Elizabethtown, Kentucky, for his retirement from the Elizabethtown Police Department. Chief Land
