□ 1230

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. RODNEY DAVIS of Illinois. Madam Speaker, on Friday, May 10th I was absent from the House to attend my daughter's college graduation. Due to my absence, I did not record any votes for the day. Had I been present, I would have voted "yea" on rollcall No. 197; "yea" on rollcall No. 198; "nay" on rollcall No. 199; "yea" on rollcall No. 200; "yea" on rollcall No. 201; and "yea" on rollcall No. 202.

THE JOURNAL

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the question on agreeing to the Speaker's approval of the

Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.

REQUEST TO CONSIDER H.R. 962, BORN-ALIVE ABORTION SURVIVORS PROTECTION ACT

Mr. JOHN W. ROSE of Tennessee. Mr. Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of H.R. 962, the Born-Alive Abortion Survivors Protection Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore (Mr. BUTTERFIELD). Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaders.

Mr. JOHN W. ROSE of Tennessee. Mr. Speaker, if this unanimous consent request cannot be entertained, I urge the Speaker and the majority leader to immediately schedule the born-alive bill so we can stand up and protect the sanctity of human life.

The SPEAKER pro tempore. The gentleman is not recognized for debate.

ADJOURNMENT FROM FRIDAY, MAY 10, 2019, TO TUESDAY, MAY 14, 2019

Mr. HOYER. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet on Tuesday next, when it shall convene at noon for morning-hour debate and 2 p.m. for legislative business.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Maryland?

There was no objection.

LEGISLATIVE PROGRAM

(Mr. SCALISE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCALISE. Mr. Speaker, I rise for the purpose of inquiring of the majority leader the schedule for next week.

Mr. Speaker, I yield to the gentleman from Maryland (Mr. HOYER), who is the majority leader.

Mr. HOYER. Mr. Speaker, I thank my friend from Louisiana, the Republican whip, for yielding.

On Monday, there will be no votes expected in the House.

On Tuesday, the House will meet at 12 p.m. for morning-hour debate and 2 p.m. for legislative business, with votes postponed until 6:30 p.m.

On Wednesday and Thursday, the House will meet at 10 a.m. for morning-hour debate and 12 p.m. for legislative business.

On Friday, the House will meet at 9 a.m. for legislative business.

We will consider several bills under suspension of the rules. A complete list of suspension bills will be made available by the close of business today.

The House will also consider H.R. 312, the Mashpee Wampanoag Tribe Reservation Reaffirmation Act. That will be considered under a rule.

In addition, the House will consider H.R. 987, the Strengthening Health Care and Lowering Prescription Drug Costs Act. This legislation is composed of seven bills that would protect and expand affordable healthcare and lower prescription drug costs. The legislation consists of separate bills from the Energy and Commerce Committee to ban junk health plans, bring generic prescription drugs to market more quickly, provide funding for States to establish State-based marketplaces under the Affordable Care Act, require and provide funding for outreach and enrollment, and fund the navigator program that assists Americans during the open enrollment period.

All of these bills will be directed at trying to reverse some of the steps that have been taken to undermine Americans' access to affordable, quality healthcare.

Lastly, Madam Speaker, the House will consider H.R. 5, the Equality Act. LGBT Americans and their families deserve to be protected against all forms of discrimination no matter where they live. This legislation would ban discrimination against LGBT people in housing, employment, education, jury service, credit and financing, and public accommodations.

Mr. SCALISE. Madam Speaker, reclaiming my time, I thank the majority leader for going through the schedule and walking through some of the bills we are going to be taking up next week.

As we just dealt with disaster funding, I know the gentleman is well aware of the disagreements that have been expressed by many on our side, as well as the President and some Senators over there, about some of the things that weren't in the disaster bill, some of the problems regarding the crisis at the border, to help make sure that we can do better at addressing that crisis that is real and that is growing, as well as some of the problems that were identified in the agriculture funding that was included in the bill where it was identified that there are some problems in the language to help some of our farmers get the actual money that they needed.

A lot of those fixes have been negotiated, and those talks have gone on for a few weeks now.

I would hope that as the bill goes over to the Senate, the gentleman and his side would continue to work with our side—House, Senate, Republican, and Democrat—to achieve a bipartisan disaster relief bill that can ultimately get all these problems addressed and signed by the President.
