Thanks to Director of Bands Jay Gephart, Purdue's participation in one of Indiana's most storied traditions has held strong at the "Racing Capitol of the World." I congratulate every band member—former and current—and Director Gephart on their remarkable achievements.

HONORING BOB DINGEMAN

HON. SCOTT H. PETERS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES $Wednesday,\ May\ 15,\ 2019$

Mr. PETERS. Madam Speaker, I rise today to recognize the late Colonel Robert "Bob" Dingeman, a decorated veteran and beloved community leader, who dedicated his entire life to service.

Bob's commitment to service began when he was just a teenager. Bob was living with his family in Hawaii and serving in the Reserve Officer Training Corps when the attack on Pearl Harbor occurred.

Bob helped to get the women and children to safety before joining the defense of the base. The events of that day led Bob to a life of military service.

He graduated from West Point in 1945 and went on to serve in World War II, the Korean War, and the Vietnam War. During his decades of service, Bob earned a Silver Star, Soldier's Medal, Bronze Star, and a Purple Heart.

After retiring from the Army, Bob earned multiple master's degrees and worked as a college professor at San Diego Miramar College, teaching math, history, and political science.

Bob also became a pillar of San Diego's Scripps Ranch community, where he, his wife Gaye, and their children made their home.

Bob helped create the town's council, the Scripps Ranch Civic Association; organized many annual traditions, including the 4th of July Parade; and established the community newsletter.

The Robert E. Dingeman Elementary School opened in 1995, so named by the San Diego Unified School District to recognize Bob Dingeman's accomplishments in the community. The school celebrates Bob Dingeman Day every year on June 12, Bob's birthday.

Scripps Ranch and San Diego are better off for Bob's leadership and community involvement. His legacy of military and volunteer service will continue to be an example for us

Please join me in honoring Bob Dingeman for his dedication to Scripps Ranch and his service to our country.

RECOGNIZING THE RETIREMENT OF RICK JOHNSON

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES Wednesday, May 15, 2019

Mr. SIMPSON. Madam Speaker, I rise today to congratulate Rick Johnson upon his retirement as Executive Director of the Idaho Conservation League. His leadership will be greatly missed by myself and many others.

For the past three decades, Rick has been the seminal leader in Idaho protecting Idaho's outdoors and environment. Whenever I am asked who in the conservation community to speak to in Idaho, the answer is always Rick Johnson.

When I first met Rick in the 1990s, I would describe the environmental community as having a single mission of fighting and objecting to almost anything proposed by the resource industry.

Through the years, I am pleased to say that both Rick and I have evolved and recognized that there are other ways to accomplish conservation. Rick's willingness to recognize the needs and concerns of others and his willingness to look for options where all parties can win, have made him a leader in the nation in finding ways to reach consensus on difficult conservation issues.

Rick and I have been through many battles together. We started with a not so harmonious discussion of nuclear power at my first wild Idaho and one day we ended up in the Oval Office with the President signing the Boulder-White Clouds and Jerry Peak Wilderness bills.

You learn a lot about an individual when you work for 15 years together on a wilderness bill and go camping in the mountains you are both trying to protect.

They also learn a lot about you. Rick was able to recognize my sincerity and concern for Idaho's special areas and more importantly convey that to others.

Rick wasn't a partner in crime, he was a partner in conservation. We were both able to maximize "wins" for our respective sides that they could take to the bank. He conserved hundreds of thousands of acres of wilderness and I was able to create security and certainty for counties, ranchers and motorized users.

Working together we were able to find the proverbial "win-win" that everybody is looking for but always seems elusive. We found it, and Idaho is better off for it.

As future generations of Idahoans gaze over the beautiful vistas of the Cecil Andrus-White

Clouds, the Hemingway-Boulders, the McClure-Jerry Peaks, and the Owyhees, they should be thanking Rick Johnson for his work, his effort, and most importantly his ability to compromise with others.

I will miss Rick greatly as a leader and as my partner in conservation, but I know he is not leaving us forever. I will always have my friend I can call on.

I am wishing Rick and his wonderful wife Roberta, the best of luck in their future endeavors and retirement. I thank them for all that both of them have done for Idaho.

HONORING THE MONCOVICH FAM-ILY AND THE ORIGINAL SPRING LAMB BARBECUE

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2019

Mr. PANETTA. Madam Speaker, I rise today to recognize the Moncovich family for their commitment to philanthropy to empowering their community and bettering the lives of others through the Original Spring Lamb Barbecue. Mr. John Moncovich founded the Original Spring Lamb Barbecue in Watsonville, California 60 years ago, and his son, Mr. Bill Moncovich, has chaired the event since his father's passing in 1972. Since its inception, the Original Spring Lamb Barbecue has been a celebration of family, friends, and the fight against cancer on the central coast of California.

In May of 1959, John Moncovich held the very first Original Spring Lamb Barbecue. The Original Spring Lamb Barbecue started as a simple gathering among friends to collect donations for charity. Held annually, it has evolved into a beloved community event bene-

fiting the American Cancer Society. Volunteers from a local produce company, California Giant Berry Farms, and agriculture industry members from the Pajaro Valley commit their time and energy each year to make the event a memorable one. Live music, family friendly activities, and a horseshoe tournament make this a community event for culture and fun, all while benefitting families who have been affected by cancer.

The Óriginal Spring Lamb Barbecue is the oldest consecutively held fundraiser for the American Cancer Society in the United States and has been recognized as such by the charity. Ten years ago, the organization congratulated the Original Spring Lamb Barbecue for raising over \$1 million worth of cumulative proceeds. This year, the event will celebrate its diamond anniversary for 60 years of outstanding community leadership and fundraising efforts for cancer research.

Madam Speaker, it is my honor to recognize the dedication and commitment to cancer prevention and community service that John and Bill Moncovich and the Original Spring Lamb Barbecue have provided to the Central Coast. We are fortunate to have such a longstanding tradition of community fundraising organized every year by the Moncovich family and California Giant Berry Farms. I ask my colleagues to join me in celebrating the Moncovich family and the Original Spring Lamb Barbecue.

U.S. TERRITORIES MID-DECADE CENSUS ACT

HON. GREGORIO KILILI CAMACHO SABLAN

of the northern mariana islands In the house of representatives Wednesday, May 15, 2019

Mr. SABLAN, Madam Speaker, today I am introducing a bill that would require the United States Census Bureau to conduct a census every five years in the U.S. insular areas of the Northern Mariana Islands, Guam, American Samoa, and the U.S. Virgin Islands. This legislation is necessary because the priority, availability, timeliness, and types of data collected by federal agencies in the insular areas remains deficient compared to data collection in the states. Without accurate and timely information on changes in the economy, employment, income levels, and other key indicators, insular governments are hindered in the establishment of appropriate policy. And without these data, governments and the public are less able to assess the effectiveness of policies that have been established.

Every decade, the Census Bureau conducts a census throughout the country to determine the number of people living in the country. In the insular areas, detailed demographic, housing, and socioeconomic data is also collected in the decennial census using a "long-form" questionnaire consisting of about 75 questions. The decennial census conducted in the states, the District of Columbia, and Puerto Rico only asks 10 questions because the vital information gathered in the decennial census is now acquired annually in the American Community Survey.

The American Community Survey does not include data from the insular areas. The Census Bureau has claimed that a lack of funding to collect the data and the absence of a prov-

en methodology tested in the territories leaves the Bureau unable to include our districts and the hundreds of thousands of Americans living there. As a result, the insular areas have to wait every 10 years for critical, up-to date information on education, income, housing, jobs, and insurance that surveys like the American Community Survey provide. This data is vital to sustain economic development and for prudent government and business decisions. The decennial census is inadequate to this need. The allocation of federal funding for numerous programs is also largely based on the most recent census data available. With no alternative, most current funding allocations to the insular areas are based on data from the previous decennial census. 2010 Census data will continue to be used for many federal program funding allocations until 2023—the earliest key 2020 Census demographic data for the insular areas will likely be available.

As an alternative to annual surveys, my bill would require the Census Bureau to conduct a mid-decade census in the insular areas. The bill starts the first mid-decade census in 2025 and in addition to the decennial census, a census will be conducted every five years. This will provide more current data in the insular areas, similar to that provided by five-year estimates produced by the American Community Survey. Having a mid-decade census will also enable insular governments and the Census Bureau to plan and conduct data collection efforts that are often logistically challenging in these diverse, remote regions. My bill also authorizes appropriations for the middecade census, based on costs estimates provided by the Census Bureau to conduct the 2020 decennial census in U.S. insular areas. I ask my colleagues for their support.

IN HONOR OF HARLEY LIPPMAN

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2019

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I rise to recognize Harley Lippman, who is being recognized today as part of Jewish American Heritage Month. Harley has been a generous philanthropist and humanitarian who has been dedicated to uncovering mass graves of Jews murdered by the Nazis in Poland. His persistence and dedication have meant that the Nazis' victims will never be forgotten.

Deeply concerned about the possibility that Jews murdered during the Holocaust would simply disappear from memory, Harley has made a unique contribution to the remembrance of the Jewish community that was destroyed by the Nazis. With singular purpose and dedication, Harley has searched for unknown gravesites and has paid for the restoration of historic Jewish graveyards.

At my urging, Harley was appointed by President Bill Clinton to the Commission for the Preservation of America's Heritage Abroad which is involved in restoring desecrated cemeteries in Eastern Europe. Created in 1993, the Commission is tasked with identifying and reporting on cemeteries, monuments, and historic buildings in Eastern and Central Europe that are associated with the heritage of U.S. citizens, particularly endangered properties. Congress recognized that, as a nation of immigrants, the United States has an interest in preserving sites related to the heritage of Americans, particularly Jewish gravesites since the Holocaust wiped out the communities that would ordinarily have cared for them. It is a credit to him, his enthusiasm and dedication, that he was reappointed by both Republican and Democratic Administra-

Harley has been the sole funder of an effort to find mass graves in Poland—sites where Jews were slaughtered by the Nazis and then buried. So far, his team has found 52 sites. When he finds a site, he ensures that a memorial plaque is erected to honor the victims. He also arranges for a service with the Chief Rabbi of Poland, a Catholic priest and a Protestant minister and invites school children to help memorialize the dead. These ceremonies provide a meaningful opportunity to remind people of the Jews who perished, the tremendous loss in culture and humanity for Poland, the brutality of the Nazis and the success of the Jewish community that survived.

Harley has been a leader of a host of organizations from the Institute for the Study of Global Anti-Semitism and Policy, an organization founded by Eli Wiesel, which he currently serves as President, to the American-Israel Friendship League and American Jewish Congress.

With great generosity and compassion, Harley has also helped orphans in Cambodia. He is the sole funder of an orphanage, enabling children to find stability, get an education and go on to college. It truly has been life-changing for many of these kids.

Harley Lippman created Genesis 10, a company that currently employs over 2,000 people across the country. Genesis 10 helps companies solve technology problems and find talent to address their needs. Unquestionably, Genesis 10 succeeds because it has a great leader at the helm. USA Today ranked Harley among the top 30 CEOs in America of all large companies including the Fortune 500.

Madam Speaker, I ask my colleagues to join me in celebrating Harley Lippman for his extraordinary contributions to America and the Jewish community.

The Jail Hill Inn was lovingly restored and revitalized by its owner, Matthew Carroll, and has been a hotel for the last 17 years. The hotel has six luxurious rooms complete with a fireplace, wet bar, king-size bed, high-end linens and a Bluetooth-connected sound system. Those

who stay in all six of the rooms are dubbed "repeat offenders" for their frequent visits to the inn. Galena's historic Main Street and downtown area are only a short walk away and provides guests with easy access to all Galena has to offer. I commend Matthew Carroll for creating an excellent stop for visitors hoping to catch a glimpse of some of the beauty our region has to offer and look forward to hearing about the Jail Hill Inn's future successes.

It is because of creative entrepreneurs like Matthew Carroll that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally congratulate the Jail Hill Inn for its rise to the top of TripAdvisor's Travelers' Choice Awards.

INTRODUCTION OF THE DISTRICT OF COLUMBIA COURTS HOME RULE ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES
Wednesday, May 15, 2019

Ms. NORTON. Madam Speaker, today, I introduce the District of Columbia Courts Home Rule Act. This bill would give the Council of the District of Columbia authority over the jurisdiction and organization of the local D.C. courts. The 1973 Home Rule Act (HRA) expressly prohibits D.C. from enacting any law with respect to any provision of the D.C. Code title that relates to the local D.C. courts. Congress can correct this injustice to the District's tax paying residents by amending the HRA, even before the District becomes the 51st state.

Forty-six years after passage of the HRA, matters involving the D.C. courts almost never come to Congress, so Congress knows virtually nothing about the District's courts—and could not care less. Notwithstanding the importance of D.C.'s courts to District residents, the D.C. Council, which is the repository of knowledge and experience for the District's criminal and civil justice systems and the body accountable to our residents, is irresponsibly left on the sidelines while Congress remains the sole entity to correct flaws in the District's courts.

Under the HRA, the D.C. Council has no authority to "enact any act, resolution, or rule with respect to any provision of title 11 of the District of Columbia Code (relating to organization and jurisdiction of the District of Columbia courts)." Matters in title 11 are limited primarily to rules of criminal and civil procedure, court administration, the number of authorized judges, the branches of the courts, the rules of jury service and admission to the bar. Our bill would strike this limitation on the D.C. Council's authority.

The District has never had authority over its local courts, even when it was responsible for paying for their operations. Under the National Capital Revitalization and Self-Government Improvement Act of 1997, the federal government assumed the costs for several state-level functions, including the courts because it alone has jurisdiction over these courts. This bill, an important first step, would not change the courts' funding. This bill also would not affect the authority of the President to nominate, or the Senate to confirm, local D.C. judges,

which has been within their purview since the creation of the modern local court system in 1970.

This bill is an important step to increase democratic self-government for the District. I urge my colleagues to support this bill.

HON. LORI TRAHAN

Like most Americans each day, they get up, say goodbye to their loved ones, and head to work. But their work, and the work of police officers around the country, is like no other. From the moment they put on their uniform they have answered a call that at any moment may put their lives in harm's way.

I thank the Haverhill Police Department for their continued and unwavering service and wish them well in their careers and future endeavors to come.

Madam Speaker, it is with great honor that I recognize the Officers of the Haverhill, Massachusetts Police Department.

TRIBUTE TO RON WELLMAN

HON. VIRGINIA FOXX

 $\begin{tabular}{l} \textbf{OF NORTH CAROLINA} \\ \textbf{IN THE HOUSE OF REPRESENTATIVES} \\ \end{tabular}$

Ms. FOXX of North Carolina. Madam

Wednesday, May 15, 2019

Speaker, I rise to recognize Ron Wellman, Athletics Director at Wake Forest University, who is retiring in May 2019. He leaves as the longest-tenured athletics director in the country at the NCAA Division I level, having been named to the position at Wake Forest in 1992.

He has overseen the most successful period in athletics history at Wake Forest, which ranks first in the Directors Cup in the Atlantic Coast Conference (ACC), while achieving a student-athlete graduation rate of 94 percent.

Under Mr. Wellman, Wake Forest has thrived and has become a national power-house in men's tennis, men's soccer, and women's field hockey. The football program has seen the most successful stretch in school history recently as well.

Wake Forest's accomplishments under Wellman's leadership include five team and seven individual national titles, 22 ACC championships, 171 first team All-Americans and the renaissance of athletics facilities. During his tenure, Wake Forest has raised over \$400 million in philanthropic support for athletics.

Wellman has also played a significant role in shaping intercollegiate athletics on a regional and national level. He served on multiple committees, including the NCAA Division I Management Council and was chairman of the NCAA Division I Men's Basketball Championship Committee. Additionally, as former president of the Division I–A Athletic Directors' Association, Wellman served on the NCAA Diversity Leadership Strategic Planning Committee.

Wellman's efforts leading Wake Forest have not gone unnoticed. In 2007–08, he was honored by two organizations: Street & Smith's Sports Business Journal named him College Athletic Director of the Year and the National Association of Collegiate Directors of Athletics (NACDA) selected him as its AstroTurf AD of the Year for the Southeast Region—the second time in his career he received that honor.

Off the playing fields, Wellman helped enhance the overall development of the student-athlete. He stressed academics and instituted programs to assist and develop student-athletes in ways outside of competition. Most recently, Wake Forest athletics launched its Deacon Leader program, a comprehensive leadership development system designed to identify and develop student-athlete leaders from their arrival on campus through their senior year and beyond graduation.

Wellman earned his undergraduate degree from Bowling Green State University, where he was a pitcher on the baseball team. After receiving a master's from Bowling Green, he joined the faculty and coaching staff at Elmhurst (IL) College in 1971, serving as head baseball coach, assistant basketball and football coach and associate professor of health and physical education. Wellman was the athletics director during his last five years at Elmhurst.

I ask the House to join me in recognizing Mr. Ron Wellman, a leader of extraordinary conscience and character.

IN HONOR OF ZORICA PANTIĆ, OUTGOING PRESIDENT OF ONE OF BOSTON'S TOP UNIVER-SITIES—WENTWORTH INSTITUTE OF TECHNOLOGY

HON. STEPHEN F. LYNCH

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2019

Mr. LYNCH. Madam Speaker, I rise today in honor of Zorica Pantić, the first woman president of Wentworth Institute of Technology in Boston and first woman engineer to lead an institution of technology in higher education in the United States.

President Pantić is leaving her position at Wentworth at the end of May, following a 14-year-tenure that can only be described as transformative and historic in scope. Dr. Pantić's contributions to this 115-year-old institution have earned her respect far and wide. Just recently, while saluting Dr. Pantić during his keynote remarks at Wentworth's graduation on April 28, 2019, Charlie Baker, the esteemed Governor of Massachusetts, characterized President Pantić as, "a gift to Wentworth and blessing to Massachusetts."

Born in Serbia, Dr. Pantić first became interested in electrical engineering as a young girl, while watching her father work on repairing a radio. She went on to earn her B.S., M.S., and Ph.D. degrees in electrical engineering from the University of Niš, Serbia, and became the founding dean of the College of Engineering at the University of Texas at San Antonic; director of the School of Engineering at San Francisco State University; a Fulbright fellow at the University of Illinois at Urbana-Champaign; and an associate professor at the University of Niš.

As Wentworth's President, she has a been an important role model and tireless advocate for traditionally underrepresented students, particularly young women wishing to pursue a college education and career in the STEM arenas. Under her leadership, Wentworth has introduced its first seven graduate programs, becoming a master's degree-granting institution and achieving "university" status in 2017. Dr. Pantić has overseen the introduction of 10 new undergraduate programs (seven in engineering), a \$300 million investment in state-of-the-art facilities, and a 20 percent enrollment increase on the school's campus.

During her presidency, Wentworth has enhanced its experiential-learning educational model by implementing EPIC Learning (Externally-collaborative, Project-based, Interdisciplinary Culture for Learning), and is focusing on innovation and entrepreneurship. The Institute continues to earn annual recognition in the top national and regional college rankings.

Applauding her "energetic, entrepreneurial, and ambitious leadership style," the Council

for the Advancement and Support of Education, District 1, in 2017 honored Dr. Pantić with its Chief Executive Leadership Award. That same year, Dr. Pantić was inducted into the National Academy of Construction. In January 2018, Governor Baker appointed her to serve on the Massachusetts Cybersecurity Strategy Council. And more recently, the Greater Boston Chamber of Commerce honored her as one of its Pinnacle Award winners for 2019.

President Pantić has served on various boards and professional organizations, including the board of directors for the World Association for Cooperative Education, the American Association for Presidents of Independent Universities and Colleges, the New England Association for Schools and Colleges, the Massachusetts Workforce Investment Board, and the Presidents Council for the NCAA Division III.

Madam Speaker, Zorica is known for her love of students and for helping to guide and serve thousands of young women and men who have attended Wentworth since she became president in 2005. She is the proud mother of one son, Daniel Tanner, who graduated from Wentworth and is busy building his own career.

Madam Speaker, it is my distinct honor to thank Zorica Pantić for her incredible leadership over these past 14 years at one of Boston's oldest and most venerable educational institutions, and to salute her for her many contributions to higher education in the United States.

IN RECOGNITION OF THE 100TH BIRTHDAY OF WORLD WAR II VETERAN RAYMOND BURRELL

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2019

Mr. WITTMAN. Madam Speaker, I rise today in recognition of the 100th birthday of World War II Veteran, Mr. Raymond Burrell.

In the winter of 1944–45, Raymond Burrell was a member of the famous 761st Tank Battalion, the Black Panthers. The 761st Tank Battalion was the first to consist of African-Americans and saw extensive action at the Battle of the Bulge. Raymond Burrell demonstrated bravery and a cunning military mind on multiple occasions. Despite experiencing seemingly hopeless situations, Raymond persevered along with the other members of the 761st Tank Battalion and held their vital positions on the battlefield. Our nation is lucky to have had someone like him risk his life to protect us all.

Madam Speaker, I ask you to join me in recognizing the accomplishments, bravery, and dedication of Raymond Burrell. Words alone cannot express our gratitude. May God bless Raymond Burrell, and I look forward to seeing his excellence in the future.

IN RECOGNITION OF THE SERVICE OF THE HONORABLE SERGIO AMARAL, AMBASSADOR OF BRAZIL TO THE UNITED STATES OF AMERICA

HON, GREGORY W. MEEKS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2019

Mr. MEEKS. Madam Speaker, I rise today to honor the Brazilian Ambassador to the United States, Sergio Silva do Amaral, whose invaluable commitment to the bonds of friendship between Brazil and the American people has left an indelible mark on our bilateral and hemisperic relations. As Co-Chair of the Congressional Caucus on Brazil, I have worked on numerous occasions with Ambassador Amaral to deepen our bilateral relations, and build upon the great history of partnership between Brazil and America.

In September 2016, Sergio Amaral was appointed Ambassador of Brazil to the United States in Washington, D.C. Since then, Ambassador Amaral has worked tirelessly to promote a closer U.S.-Brazil friendship, as well as to promote the expansion of our economic, political, defense, and cultural relations, bringing a message of friendliness and cooperation during his travels through our country in furtherance of his mission to spread Brazil's message of peace and prosperity for all people. On June 1, when he retires from his Ambassadorial role in the U.S., he will conclude nearly 45 years of service to Brazil. His time as Brazil's Ambassador is thus an appropriate capstone to his long and distinguished career.

Born in São Paulo, Brazil, and as a graduate of the University of São Paulo and the University of Paris, France, Ambassador Amaral has served in a number of senior official posts in the Brazilian public service over five decades. Prior to his appointment as Ambassador to the U.S., he served as Ambassador to London and Ambassador to Paris, as well as Minister of Development, Trade and Industry, and Chief-Minister for Social Communication of Brazil's Presidency. His other notable positions include Vice Minister of Environment and the Amazon, Secretary for International Affairs of the Ministry of Economy, President of the Council of Brazil's Chamber of Foreign Trade, and President of the Brazil-China Business Council.

Ambassador Sergio Amaral has continuously reminded us of the great potential that lies ahead of Brazil and the United States as two of the largest democracies and economies in the Western Hemisphere. We must build upon the common beliefs that have historically connected the peoples of Brazil and America: our commitment to democracy, our commitment to the rule of law, and our commitment to the dignity of all people in our own countries and around the world. Today, I thank Ambassador Sergio Amaral for his service to these ideals, and wish him a long and happy retirement.

RECOGNITION OF SHEIDA SAHANDY

HON. DENNY HECK

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2019

Mr. HECK. Madam Speaker, today I recognize Sheida Sahandy for her extraordinary and unwavering dedication to the people of Washington state and efforts to restore Puget Sound. For over five years, Sheida served as the Executive Director of the Puget Sound Partnership, the state agency leading the coordination of Puget Sound recovery.

Sheida received her bachelor's degree from the University of California, Berkeley, and then went on to study law at Columbia University. After working as an attorney for several years, Sheida returned to the classroom and earned her master's degree in Climate, Energy, and Environmental Policy from Harvard University's Kennedy School of Government. Back in Washington state, Sheida used her notable background and legal expertise to spearhead programs and initiatives as Assistant to the City Manager for the City of Bellevue, where she created the City's first citywide environmental stewardship initiative.

In January 2014, Governor Jay Inslee appointed Sheida to serve as Executive Director of the Puget Sound Partnership, where for years she demonstrated her commitment to sustainability and conservancy issues in Washington state. The Puget Sound Partnership works with hundreds of partners and stakeholders to coalesce around a common goal: accelerating the collective effort to recover and sustain the Puget Sound. On federal-level issues, Sheida worked with the Congressional Puget Sound Recovery Caucuswhich I co-chair along with my friend and colleague. DEREK KILMER-to convene kev decision-makers here at the Capitol for the annual Puget Sound Day on the Hill. This event brings people from across the political spectrum to Washington, D.C. to advocate for increased federal attention to Puget Sound. Sheida also worked tirelessly with the Congressional Puget Sound Recovery Caucus to successfully craft and garner support for the PUGET SOS Act, which would increase federal and state coordination on recovery efforts.

Whether it's leading efforts at the state level to revitalize the salmon and orca populations, or working with legislators in Washington, D.C. to enact critical legislation, Sheida has always been an effective leader and the driving force behind the Puget Sound Partnership's success.

Madam Speaker, it is my honor to recognize the selfless service of Sheida Sahandy, and I wish her and her family happiness as Sheida proceeds to the next chapter in her remarkable career.

COMMEMORATING THE 213TH ANNI-VERSARY OF THE CANEY FORK BAPTIST CHURCH

HON. JOHN W. ROSE

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES Wednesday, May 15, 2019

Mr. JOHN W. ROSE of Tennessee. Madam Speaker, I rise today to recognize the Caney

Fork Baptist Church in honor of their 213th anniversary.

A longstanding pillar in the Cookeville community, the Caney Fork Baptist Church, originally referred to as "Brown's Mill Church," is Putnam County's oldest Baptist Church. Joshua Bartlett and his wife, Winnie Williams Bartlett, founded the church after relocating to Tennessee from Boonesborough, Kentucky, in 1806. They constructed a fort, and within it was the cabin first used to host worship gatherings for the Caney Fork Baptist Church. The congregation relocated in 1931 to Highway 70 East in Cookeville, which is where they remain today.

In the early days of Tennessee's statehood, churches far outnumbered preachers. As was common then, the Caney Fork Baptist Church hosted traveling "revival preachers" for their services.

Throughout its history, the congregation affiliated with the general tenets of the Baptist denomination. From 1865 to 1897, the congregation embraced the Independent Baptist Christian denominational beliefs; they affiliated with the Free Will Baptist congregation from 1897 to 1918; and in 1918, the congregation joined with the larger Baptist denomination. Today, the Caney Fork Baptist Church is affiliated with the Stone Baptist Association, the Tennessee Baptist Mission Board, and the Southern Baptist Convention.

I hope my House colleagues will join me in recognizing the Caney Fork Baptist Church for their longstanding service to the community, commitment to strengthening family values, and unwavering faith.

RECOGNIZING TOM MORRISON

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES Wednesday, May 15, 2019

Mr. SWALWELL of California. Madam Speaker, I rise to recognize the life's work of Thomas Roger Morrison, who served as a trusted local reporter and staple on televisions in my district since 1982.

Tom was born in Oakland, California on January 7, 1936 to proud parents, Lozetta and John Morrison. Shortly after his graduation from Oakland High School in 1954, Tom joined the Army and deployed to Korea. He patrolled the newly established Korean Demilitarized Zone in 1956 and 1957.

Tom took on the role of a volunteer reporter for local Channel TV 30 in 1982. After reporting on local stories for a time, Tom joined the TV 30 staff and became the anchor of the 580/680 News. He served in this role for 10 years and received two prestigious Bay Area Television Association awards for his work during that time.

After budgets no longer allowed the 580/680 News program to continue, Tom kept our community informed on local news and developments through his bi-weekly "Mayor's Report." With this platform, he would meet with local mayors and county supervisors to ensure that local residents had access to information about upcoming events and what was happening in their local government.

Tom's connection to the community was deep. His voice became synonymous with the

annual Saint Patrick's Day parade in my hometown of Dublin, as he served as the announcer for so many years. Whether he was reporting from the tarmac at the Livermore Airshow, hosting an election special, or a segment of the Slice of Life show, Tom was a trusted and revered source of news in my district

Tom's work on behalf of our community continued until just two months ago, very shortly before his passing. His passion and commitment were recently memorialized when the studio at TV 30 adopted the honorary title, "Tom Morrison Studio."

After a long and valiant battle with cancer, Tom Morrison passed away peacefully on April 18, 2019. He is survived by a large and loving family, including Kathy, his wife of 23 years, his two sons, Kevin and Michael, his step-children, Stacey, Kristin, Amy, and Bradley, his sister Jenean, and the eight grand-children he absolutely adored.

Wednesday, May 15, 2019

Mr. RYAN. Madam Speaker, I was saddened to learn of the passing of Mr. John K. Vadas, age 69, who passed away peacefully on Tuesday, May 7, 2019.

John's son Matt is one of my longest serving staff members. I very much depend on him to help me fulfill my duties and I am very proud of his service.

John was born on January 19, 1950, in Warren, Ohio to John and Margaret. He was a 1968 graduate of John F. Kennedy High School in Warren. I too am a graduate of JFK.

He proudly served his country in the U.S. Navy from 1969 to 1972, where he was the radar operator on the USS *Wasp.* Upon his honorable discharge, John took a position working for Packard Electric. He retired from Delphi in 2001.

On April 11, 1970, John married the former Sandra Allen.

John loved the outdoors and found peace in the woods by carving out time to go hunting and camping. He was an avid fan of the Cleveland Indians and NASCAR, cheering on driver Kevin Harvick. He stayed in touch with his shipmates as a member of the USS Wasp Association. Most importantly, John was a patriot who loved his family and was a devoted husband and father.

After 49 years of marriage, John is survived by his wife Sandra, and also survived by his sons, (Jon) Kristopher, Jason and Matthew Vadas; his brother, Michael (Judy) Vadas; as well as many other relatives and friends.

He was preceded in death by his son, Kevin Vadas; his parents; and his brother, William Poppal.

HONORING CHIEF SCHUYLKILL HAVEN WALCOTT. POLICE DEPARTMENT

HON. DANIEL MEUSER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES Wednesday, May 15, 2019

Mr. MEUSER. Madam Speaker, it is with great respect and admiration that I rise today to honor Schuylkill Haven Police Chief Jeffrey Walcott for his 25 years of service. Chief Walcott has been a remarkable leader of the

Schuylkill Haven Police Department. Through promoting public safety and community he has become a fixture of Schuylkill Haven Elementary Center's "Salute to Blue Program."

A veteran of the United States Air Force, Chief Walcott has been a model officer and public servant for citizens of all ages. He is a skilled officer, certified in firearms instruction, shooter response, and teaches G.R.A.P.L.E for Law Enforcement and Military Personnel. He has certainly earned the respect of the community he protects and the officers he serves alongside.

After 25 years leading the "Salute to Blue" Program, I invite my colleagues to join me in saluting Chief Jeffrey Walcott for his dedicated service and dedication to the Greater Schuylkill Haven Community. On behalf of the United States House of Representatives and the citizens of Pennsylvania's Ninth Congressional District, I extend my sincerest appreciation and respect for Chief Walcott's lifetime of service.

COMMEMORATING NATIONAL POLICE WEEK

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES Wednesday, May 15, 2019

Ms. JACKSON LEE. Madam Speaker, as a member of the Law Enforcement Caucus and a senior member of the Committees on Judiciary and Homeland Security, I rise to commemorate National Police Week, which runs from May 12 through May 18, 2019.

It is altogether fitting and proper that we do

The National Law Enforcement Officers Memorial is the nation's monument to law enforcement officers who have died in the line of dutv.

Dedicated on October 15, 1991, the Memorial honors federal, state and local law enforcement officers who have made the ultimate sacrifice for the safety and protection of our nation and its people.

Carved on its walls are the names of 21,910 officers who have been killed in the line of duty throughout U.S. history, dating back to the first known death in 1791.

Added to the Wall this year will be the names of the 158 police officers killed in the line of duty in 2018.

Madam Speaker, enshrined on the Memorial Wall of Honor also are the names of 1,751 fallen peace officers from the state of Texas, the most of any state, including 115 members of the Houston Police Department who gave their lives to keep their city safe.

Madam Speaker, today there are more than 900,000 law enforcement personnel serving the people of our country, the highest amount ever.

About 12 percent of them are female.

These brave men and women risk their lives to keep the peace and keep us safe, but they are too often taken by the violence they are working to prevent.

Every year, a law enforcement officer is killed somewhere in the United States every 55 hours, and there are also 60.211 assaults against our law officers each year, resulting in 17.476 injuries.

Madam Speaker, I am proud to represent the people of the 18th Congressional District of Texas in paying tribute to the 158 fallen heroes who will be joining the 21,910 gallant men and women who gave the last full measure of devotion to the communities they took an oath to protect and serve.

Madam Speaker, I ask for a moment of silence in memory of the 158 officers who died in the line of duty in 2018 and an additional 213 officers who died in previous years but whose story had been lost to history, the names of all of whom will be added to the National Peace Officers Memorial Wall of Honor.

HOUSTON LAW ENFORCEMENT OFFICERS MEMORIALIZED ON THE WALL OF HONOR
