The son of Olga Silins and Rudolfs Silins, immigrants from Riga, Latvia, Andy was born on January 12, 1947, and immigrated with his parents and older sister to the United States and lived in Jamaica Plain.

IN HONOR OF HARLEY LIPPMAN

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2019

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I rise to recognize Harley Lippman, who is being recognized today as part of Jewish American Heritage Month. Harley has been a generous philanthropist and humanitarian who has been dedicated to uncovering mass graves of Jews murdered by the Nazis in Poland. His persistence and dedication have meant that the Nazis' victims will never be forgotten.

Deeply concerned about the possibility that Jews murdered during the Holocaust would simply disappear from memory, Harley has made a unique contribution to the remembrance of the Jewish community that was destroyed by the Nazis. With singular purpose and dedication, Harley has searched for unknown gravesites and has paid for the restoration of historic Jewish graveyards.

At my urging, Harley was appointed by President Bill Clinton to the Commission for the Preservation of America's Heritage Abroad which is involved in restoring desecrated cemeteries in Eastern Europe. Created in 1993, the Commission is tasked with identifying and reporting on cemeteries, monuments, and historic buildings in Eastern and Central Europe that are associated with the heritage of U.S. citizens, particularly endangered properties. Congress recognized that, as a nation of immigrants, the United States has an interest in preserving sites related to the heritage of Americans, particularly Jewish gravesites since the Holocaust wiped out the communities that would ordinarily have cared for them. It is a credit to him, his enthusiasm and dedication, that he was reappointed by both Republican and Democratic Administrations.

Harley has been the sole funder of an effort to find mass graves in Poland—sites where Jews were slaughtered by the Nazis and then buried. So far, his team has found 52 sites. When he finds a site, he ensures that a memorial plaque is erected to honor the victims. He also arranges for a service with the Chief Rabbi of Poland, a Catholic priest and a Protestant minister and invites school children to help memorialize the dead. These ceremonies provide a meaningful opportunity to remind people of the Jews who perished, the tremendous loss in culture and humanity for Poland, the brutality of the Nazis and the success of the Jewish community that survived.

Harley has been a leader of a host of organizations from the Institute for the Study of Global Anti-Semitism and Policy, an organization founded by Eli Wiesel, which he currently serves as President, to the American-Israel Friendship League and American Jewish Congress.

With great generosity and compassion, Harley has also helped orphans in Cambodia. He is the sole funder of an orphanage, enabling children to find stability, get an education and go on to college. It truly has been life-changing for many of these kids.
