I also pray for each Member relationally. The Scripture admonishes for leaders to lead a peaceable life. May the blessing of peace rest on their homes.

Lastly, I pray for them physically. Would You grant strength, health, and wisdom to each one. Lord, may every Member realize You have placed them here and acknowledge their ultimate accountability is to You.

Lord, I thank You for this great opportunity, and I pray this prayer in the name above every name, the name of our Lord and Savior, Jesus Christ.

Amen.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from California (Mr. TAKANO) come forward and lead the House in the Pledge of Allegiance.

Mr. TAKANO led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

WELCOMING DR. BENNY TATE

The SPEAKER. Without objection, the gentleman from Georgia (Mr. FERGUSON) is recognized for 1 minute.

There was no objection.

Mr. FERGUSON. Madam Speaker, I rise today to honor Dr. Benny Tate, whose leadership and guidance have made him an incredibly valuable member of his community in Milner, Georgia, and our Third District.

Dr. Tate has been the senior pastor of Rock Springs Church in Milner for over 25 years. In that time, when it started as a church of just 60, it has now grown to a church of over 6,000.

Through this work, Dr. Tate has also shepherded the creation of several ministries, including the Rock Springs Medical Clinic, the Rock Springs Christian Academy, the Potter's House for Women, and Impact Christian Ministries for the homeless.

Benny has been married to his wife, Barbara, for over 30 years, and they have one daughter, Savannah Abigail, who is here with him today.

I want to commend Dr. Tate for his commitment to our community. There is not a week that goes by where he isn't a welcoming part of the Third District of Georgia.

The grace and love he has shown to his parishioners and neighbors throughout his 25 years in Milner is un-

paralleled, and I am truly honored to have Dr. Benny Tate here with us today.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Ms. BLUNT ROCHESTER). The Chair will entertain up to 15 further requests for 1-minute speeches on each side of the aisle.

WE THE PEOPLE

(Mr. TAKANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TAKANO. Madam Speaker, "We the People" is a bold opening statement enshrined in our Constitution. Yet, the truth is that in most parts of our country, LGBTQ Americans are not included in "We the People."

Students in Arizona should go to school free from fear and bullying. Workers in Texas should not be afraid of being fired because of who they are. Renters in Mississippi should not be evicted because of who they love.

No person, no matter where they live in America, should face discrimination. Equality should not depend on the ZIP Code where you live. It is time to make equality for LGBTQ people the law of the land and to ensure that we, too, are part of "We the People."

I urge my colleagues to be on the right side of history and to vote "yes" on the Equality Act.

UMITA WILL HELP STATE AND LOCAL INFRASTRUCTURE RE- NEWAL

(Ms. FOXX of North Carolina asked and was given permission to address the House for 1 minute.)

Ms. FOXX of North Carolina. Madam Speaker, as the national conversation revolves around infrastructure this week, I would like to highlight H.R. 300, the Unfunded Mandates Information and Transparency Act, or UMITA, which I introduced with my Democratic colleague, Representative CUELLAR.

UMITA will further our goal of renewing our country's infrastructure by making sure that overly burdensome Federal regulations don't hinder progress on State and local levels.

State and local governments shoulder the greatest cost of infrastructure projects, and any Federal legislation to assist their efforts must account for costs of regulatory compliance. Every dollar spent on compliance with burdensome mandates is less money for the projects States and localities need.

UMITA passed with a bipartisan vote in the last four Congresses, and I call for it to be included in any comprehensive infrastructure legislation considered in this body.

DEPARTMENT OF DEFENSE CLIMATE RESILIENCY and READINESS ACT

(Ms. ESCOBAR asked and was given permission to address the House for 1 minute.)

Ms. ESCOBAR. Madam Speaker, climate change is a major threat to our national security; and military leaders agree.

Last year, the Department of Defense studied 79 mission-critical bases and found that climate change threatened most of them. In the past year alone, three of our military installations suffered significant damage from natural disasters, and they are still not fully recovered.

It is clear that the scale of this challenge is great. That is why today I am introducing the Department of Defense Climate Resiliency and Readiness Act to help tackle this challenge.

By setting clear goals and ensuring regular dedicated resources, my bill gives military leaders the tools and flexibility to implement policies that work best for their missions. We will also ensure the DOD budgets for resiliency and maintains a focus on cutting-edge technologies like hybrid microgrids and additive manufacturing.

As one of the world's largest energy consumers, DOD can offer invaluable leadership toward addressing the global climate challenge, while bolstering U.S. national security; and that starts today.

WORK IN A BIPARTISAN WAY TO DEFEAT RUSSIAN ELECTION INTER- FERENCE

(Mr. GAETZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GAETZ. Madam Speaker, by expanding American energy, expelling diplomats, and ensuring that the United States takes its position in the world, President Trump has been tougher on Russia than any President in a generation.

But the fact remains that the Russian military attacked the U.S. election. And so it would seem reasonable that, along with the Department of Homeland Security, the FBI, and the CIA, we would want the United States military offering the full suite of capabilities, both offensive and defensive, to combat Russian election interference.

Today, the House Armed Services Committee held a classified briefing on the U.S. military and their participation in this critical mission. I was deeply disappointed in what I learned.

The U.S. military is not sufficiently engaged or informed on critical aspects of the Russian election interference campaign. They don't even know which two Florida counties were hacked.

And when DOD sent 11 people to go work with the Department of Homeland Security to have the full suite of
