

first hospital administrator and the hospital thrived for many years under his direction.

Five decades after it opened, Lakeland Community Hospital is truly living up to its name, as it is owned and operated by the community. Now a 49-bed facility, under the administration of Martha McCormick, the hospital is committed to providing high-quality medical care in a friendly environment.

Lakeland's medical staff includes 8 skilled physicians representing a wide range of medical specialties. The hospital is also equipped with some of the most advanced medical technology available today and provides services such as CT scans, nuclear medicine, digital mammography, senior care and medical detoxification. These tools help their doctors properly diagnose and treat a wide variety of illnesses with greater effectiveness than ever before.

Lakeland Community Hospital is the only hospital in Winston County, Alabama. Like many other rural hospitals, it recently faced the threat of closure. However, due to the hard work of the leaders such as Haleyville Mayor Ken Sunseri, the Haleyville City Council, the Winston County Commission and citizens of Winston County, the Haleyville Winston County Hospital Authority was created, and it has partnered with Java Medical to keep the hospital open and serving those in the area who need medical care.

I want to send my congratulations to the administration and the leadership and staff of Lakeland Community Hospital for their 50 years of service to the citizens of the entire area. I'm confident that in the years to come, Lakeland Community Hospital will be there to provide high quality healthcare that is needed to Winston, Marion and surrounding counties.

HONORING EDGAR G. GRIFFIN

HON. JUDY CHU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2019

Ms. JUDY CHU of California. Madam Speaker, I rise today to honor the life of Edgar G. Griffin, who passed away in April at the age of 94. Mr. Griffin was a World War II veteran, proud member of the Knights of Columbus, and a longtime resident of California's 27th Congressional District.

Mr. Griffin was born in Leon Guanajato, Mexico on December 7, 1924 and emigrated to Los Angeles as a teenager with his mother after the death of his father. Although he held American citizenship through his father, Mr. Griffin joined the Army to secure his mother's residency. A paratrooper in the 101st airborne division of the Army, Mr. Griffin survived the Normandy landing on D-Day in 1944. He was awarded a Presidential Unit Citation for his service, as well as a Purple Heart and numerous other medals. At the time of his passing, Mr. Griffin was the only surviving Mexican-American veteran of the landing at Normandy.

After the war, Mr. Griffin returned to California, where he met his wife Mimi and they raised their nine children together. After first settling in the City of Commerce while Mr. Griffin worked in their Aircraft Assembly Radar Section of Hughes Aircraft, the family eventually moved to Monterey Park. There, he worked as a sound and lighting engineer for the Century Plaza Hotel, until he retired at the age of 68. He was also an active member of the Knights of Columbus, elected Grand Night four times.

Mr. Griffin was due to return to Normandy next month for the 75th anniversary of the D-Day invasion. He would have been nearly a century old and one of very few surviving veterans of the battle that heralded the end of World War II. While his passing deprived him of that distinction, I would like to take this opportunity to honor the memory of a true American hero.

HONORING UNIVERSITY OF CALIFORNIA, SANTA CRUZ CHANCELLOR GEORGE BLUMENTHAL

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2019

Mr. PANETTA. Madam Speaker, I rise today to honor the retiring Chancellor of University of California, Santa Cruz (UCSC), George Blumenthal, for his 47 years of service to our community on the central coast of California. His leadership has touched the lives of many, and I am honored to acknowledge this legacy.

Chancellor Blumenthal's record in education has shown him to be a distinguished professor, researcher, and leader to all on the UCSC campus. He first joined the Astronomy and Astrophysics Department at UCSC in 1972 and was appointed as Chancellor of the university in 2007. Committed to expanding

his involvement in public service, Chancellor Blumenthal has also served on multiple governing boards in California, including the California Association for Research in Astronomy, the California Institute for Regenerative Medicine, the Silicon Valley Leadership Group, and the Monterey Bay Economic Partnership.

Throughout his academic career, Chancellor Blumenthal's work has led to numerous groundbreaking studies and discoveries in our understanding of galaxies and the interactions of celestial bodies. His work has transformed knowledge of concepts once seen only as science fiction, including the function and behavior of dark matter and how it plays a role in the shaping of the universe. His contributions cannot be overstated.

A natural leader, Chancellor Blumenthal has garnered praise from his associates, coworkers, and students. This past year, Santa Cruz Mayor, Martine Watkins, declared May 9th to be "George Blumenthal Day" in the city of Santa Cruz as an annual recognition of his scholarly and governing efforts. Chancellor Blumenthal's decades of service make him more than worthy of such an honor. As he celebrates his retirement, I am proud to commend Chancellor Blumenthal on his invaluable work as an academic leader for the past four decades. Madam Speaker, on behalf of the Central Coast, I ask my colleagues to join me in thanking Chancellor Blumenthal for his contribution to our community and wishing him a long and healthy retirement.

RECOGNIZING BOB DOROUGH

HON. SUSAN WILD

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2019

Ms. WILD. Madam Speaker, I rise today to recognize Bob Dorough, a constituent of mine from Mt. Bethel, Pennsylvania.

Bob's music is universally known: generations of children have learned about the work that happens in this Chamber—along with their earliest lessons in math and science—from Schoolhouse Rock, which he scored.

Schoolhouse Rock is just one aspect of Bob's legacy—his legendary seven-decade career as a jazz singer led him to play with many of the greatest musicians in American history, including Miles Davis and Charlie Parker. These performances etched his recordings into our country's soundtrack forever.

A few weeks ago, Bob was posthumously honored at the Kennedy Center as a recipient of the 2019 Jazz Master Award—our nation's highest recognition for jazz musicians.

Through his family, friends, and each new generation that continues to discover the warmth of his voice and the uniquely American music that he loved, Bob's spirit will endure.
