

have made several recommendations designed to end the practice of FGM/C.

However, according to the Centers for Disease Control and Prevention, an estimated 513,000 women and girls in the United States were at risk of, or had been subjected to, female genital mutilation, the United States must be a beacon against this type of immoral practice.

That is why I, along with former Representative Joe Crowley, introduced the Zero Tolerance for Female Genital Mutilation (FGM) Act, supported by international human rights group Equality Now, that required the federal government to undertake a national study to provide data on and insight into the prevalence of FGM/C in the U.S. and establish a multi-agency strategy to bring the practice to an end.

Following the introduction of the Zero Tolerance for Female Genital Mutilation Act, I partnered with 58 other members of Congress to pen a bipartisan letter to the State, Health & Human Services, and Education agencies, the U.S. Agency for International Development, the White House Office of Management and Budget, calling for a cross-agency plan to further fight FGM/C.

This letter included requests for resources to help law enforcement, health workers, and educators detect the practice here the United States, plus a hotline for girls who may be in danger of mutilation.

Given the abhorrent nature of this practice, states should have in place laws that require healthcare professionals, school employees, and other professionals who work with children to report any suspected practice of female genital mutilation to the appropriate law enforcement entity.

FGM/C is currently a crime in 26 States, including Michigan and Texas; it is also a Federal crime.

Around the world, at least five girls are mutilated, cut, every hour, and an estimated 100 million girls and 140 million women worldwide are living with the consequences of FGM/C.

Even though, FGM/C has been banned in the United States, since 1996, people continue to engage in this abusive practice.

It is with great concern that I stand before you today, still fighting to eradicate the practice of FGM/C globally.

Even more concerning is recently, The Justice Department stopped defending a federal prohibition on female genital mutilation making it difficult to combat this practice here at home.

This recalcitrant act coincides with an emerging view inside the Justice Department that it is up to the Trump administration, not members of Congress, to decide whether a law has merit and should be enforced.

The World Health Organization has asserted that FGM/C has no health benefits for women and girls, and can have long-term negative impacts on the physical, psychological, sexual, reproductive health, and to their general well-being.

We cannot be indifferent to this human rights violation that puts so many lives at risk, here in the United States, and around the world.

H. Res. 106 makes clear that this practice is rooted in gender inequality, gender-based violence, and discrimination.

It affirms our dedication to protecting women and girls globally and will help us accelerate eradication and improve access to care for survivors of this practice.

Because this intolerable practice has no medical benefits, it has no place in our society, and those who commit these horrendous crimes should be held accountable for their actions.

I urge my colleagues on both sides of the aisle to support this clearly bipartisan resolution.

Put aside partisanship and protect our women and girls from this painful and archaic practice.

CONGRATULATING GAYE DUNN FOR WINNING MIDDLE/JUNIOR HIGH SCHOOL COUNSELOR OF THE YEAR AWARD GIVEN BY THE ILLINOIS SCHOOL COUNSELORS ASSOCIATION

### HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 21, 2019*

Mrs. BUSTOS. Madam Speaker, I rise today to recognize Gaye Dunn for winning the Middle/Junior High School Counselor of the Year Award given by the Illinois School Counselors Association. Ms. Dunn will be retiring after 42 years in the education system and has been a school counselor in the East Moline School District for more than 25 years.

Ms. Dunn got her start at the University of Illinois and University of Kansas before going on to earn a master's degree in School Counseling from Eastern Illinois University. During the course of her career, Ms. Dunn has earned a reputation among her peers as a team player who will do anything to improve her community. Ms. Dunn dedicated herself to being a positive resource for the students of Glenview Middle School and someone they can turn to. The "Builders Club" was established by Ms. Dunn to fundraise and provide gifts to other students and families in the area. Additionally, she initiated GBAY, which operates in a similar concept to EBAY, where students donate and then bid for holiday presents for community members. Annual Career Fairs are also a tradition jumpstarted by Ms. Dunn and have even included visits by students to local nursing homes. Ms. Dunn is an asset to the East Moline community and her students, and I thank her for all of her tremendous work.

It is because of dedicated leaders like Ms. Dunn that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally congratulate Gaye Dunn for winning the Counselor of the Year Award.

Ms. JOHNSON of Texas. Madam Speaker, I rise today along with my colleague, Congressman COLIN ALLRED, to recognize and pay tribute to the life and legacy of Debby Hay Spradley, who passed away on Sunday, May 19, 2019.

A native Texan, Debby graduated from Southern Methodist University and spent the entirety of her professional career in the Dallas area, first as President of the Hay Agency, Inc., and then as the Director of Development and External Affairs at the Hockaday School. She was respected in the Dallas community for her wisdom as a mentor, her generosity as a volunteer, and her leadership as an administrator.

She began her work with the school in the early 1980s as a parent volunteer before eventually joining the administrative team. During her tenure, Debby served as both a Member and the Chair of the Board of Trustees; was a Member of the Leadership Team for the Hockaday Tomorrow Capital Campaign and the Campaign Executive Committee for the Centennial Campaign; Co-Chaired the 2004 HP A Benefit; Chaired the Annual Fund Campaign; and was rightfully named an Honorary Alum in 2000. We admire and honor Debby's selfless dedication to the Hockaday School.

Debby is survived by her husband Webb; daughter Jessica Werner Epperson and her husband Doug Epperson; daughter Rachel Hay Spradley and her fiancé Jonathan Ben-Horin; and three wonderful granddaughters Kathryn, Virginia, and Margaret.

I ask my colleagues to join us in remembering Debby and her contributions to her family, her community, and the Hockaday School. The Dallas community is better off because of her. We will miss her dearly.
