

School, as well as the military spouses and other family members serving as the guardians on this year's honor flight. These guardians have selflessly given their time to travel alongside our veterans all the way from Princeton, WV, to Washington, DC, to share this very special journey with them.

I also commend those in the Always Free Honor Flight Network for their dedication to providing our veterans with such a unique and meaningful experience. Without the diligence and passion Dreama of Denver, president of Always Free Honor Flight Network and owner of Princeton, WV's, Little Buddy Radio, as well as Pam Coulbourne, the coordinator of these flights, many of our veterans would never have the opportunity to travel to Washington and pay homage to the men and women they fought beside. Dreama and Pam launched the Always Free Honor Flight in 2012, and every year, they continue to make this dream a reality for many of our West Virginia veterans.

I would also like to recognize Sergeant First Class Paul Dorsey, vice president of Always Free Honor Flight and official photographer Steve Coleman, who have done a tremendous job of ensuring that our veterans receive the recognition they deserve. Dreama, Pam, and Steve have also dedicated themselves to the Denver Foundation, serving as incredible examples of how individuals can give back to their communities.

I am filled with pride every time I meet the patriots who have served our country, and I am so pleased to welcome West Virginia's most courageous veterans, who are all heroes, to Washington, DC. I encourage all of my colleagues to join me in saluting them. They truly inspire us all as we are reminded of their selfless service. It is because of their bravery that all Americans enjoy the greatest liberties and freedoms in the world.

God bless all our servicemembers and veterans, God bless the great State of West Virginia, and God bless the United States of America.

REMEMBERING JOEL COURREGES

• Mrs. MURRAY. Madam President, I am honored to pay tribute to Joel Courreges, a Washingtonian, a marine, and commander of the Disabled American Veterans, Chapter 5, upon his passing.

Joel Courreges was a man who never stopped serving his community, his State, and his country. Joel served our Nation as a marine in the Vietnam war, returning with disabilities both visible and invisible. Having seen firsthand how difficult the transition home can be, he made it his mission to smooth the path for his fellow veterans as they returned from service. Joel became the commander of the Disabled American Veterans, Chapter 5, in

Bremerton, WA. In this role, he not only dedicated countless hours to helping veterans file claims with the VA and making sure they could make their appointments, he even drove them himself if they couldn't get there on their own.

But that wasn't all. As Joel saw what more and more veterans were going through, he realized the system wasn't working. Too many veterans, especially those with PTSD and other wounds of war beneath the surface, were getting caught up in courts that didn't understand their unique needs and weren't prepared or designed to help them get back on their feet. Because of Joel's drive and vision, the Kitsap County Veterans Court was created, with the goal of helping the men and women who sacrificed to defend our freedoms get a hand up when they were most in need.

Having seen Joel's efforts firsthand, I know without a doubt that his dedication to public service lifted countless others, especially veterans who have given our country so much, and helped them lead the fulfilling lives they deserve. I will always be grateful to Joel for his kindness, his generosity of spirit, and his determination to make a difference. My thoughts are with his family and all those who loved him.●

TRIBUTE TO DAVID FITZ-GERALD

• Mr. SANDERS. Madam President, today I wish to recognize David Fitzgerald and congratulate him on his term as the chair of the ESOP Association. David has been committed to advancing the employee ownership model in Vermont and around the country. For the last 2 years, David served as chair of the association, working to promote the interests of employee stock ownership plan, ESOP, companies across the country.

In my State of Vermont, we have seen firsthand the many benefits that employee ownership can bring to businesses and employees. Study after study has shown that employee ownership has been proven to spur employment, increase productivity, grow sales, and raise wages. During the last two recessions, companies with ESOPs were twice as likely to survive the downturn.

David has been a vital ally in the efforts to expand broad-based employee ownership and bolster middle-class jobs in our communities. As chair, David advocated for the ESOP business model and the benefits of worker ownership all across the country. I know many in the employee ownership community are so appreciative of David's energy, motivation, and empowerment. Over the last 2 years, David dedicated much of his time and energy to expanding broad-based employee ownership to help create a sustainable economy that benefits all of us.

In addition to his work as chair of the ESOP Association, David serves as a trustee for the Employee Ownership

Foundation, working to promote employee ownership. He is a leader in the Vermont employee ownership community and has been a crucial ally in our fight to expand employee ownership in our state and throughout the country. As we continue to work together to help the employee ownership model realize its true potential, I know David will continue to be an invaluable partner.●
