WASHINGTON, THURSDAY, MAY 23, 2019

No. 87

House of Representatives

The House met at 9 a.m. and was called to order by the Speaker pro tempore (Mrs. LURIA).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
May 23, 2019.

I hereby appoint the Honorable ELAINE G. LURIA to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

Chaplain Major Thomas E. Fussell, U.S. Air Force, Cape Canaveral, Florida, offered the following prayer:

Good morning, Lord.

In a few days, our hearts will turn toward our Armed Forces as we observe Memorial Day. Many of America's sons and daughters have fought and died valiantly for the freedoms we now enjoy. We are grateful for the ultimate sacrifice they have made for us. May Your peace rest on their loved ones who continue to grieve.

Lord, as the many debates of great importance echo through this historic Chamber, I pray that You would give to these leaders a softness of heart and speech, that they may work to solve the problems at hand, together. Grant our congressional leaders wisdom and new ideas to solve the complex problems before them.

Bless the House of Representatives, O Lord. Imbue its leaders with Your righteousness. Remind them that to whom much is given, much is required.

Lord our creator, lover of our souls, hear my prayer.

Amen.

ACTION ON HEALTHCARE

(Mr. SCHNEIDER asked and was given permission to address the House

for 1 minute and to revise and extend his remarks.)

Mr. SCHNEIDER. Madam Speaker, the American people sent a clear message that they want action to lower the cost and improve the quality of healthcare. I am pleased that, over the past month, this House has done exactly that.

It is a stark contrast to the 8 years under the previous majority with one attempt after another to repeal the Affordable Care Act and deny coverage to Americans with preexisting conditions.

Last week, we passed legislation to help address the rising cost of prescription drugs by increasing the availability of generic drugs.

This bill also curbs the Trump administration's expansion of junk insurance plans and funds programs to help more Americans enroll in coverage.

Earlier, we voted to reverse the Trump administration's dangerous effort to allow States to waive lifesaving protections for people with preexisting conditions.

I urge the Senate to take up these bills that will have immediate, positive effects on our Nation's healthcare, and I look forward to working with my colleagues to make even more, further progress.

HONORING EMERGENCY MEDICAL SERVICE PERSONNEL

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today in honor of the 45th annual National EMS Week. During this week, we celebrate emergency medical services personnel and the important work that they do in our Nation's communities.

The EMS professionals provide constant services to people in need. From illness to injury, whenever the world
