

EXTENSIONS OF REMARKS

IN RECOGNITION OF THE SERVICE
OF DR. JOYCE KNESTRICK

HON. CONOR LAMB

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 28, 2019

Mr. LAMB. Madam Speaker, it is with great pride that I recognize a former constituent of mine, Joyce Knestrick, PhD, C-FNP, APRN, of Washington, Pennsylvania for her service over the last two years as President of the American Association of Nurse Practitioners (AANP).

Dr. Knestrick has an exemplary career of service with over 30 years as a registered nurse, of which she has spent 25 of those years as a nationally board-certified family nurse practitioner working in clinics that serve low income and underserved populations both in urban and rural Appalachian areas. As an organizational leader, Dr. Knestrick has served as an adjunct professor in organizational leadership master's programs.

She has served multiple clinical roles as a family nurse practitioner, a nurse manager and a registered nurse in critical care, medical surgical, pediatric and long-term care settings. She serves on several committees for the National Organization of Nurse Practitioner Faculties and was elected as a Fellow of the American Academy of Nurse Practitioners in 2007.

The American Association of Nurse Practitioners is a national professional membership organization representing over 270,000 nurse practitioners nationally. Under Dr. Knestrick's tenure, AANP membership has grown to more than 97,000 members, making AANP the largest nurse practitioner organization in the world. Dr. Knestrick has helped lead nurse practitioners in transforming patient-centered health care and has made tremendous strides in ensuring that policy makers and the public understand the care that nurse practitioners provide to millions of Americans each year.

I urge my colleagues to join me in congratulating Dr. Knestrick on a successful term as President of the American Association of Nurse Practitioners and in thanking her for the excellent care she has and continues to provide to her patients and the nurse practitioner profession.

**MENSTRUAL HYGIENE DAY
RESOLUTION**

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 28, 2019

Ms. MENG. Madam Speaker, I rise to commemorate today as Menstrual Hygiene Day. Since 2013, Menstrual Hygiene Day has been annually celebrated on May 28th to raise awareness and catalyze political action around the challenges menstruating women and girls face around the world.

To support the goals and ideals of Menstrual Hygiene Day, last week, I introduced H. Res. 406. This legislation highlights that: 500 million women and girls around the world lack adequate facilities for menstrual health and hygiene management; 1 in 3 girls around the world don't have access to adequate toilets; and many others face social and cultural restrictions during their periods. Additionally, displaced women and adolescent girls—whether by conflict, climate, or natural disaster—face significant barriers to managing monthly menstruation in a safe, private, and dignified manner.

Here in the U.S., 25 million women live at or below the poverty line, often without consistent access to menstrual hygiene products. A recent survey of low-income women in a large U.S. city found that nearly two-thirds of these women couldn't afford menstrual hygiene products during the previous year. It is estimated that a woman may spend over \$1,700 in her lifetime on tampons, a figure that is multiplied for women who also support children who are menstruating. Additionally, incarcerated women have illustrated that their dignity has been compromised when they seek to access menstrual hygiene products. I have also heard heartbreaking stories from girls whose schools fail to provide a supportive environment for menstruating students, often resulting in negative consequences.

Madam Speaker, no one should have to choose between their period or their dignity. No girl should be forced to miss school because of her period.

We must break the silence, raise awareness, and change negative social norms surrounding menstrual hygiene here in the U.S. and around the world. While Menstrual Hygiene Day is commemorated today, we must fight to ensure menstrual equity for all—each and every day.

That is why this resolution recognizes the barriers vulnerable populations face in accessing menstrual hygiene products, while encouraging greater research, as well as integration of menstrual hygiene services in global humanitarian and development activities abroad.

I urge my colleagues to support this legislation and join me in commemorating Menstrual Hygiene Day. I also urge support of H.R. 1882—the Menstrual Equity For All Act, a bill which would comprehensively address the challenges menstruating women and girls face.

Madam Speaker, access to safe, affordable menstrual hygiene products is not just a basic health care right; it is a human right. Period.

BOB MAXWELL

HON. GREG WALDEN

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 28, 2019

Mr. WALDEN. Madam Speaker, before I begin, I would like to recognize the life of an

American hero who I was honored to call my friend, Bob Maxwell of Bend, Oregon, who passed away this weekend at 98 years old.

Bob Maxwell represented the best of what Oregon and America have to offer. Bob was the oldest living Medal of Honor recipient, and his gallantry was well known.

In the early morning hours of September 7, 1944 in France, Bob Maxwell threw his unprotected body on a German hand grenade to protect his comrades in WWII.

This unhesitating selflessness earned Bob Maxwell the highest military honor, his second Silver Star, a second Purple Heart, and a Bronze Star.

For those who had the pleasure of knowing Bob, they know that his bravery and heroism were only matched by his kindness, warmth, sense of humor, and humility.

Bob once said of his Medal of Honor that, "I'm not wearing the medal for any personal deeds. I'm wearing it because it represents all the casualties we had in the war. It represents those that were killed defending their country and the ideals that they believed in."

Like his fellow soldiers, Bob's service will forever be cherished in the country that he sacrificed so much to protect.

Bob's legacy will live on in the hearts and minds of everyone he interacted with, especially the community in central Oregon where Bob Maxwell was a pillar.

To the entire Maxwell family: Mylene and I send our heartfelt condolences and prayers during this difficult time.

My colleagues, please join me in thanking Bob Maxwell for his service to the United States on our behalf and on behalf of all Americans.

These are 'National Champion Scholars and pharmacy student leaders that will soon be making a difference within the pharmacy profession.'

100TH ANNIVERSARY OF THE 19TH
AMENDMENT

HON. GARY J. PALMER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 28, 2019

Mr. PALMER. Madam Speaker, this year is the 100th year anniversary of the United States House of Representatives approving the resolution for the 19th Amendment giving women the right to vote. I have looked forward to this day literally since my first day in Congress because it holds very special meaning for my wife's family.

Prior to the 1920 election, sample ballots were distributed in Boston. My wife Ann's great-grandmother, Abby Mayhew Cushing, received a sample ballot that she used to prepare for that election. After voting that day she wrote the following note on the back side of the sample ballot, "November 2, 1920 Cast my first vote for President of these United States."

Reading those words gives a sense of the immense pride that Ms. Cushing felt, a sincere sense of patriotism at the opportunity to participate in the selection of the leaders who would guide as she wrote, "these United States."

These United States . . . even though women had been denied the right to vote since the beginning of our nation, there was no sense of resentment from Ms. Cushing, only a sense of great pride that comes from a genuine love of country.

To be totally transparent, I should include the rest of what she wrote on the back of her sample ballot. She wrote, "Straight Republican ticket. Smashing victory for Harding and Coolidge. Abby Mayhew Cushing Age 67."

Almost three years later she added this note: "President Harding died very suddenly August 2nd 1923 in California. Burial in Marion, Ohio, Friday August 10th."

My wife and her family have held on to this treasured piece of American history, with Ms. Cushing's simple yet inspiring words written on the back, for almost 100 years as a reminder of how far our nation has come. It is with great pride and honor that I share them with this Congress on this 100th anniversary of the passage of the House resolution to give the women of America the right to vote.

RECOGNIZING THE JROTC MEMO-
RIAL DAY ASSEMBLY AND WIL-
LIAM MCKINLEY PORTRAIT
DEDICATION

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 28, 2019

Mr. HIGGINS of New York. Madam Speaker, I proudly rise to acknowledge the JROTC Memorial Day Recognition Assembly and the portrait dedication of former President William McKinley, who was assassinated only blocks away from McKinley High School here in Buffalo in 1901. The portrait was created by McKinley High School teacher assistant and Army Veteran, Reverend William C. Cobb, Jr., who generously donated his drawing to the school for this Memorial Day assembly honoring our fallen service members.

Rev. Cobb was born in Orlando, Florida and joined the United States Army in 1962. During his service, he was recognized as "Soldier of the Year" in 1963. He received an honorable discharge and began pursuing a career in entertainment in Harlem, New York.

In 1977, he relocated to Buffalo, New York to answer his call to the Christian Ministry. To prepare for his call to Christian Discipleship, he joined the Christian family of Bethel African Methodist Episcopal Church.

Rev. Cobb is an exhibiting member of the Buffalo Society of Artists, as well as a member of the Buffalo Arts Council and the Buffalo & Erie County Historical Society. He's depicted countless famous people, nationally and locally, throughout his career including: Oprah Winfrey, Former Assemblyman the Honorable Arthur O. Eve, Sr., Former Buffalo Mayor James Griffin, Al Sharpton, and Former City Councilman David Collins.

The New York City Ministerial Alliance of the African Methodist Episcopal Church commissioned Rev. Cobb to paint the founder and First Bishop of their church, Bishop Richard Allen. Bishop Allen's portrait is among the archives and permanent collection of The Schomburg Center for Research in Black Culture of the New York Public Library in Harlem.

Rev. Cobb is a gifted man endowed with many talents. As a fine artist, he's drawn for more than sixty years and painted for approximately fifty years using various mediums and striving for perfection in realism. As a substitute teacher in the Buffalo Public School System, he shares his talents and guidance with the youth of our community.

Madam Speaker, it is with great pride that I acknowledge the JROTC Memorial Day Assembly, former president William McKinley and Reverend William C. Cobb, Jr. Rev. Cobb's devotion to the arts and our community is an inspiration to us all. I also want to commemorate the service members of the United States military who have made the ultimate sacrifice in defense of our nation.
