HONORING CYNTHIA MILLER

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 3, 2019*

Mr. ENGEL. Madam Speaker, it is with great pleasure that I recognize a dear friend and former long-time member of my staff, Ms. Cynthia Miller. Every Member of Congress knows they are only as good as the staff that surround them. I was very fortunate to have Cynthia standing with me for many years.

Cynthia was born in Harlem, New York but was raised in the Bronx. She attended schools in the Bronx and graduated from Theodore Roosevelt High School in 1971.

Cynthia's first job came in that same year, 1971, with Metropolitan Life, where she worked for 14 years. In 1973 she married Keith Miller and moved to Mount Vernon, New York. She then moved to Yonkers in 1981 to raise her three children, and she has been living there for the last 38 years.

I first got to know Cynthia some 24 years ago. She had been volunteering with Mary Gaines at the Nepperhan Community Center, dealing with children in the after-school program. With Mary's influence, I hired Cynthia as an Assistant Aide to help lead my team in Westchester.

Cynthia's work mainly focused on helping constituents with federal issues and problems. And help she did. Thousands of people over the course of two and a half decades were aided by Cynthia Miller, with problems ranging from immigration to Social Security and everything in between. In addition to her work in my office, Cynthia was also an active member in several community groups, including the Black Women's Political Caucus, Aquehung Women's Democratic Club and the Focus Group.

After recently retiring, Cynthia is now enjoying her volunteer work more than ever and loves traveling. This year, the Hudson River Community Association is honoring Cynthia at their annual Spring Dinner. Perhaps I'm a bit partial, but I don't believe they could have found a better honoree. Congratulations to Cynthia, and I thank her for her years of service to the community.

IN HONOR OF RETIRING SAN  
FRANCISCO STATE UNIVERSITY  
PRESIDENT LES WONG

**HON. JACKIE SPEIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 3, 2019*

Ms. SPEIER. Madam Speaker, I rise today to celebrate Dr. Leslie Wong, the retiring President of San Francisco State University. Dr. Wong leaves San Francisco State after seven fruitful years, and it is a stronger, bolder university due to his leadership.

Dr. Wong's calm and effective manner, his warm smile and enthusiasm won me over the first time I met him. We compared notes about the Upper Peninsula where he had just moved from as the President of the Northern Michigan University. Mind you, NMU is in Marquette, a town of 35,000 mostly white people. His new home, SFSU, is in San Francisco, one of the most diverse cities of 880,000 people. He immediately adapted and became part of the fabric of the school and community.

San Francisco State is an urban jewel located in my Congressional District. Its graduates fill the ranks of the state's leadership circles, and its 130+ academic areas, 27 credential programs, multiple certificate, master's degree and doctoral degree programs fuel the regional economy. It is also the home of a multi-cultural student body from around the globe. If you go to San Francisco State, you will receive a world-class education simply by listening to debates in the public areas of the campus or attending one of the many political, cultural and civic affairs programs held annually.

It was into this mix of diversity and activism that Dr. Wong walked when he assumed leadership of San Francisco State in 2012 as its 13th President. He came from Northern Michigan University, where he also served as President from 2004 to 2012. Earlier, he held a variety of leadership posts at universities in North Dakota, Colorado, and Washington State.

He was successful in raising scholarship funds, renovating the San Francisco State gym, and building the Mashouf Wellness Center. At present, the university is also building the new Liberal and Creative Arts Building, the first new academic building on campus in a generation. Dr. Wong was instrumental in bringing the Holloway Mixed-Use Project to fruition to provide for more student housing and to provide for street-level businesses.
