

1992, David became the Dean of Students at Foothill High School, a position where he continued to excel at serving the needs of his students. He quickly rose through the ranks at Kern High School District—the largest 9th through 12th grade school district in the State of California—and became Principal of Bakersfield High School (BHS) in 1999.

As the BHS principal, David oversaw the largest and oldest high school in the community, which has a student body of almost 3,000 students. A principled and passionate educator, David made it his top priority to raise graduation rates and ensure his students were prepared for college. During his tenure at BHS, he prioritized innovative academic programs, making the school the first to start Project Lead the Way, an academic program designed to foster student interest in science, technology, engineering, and mathematics (STEM) fields through hands-on experience and visiting local STEM-related businesses around the community. I know that he is proud of the multiple national championships that BHS students won in Virtual Business, a competition where students learn how to start, operate, and market a new business. In addition, David helped promote the Earl Warren Cup, a civics competition for government students designed to test their knowledge of American history and politics.

An avid supporter of the BHS Drillers athletic program, David can often be seen cheering on student athletes at basketball, baseball, football, softball, soccer, and volleyball games, golf, tennis, and wrestling matches, and track & field, cross country, and swimming meets in our community and at state championship tournaments. In recognition of all his work at BHS and for our community, CSUB inducted David into its Alumni Hall of Fame in 2017. And, as this year's BHS seniors graduate, David will have presided over 19 graduation ceremonies, having the honor of personally handing out diplomas to over 13,000 students.

On behalf of the 23rd Congressional District of California and the thousands of students he helped educate during his time at Foothill High School and Bakersfield High School, I want to thank David for his work and dedication in molding the minds of our community's next generation of leaders, helping them to acquire the skills and education during one of the most important and formative times of their lives. I also want to thank his wife Abby, his daughter Becky, and his sons Tyler David and Tyler Thomas, for sharing David with us in the

community, including the many late nights and early mornings at work.

While it may be bittersweet for David to leave the school that he so loves, I am sure that he is looking forward to the next chapter of life and spending more time with his wife and family. I know that David will never leave the BHS community because, as the saying goes, "Once a Driller, always a Driller."

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules Committee—of the time, place and purpose of the meetings, when scheduled and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.

Meetings scheduled for Tuesday, June 4, 2019 may be found in the Daily Digest of today's RECORD.
