

Farm. Peterson's Dairy was established in 1973 when Arne and Judy Peterson purchased farmland in Lena, Wisconsin. In 2002, the family formed Peterson's Dairy LLC when their son, John, joined the operation as part owner. Peterson's Dairy LLC milks more than 1,000 registered Holsteins and farms about 1800 acres. Their philosophy to produce quality milk in a sustainable manner in a positive environment for both the animal's and farmer's welfare is one to be admired throughout the industry.

Madam Speaker, I urge all members of this body to join me in commending the efforts of Breakfast on the Farm to educate the community through this time-honored tradition. Thank you to the Petersons, the Oconto County Breakfast on the Farm Committee, and the countless sponsors and volunteers for their continued support of Wisconsin's dairy industry.

HONORING THE WORLD WAR II,
KOREAN WAR, AND VIETNAM
WAR VETERANS OF ILLINOIS

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 4, 2019

Mr. QUIGLEY. Madam Speaker, I rise to honor the World War II, Korean War, and Vietnam War veterans who traveled to Washington, D.C. on June 5, 2019 with Honor Flight Chicago, a program that provides World War II, Korean War, and Vietnam War veterans the opportunity to visit their memorials on The National Mall in Washington, D.C. These memorials were built to honor their courage and service to their country.

The American Veteran is one of our greatest treasures. The Soldiers, Airmen, Sailors, Marines, and Coast Guardsmen who traveled here on June 5th answered our nation's call to service during one of its greatest times of need. From the European Campaign to the Pacific Asian Theatre to the African Theater, these brave Americans risked life and limb, gave service and sacrificed much, all while embodying what it is to be a hero. We owe them more gratitude than can ever be expressed.

I welcome these brave veterans to Washington and to their memorials. I am proud to include in the RECORD the names of these men and women for all to see, hear, and recognize, and I call on my colleagues to rise and join me in expressing gratitude.

Rudy L. Aguirre, Alva H. Allen, Robert Archibald, Douglas A. Askren, Werner J. Baeckelandt, Charles R. Bakutis, Jerome E. Barton, Edward J. Beck, Todd A. Bennett, Patrick R. Bergeron, Bernard W. Brogan, Daniel L. Brown, Robert J. Bruzek, Anthony T. Buckon, Edward D. Bush, Kenneth Cali, Miguel A. Camacho Jr., Thomas E. Carls, Richard A. Carrigan, Jr., Raymond A. Carucci, Daniel R. FOSTER YOUTH SHADOW DAY

HON. JERRY McNERNEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 4, 2019

Mr. McNERNEY. Madam Speaker, more than 415,000 children are currently living in the foster care system in the United States. As a member of the Congressional Foster Youth Caucus, I'm dedicated to strengthening our nation's child welfare system for the children of today and for future generations.

I participate in the annual Congressional Foster Youth Shadow Day, where current and former foster youth from across the country come to Washington to meet with Members of Congress.

Today I had the privilege of hosting Erica Hickey, a bright young woman from my home state of California who has been a foster youth advocate with California Youth Connection (CYC) since she went into the foster care system at the age of sixteen. Today, Erica serves as a member of CYC's Board of Directors and attends UC Davis, where she is studying political science. She aspires to go to law school after graduation to study anti-trust and government fraud law.

Erica is passionate about advocacy and policies that support youth mental health, foster youth, homeless youth, and juvenile justice youth. It's been a pleasure to host her in our nation's capital today, and I wish her the best in her future endeavors.

IN RECOGNITION OF THE ANTWERP
HIGH SCHOOL SOFTBALL
TEAM ON THEIR 2019 DIVISION IV
STATE CHAMPIONSHIP

HON. ROBERT E. LATTA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 4, 2019

Mr. LATTA. Madam Speaker, it is my great pleasure to recognize the Antwerp High

School Lady Archers of Paulding County on their victory in the 2019 Division IV state championship in softball. This was the team's first-ever state championship, the second state title in any sport for Antwerp, and one of a handful of state titles in Paulding County history.

The Archers held their opponent, Mechanicsburg, at bay, winning in a 5-0 shutout—the first for their opponent in the entire season. Another highlight of this historic win was the impressive performance of Pitcher Carlie Hanes, who tied the state record of 15 strikeouts in state DIV play and got her 300th strikeout of the season.

Congratulations to Antwerp softball for their state title.

GIRLS OF STEEL

HON. MICHAEL F. DOYLE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 4, 2019

Mr. MICHAEL F. DOYLE of Pennsylvania. Madam Speaker, I rise today to commend the Girls of Steel Robotics team for qualifying for the FIRST World Championship for the 9th year in a row. They received a Wildcard slot as a Regional Finalist, and they also won the Gracious Professionalism® award at the 2019 Greater Pittsburgh Regional FIRST Robotics Competition in California, PA. Gracious Professionalism® celebrates outstanding demonstration of FIRST Core Values by working together both on and off the playing field.

The students are proud that their robot qualified them to attend the FIRST World Championship, which has been held in Detroit since 2018. I think that the remarkable accomplishment of continuously making it to the Championship speaks volumes about the dedication these young women have in pursuing Science, Technology, Engineering, and Math (STEM) careers, sustaining their team, and spending thousands of hours collectively doing outreach in the community. Girls of Steel are often referred to as the home-town favorite robotics group and continue to be featured in videos, print media, and blog posts.

The Girls of Steel attended the FIRST World Championship in Detroit, Michigan at the end of April—one of the largest competitions of its kind, sometimes referred to as the Super Bowl of Smarts—where they competed against top teams from all over the world.

FIRST, which stands for "For Inspiration and Recognition of Science and Technology," is an organization dedicated to engaging our students in STEM fields. Hundreds of thousands of students gain practical, team-based engineering experiences through FIRST every year.

As a founder and co-chair of the Congressional Robotics Caucus, I believe competitions like these are important opportunities for our young people to explore potential careers in STEM. I've witnessed firsthand the incredible economic growth and development that these fields have brought to my home district, and I strongly believe that these fields are crucial to our nation's future prosperity.

The FIRST Robotics Competition allows students to apply creativity and critical thinking in the demanding and competitive field of robotics, all while instilling a strong sense of pride
