

This small Southern town is an example of the sacrifices made by many small towns and families all across this country during that effort that day and during that war. They did it to protect our freedom, our American way of life, and those of our allies around the world to help defeat the grip of the National Socialist German Workers' Party regime.

We will always be grateful for those who gave that day, for those who survived, and for those who didn't come back, and that is why it is important to always mark this day, D-Day, June 6.

HONORING THE PENNSVILLE VETERANS OF FOREIGN WARS

(Mr. VAN DREW asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VAN DREW. Madam Speaker, the Pennsville Veterans of Foreign Wars dedicate their time and their attention to their community through multiple acts of service.

Comprised of veterans and those active in the military, the Pennsville VFW doesn't just talk about how they help others, but they actively engage in service projects that better the lives of their community.

When local EMTs needed a battery-operated stretcher, the Pennsville VFW provided it; when the Pennsville Police Department needed bulletproof vests, they provided them as well; and when a disabled veteran needed a ramp to get into his home, they also provided that.

In addition to these specific acts of service, the members of the VFW have offered annual events to bring their community together as a whole. Every year, the Pennsville VFW members organize a dinner and a pheasant hunt for disabled veterans, as well as an annual Memorial Day parade to honor those who have died for our great United States of America.

We are immensely grateful to the services of all New Jersey organizations that help those who have served our country.

Madam Speaker, I especially want to thank the Pennsville Veterans of Foreign Wars, whose countless acts of service make an incredible impact on our community as well as our country. We are proud of them, and we love them for what they have done.

SUPPORTING THE UNITED STATES-MEXICO-CANADA AGREEMENT

(Mr. MEUSER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MEUSER. Madam Speaker, I rise today in support of the proposed United States-Mexico-Canada Agreement, commonly known as USMCA.

This new trade agreement, as negotiated by President Trump's adminis-

tration, is critical to our Nation's economic growth. NAFTA is outdated, and this modernization to the world's largest free trade agreement is vital to building an economy that maximizes opportunity for all Americans—indeed, all of North America and Mexico.

The United States, Canada, and Mexico, for decades, have fostered a working trade relationship. This trade agreement is crucial to the manufacturers, fabricators, farmers, distributors, retailers, and all other businesses in Pennsylvania's Ninth Congressional District and across the country.

So much of Congress' energy this year has been focused on messaging votes and nonbinding resolutions. It is time that Democrat leadership here in the House put aside partisan politics and put the needs of the American people first.

The benefits to our economy are obvious and significant. I urge Speaker PELOSI to bring USMCA to the House floor for a vote.

OPPOSING TARIFFS ON MEXICO

(Mr. ALLRED asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ALLRED. Madam Speaker, I rise today to oppose the newly announced tariffs on Mexico by this administration.

Hardworking Texans cannot be asked to bear the brunt of a costly and unnecessary trade war that would not solve our problems or address our broken immigration system.

Our economy in Texas is powered by trade with Mexico. Texas is the number one State in the Nation for trade with Mexico.

Last year alone, we imported \$107 billion in goods from Mexico; and these tariffs, if taken to their natural end, could cost us \$27 billion in Texas alone.

I have met with Lennox, a heating and air-conditioning company, headquartered in my district in Richardson, Texas. They employ 8,000 Americans, and they rely on subcomponents made in Mexico to manufacture products here in the U.S. Their business is put at risk by these tariffs.

Toyota, another great company that is headquartered in north Texas, has said that these tariffs will cost them and their suppliers as much as \$1 billion.

I have heard from countless constituents about their concerns about what this will do to the Texas economy. This is unacceptable.

I commend my colleagues in the Senate for contemplating action to stop these tariffs and plan to join them and support them in the House.

GUN VIOLENCE AWARENESS MONTH

(Mrs. FLETCHER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. FLETCHER. Madam Speaker, each day, 100 Americans are killed by guns; 100 mothers mourn the loss of a child; 100 siblings lose a playmate; 100 friends lose a confidant; and 100 communities are left reeling—all in 1 day.

These deaths are 25 times more likely in the United States than in any other high-income country, and we have seen that in the news day after day and week after week.

One hundred days ago, this House passed the Bipartisan Background Checks Act.

One hundred deaths per 100 days—how much longer can we stand to wait?

It is time for the Senate to act—not one more day, not 100 more lives.

ENROLLED BILL SIGNED

Cheryl L. Johnson, Clerk of the House, reported and found truly enrolled a bill of the House of the following title, which was thereupon signed by the Speaker:

Mrs. FLETCHER. Madam Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 11 o'clock and 45 minutes a.m.), under its previous order, the House adjourned until tomorrow, Thursday, June 6, 2019, at 11 a.m.

BUDGETARY EFFECTS OF PAYGO LEGISLATION

Pursuant to the Statutory Pay-As-You-Go Act of 2010 (PAYGO), Mr. YARMUTH hereby submits, prior to the vote on passage, for printing in the CONGRESSIONAL RECORD, that H.R. 1921, the Ocean Acidification Innovation Act of 2019, as amended, would have no significant effect on direct spending or revenues, and therefore, the budgetary effects of such bill are estimated as zero.
