HONORING BETTY DEAN AND HER SERVICE AS CHAIRMAN OF THE PRINCE WILLIAM CHAMBER OF COMMERCE

**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 12, 2019*

Mr. CONNOLLY. Madam Speaker, I rise to recognize the accomplishments of outgoing Chairman of the Prince William Chamber of Commerce, Betty Dean and to thank her for her immeasurable contributions to Prince William County businesses and residents.

In 2000, Betty moved to Occoquan in Prince William County from Delaware. For nearly 20 years she has given much back to our community through her advocacy, volunteerism, and desire to leave a positive impact in the county. Betty joined the Prince William Chamber in 2001, and she has been one of the most active members since that time. She spent nearly two decades in marketing research and planning, but most importantly, she worked diligently to strengthen business-to-business ties and business-to-community ties. In 2016, she started Betty Dean & Associates, which provides marketing and strategic planning advocacy services for nonprofits and small businesses. Due to the success of her business, her active community involvement, and continued work in the Chamber, she was elected Chairman of the Chamber in July of 2018.

Betty said that as Chairman she wanted to be a vocal advocate for the business community and continue encouraging chamber members to do business with one another. Through her leadership the Chamber did just that, and her hard work did not go unnoticed. This year she was named one of Prince William's Most Influential Women by Prince William Living, a well-deserved recognition of her leadership in empowerment and commitment to service and our community. She is truly one of the most influential persons in both the county and the Northern Virginia region. Betty is a pillar of the community and we thank her for her service to the Prince William Chamber.

Betty's dedication to improving our community has extended far beyond the Chamber. She is the immediate past president and current president of the Greater Prince William Coalition for Human Services, is the co-founder and president of Occoquan River Communities, serves as a member of the board of directors and chair of the communications committee of People, Inc., and is past secretary and service chair of the Rotary Club of Lake

Ridge. She is fondly known as the "Queen of the Occoquan," a title she has earned through her advocacy.

Madam Speaker, I ask my colleagues to join me in thanking and congratulating Betty Dean on a successful term as Chairman of the Prince William Chamber of Commerce. I commend her for her efforts on behalf of the business community and County and wish her continued success.

RECOGNIZING THE 50TH ANNIVERSARY OF THE NORTHERN VIRGINIA REGIONAL COMMISSION

**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 12, 2019*

Mr. CONNOLLY. Madam Speaker, I rise to recognize the Northern Virginia Regional Commission on its 50th anniversary. This momentous occasion carries great significance for me, as I served as Chairman of the NVRC during my time as Chairman of the Fairfax County Board of Supervisors.

Serving on a regional board or commission is a unique responsibility and can place a politician in an unusual position: advocating for and working for someone else's constituents. More often than not, you have to travel outside of the district or community that you represent and you have to make decisions that balance the interests of the region, not just your constituents. It can often be a thankless task, but it is so important to the continued long-term health and viability of our community as a whole. That's why it is so critical that we continue to plan at the regional level and beyond. Indeed, in Northern Virginia, part of the reason why we enjoy such a high quality of life is because we have placed such a high emphasis on coordination and planning at the regional level. That emphasis goes back decades, as evidenced by this anniversary.

While there are many different ways that regional planning has benefitted Northern Virginia, two areas in particular come to mind. The first is the environment, where NVRC has been an invaluable partner on a hosts of projects including expanding solar power through Solarize NoVa, protecting and maintaining local water resources through the Occoquan Basin Nonpoint Pollution Management Program, and cleaning up and preserving the Chesapeake Bay for future generations.
