

This significant award recognizes their world-class medical and educational expertise, while helping to cement their position as a leader in the geriatrics field.

Investments like this are essential to strengthening health outcomes and ensuring a high quality of life for our loved ones as they age. The grant will support the Finger Lakes Geriatric Education Center, helping to fund specific education and training for Alzheimer's disease and related dementias. It will support the broader goal of creating a comprehensive age-friendly health system and work toward making Rochester and the Finger Lakes region a dementia-friendly community.

I am so grateful to the University of Rochester for their continued dedication and commitment to supporting the needs of older adults. I congratulate them on receiving this exciting grant award and look forward to continuing our work together to provide high-quality care to everyone who calls our community home.

**CRISIS AT THE BORDER**

(Mr. ROY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROY. Mr. Speaker, I am here before a relatively empty Chamber, as is too often the case in the people's House, as I want to raise to the attention of the American people the absolute crisis and tragedy that is occurring on the southern border of the United States. It is unconscionable what we are allowing to occur.

As we speak today, a little girl and her mom will be abused on the journey through Mexico while this country, the most powerful nation in the history of the world, buries its head in the sand because my colleagues on the other side of the aisle, in a cynical political gesture and move, refuse to actually take up the supplemental request from the President of the United States for \$4½ billion to provide the beds and the resources necessary to deal with the crisis, and to start taking up the bills that we should take up to ensure we fix the asylum crisis that cartels are using for profit, and to fix the catch-and-release broken system that is allowing our system to be overrun, allowing communities in Texas to be overrun.

This is a tragedy, and it is unconscionable that this body will not address it.

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, on June 12, 1948, President Harry S. Truman signed into law the Women's Armed Services Integration Act, allowing women to serve as regular members of the military.

In the State of Texas, a bill was sent in to establish Women's Veterans Day,
