

HONORING THE LIFE AND LEGACY
OF THE LATE DR. LAMUEL A.
STANISLAUS

HON. YVETTE D. CLARKE

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Ms. CLARKE of New York. Madam Speaker, I would like to honor the life and legacy of the late Dr. Lamuel A. Stanislaus. Dr. Stanislaus was born on the beautiful island of Grenada and came to the United States in 1945 where he received his Bachelor of Science and Doctor of Dental Surgery degrees from Howard University.

Dr. Stanislaus practiced dentistry in upstate New York briefly before moving to Brooklyn Heights, where he would service the Brooklyn Heights community for 32 years. In 1985, Dr. Stanislaus was appointed Permanent Representative of Grenada to the United Nations for five years and served as Ambassador-at-Large and Deputy Permanent Representative for two years. He was later re-appointed as the Permanent Representative of Grenada to the United Nations until 2004. There he became a seasoned, substantive and eloquent voice on behalf of his country Grenada, Carriacou and Petite Martinique. On occasion, he was also delegated to speak on behalf of the Caribbean Community (CARICOM) and the Group of Latin America and the Caribbean Countries (GRULAC).

To add to his tremendous achievements, Dr. Stanislaus was also an activist in his community. As a visionary leader, Dr. Stanislaus founded the West Indian Day Carnival Parade—a national day of celebration and valor for Caribbean tradition and culture. He left behind a movement that began in Harlem and was relocated to my district where Central Brooklynites still partake in celebrating our beautiful heritage. Dr. Stanislaus was well-versed in the rich history of the Caribbean. It goes without saying that Dr. Stanislaus' commitment to public service represents leadership, scholarship, integrity and inspiration in our community.

Dr. Lamuel A. Stanislaus was the recipient of numerous professional, civic and political awards. It is my distinct honor to announce that on Saturday, June 15, 2019, Rutland Road between Flatbush and Bedford Avenues in Brooklyn, New York was renamed after his namesake, the Dr. Lamuel A. Stanislaus Way. Sir Lamuel A. Stanislaus' life demonstrated a love of God, humankind, love of country, love of Grenada and its people as well as the Caribbean community at large. Dr. Stanislaus was and will remain a motivation to all.

RECOGNIZING MR. RONALD E.
FEILE FOR HIS SERVICE AND
DEDICATION TO AMERICA'S
SPACE PROGRAM

HON. BILL POSEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Mr. POSEY. Madam Speaker, today I rise in recognition of Mr. Ronald E. Feile of Titusville, FL, a constituent who recently retired after thirty-six years of working at the Kennedy

Space Center as an air traffic controller, and, most recently as a lead contractor for the Washington Consulting Group.

Ronald Feile began his aviation career in the U.S. Army where he served as part of a mobile VFR tower crew in Vietnam from April 1970 through November 1971. In 1971, he became control chief of combined tower and radar facility and was placed in charge of training personnel and scheduling logistical supply which was vital to our operation in Vietnam. He also served as flight operations liaison to the South Vietnamese army and earned the Army Commendation Medal.

Following his military service and service as an air traffic controller with the FAA, Ron was recruited to work on our space program at the Cape serving as the lead Air Traffic Controller for the Shuttle Landing Facility and the Military Radar Unit. In that role, Ron was intimately involved with our Shuttle program, coordinating air and ground support for Shuttle launch and landing events. He also provided his expertise for major satellite and launch payload deliveries.

Throughout his career, Ron has been awarded NASA's Silver Snoopy Award and NASA's Space Flight Awareness Award. He was also interviewed by NASA as part of its oral history of the Shuttle program. In addition to these honors, he will receive the highest tribute for those in aviation history. Ronald Freile's name will be inscribed in the wall of the Air and Space Museum. Ron's name will join the names of Buzz Aldrin, the Wright Brothers, Charles Lindberg, John Glenn, Amelia Earhart, and countless other pioneers of our aviation history.

Having worked on our nation's space program as a young man, I have come to know many of the great Americans like Ron who have dedicated their lives to serving our nation and making our space program so successful. I ask members of the U.S. House of Representatives to join me and Ron's family, friends, and colleagues at the Washington Consulting Group in recognizing his work and contribution to America's mission in space.

HONORING THE SERVICE OF KEVIN
BOSHEARS, DIRECTOR OF THE
OFFICE OF SMALL AND DIS-
ADVANTAGED BUSINESS UTILI-
ZATION AT THE DEPARTMENT
OF HOMELAND SECURITY

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Mr. THOMPSON of Mississippi. Madam Speaker, I rise to honor Kevin Boshears, the Director of the Department of Homeland Security's (DHS) Office of Small and Disadvantaged Business Utilization (OSDBU) upon his retirement from Federal service. Over the past sixteen years, Mr. Boshears has forged a reputation as a trusted resource to small businesses that seek to provide goods and services to DHS. From the Department's earliest days, Mr. Boshears helped create a culture within DHS that prioritizes engagement with small businesses in furtherance of its diverse missions.

In my work on the Committee on Homeland Security, I have come to appreciate his stead-

fast commitment to opening doors of opportunity to small, disadvantaged and minority-owned business that face barriers to entering the Federal marketplace. Under Mr. Boshears' leadership, DHS has the distinction of being the largest agency to earn a "A" grade on the Small Business Administration's (SBA) Small Business Procurement Scorecard and it has retained that score for nine years in a row. Remarkably, in fiscal year 2017, DHS earned its third "A+" rating, awarding nearly 35 percent of total contracting dollars to small businesses, exceeding the government-wide goal of 23 percent.

Mr. Boshears' dedication to the small business community has resulted in many other accolades throughout his impactful career. In 2005, Mr. Boshears received the SBA's Federal Gold Star Award of Excellence in recognition of his efforts to carry out the aggressive goals and strategic initiatives that help ensure a role for small businesses in the federal marketplace. And, in July 2018, Mr. Boshears received the prestigious DHS Management's Award for Technical Excellence, followed by the DHS Secretary's Award for Leadership Excellence in November 2018.

As Mr. Boshears closes out his time at DHS and as a civil servant, I rise to honor his contributions and wish him well.

HONORING THE AUBURN HIGH
SCHOOL BASEBALL TEAM

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Mr. GRIFFITH. Madam Speaker, I offer these remarks in honor of the Auburn High School baseball team, which won the Virginia High School League 1A baseball championship at Radford University on June 14, 2019. The Eagles won a victory over Lancaster to reclaim the title, which they had previously won in 2017.

Auburn's victory brought their season to 25–3. Excellent pitching held Lancaster to three hits, while Auburn scored nine runs to achieve a 9–0 victory. Congratulations are in order for the team and Coach Eric Altizer, as well as the student body, teachers, administrators, and fans at Auburn. I was particularly pleased to be able to congratulate them in person after the game. It is another trophy in Auburn's impressive collection of championships this year. In fact, it came on the same day the Auburn softball team won their title. It is truly remarkable when a high school wins two state championships not only in the same year, but on the same day.
