

HONORING FRED AND BETTY  
ROEDER

**HON. LARRY BUCSHON**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 26, 2019*

Mr. BUCSHON. Madam Speaker, I rise today to ask all my colleagues to join me in honoring two outstanding Hoosiers—Fred and Betty Roeder—on the occasion of their 70th wedding anniversary.

Fred and Betty epitomize what it means to be a Hoosier—kind and gracious; with big, warm hearts; and a love for their state and country that is borne out by their commitment to bettering the lives of their neighbors and community.

Fred and Betty—high school sweethearts—were married seventy years ago this month, on June 30, 1949, at Evansville Emanuel Lutheran Church.

Fred Roeder served in the U.S. Army (1952–54) and concluded active service as a Corporal. He served 6 years in the Army Reserve and was honorably discharged in 1960. A Korean War veteran, Fred remains proud of his service to our nation, and that of the many friends he made while in the Army. He worked at Dale Sales warehouse and later at Niehaus Industrial Parts in Evansville.

Betty Roeder is a graduate of Benjamin Bosse High School in Evansville. She dedicated much of her time to leading music and Christian education programs at local Lutheran churches. Betty was beloved by her students and took great pride in her work.

I came to know the Roeders at Our Redeemer Lutheran Church in Evansville, where we have worshiped together for many years. Despite moving to the Indianapolis-area to be closer to family members, the Roeders remain devoted members at Our Redeemer Lutheran Church.

Fred and Betty are the proud parents of their son Michael F. Roeder and daughter-in-law Lee Ann, and their grandchildren—John and granddaughter-in-law Taylor, Tim and Kurt Roeder. They celebrated their historic milestone a bit early this year with a small group of family and friends on June 22.

Madam Speaker, I encourage my colleagues to join me in extending to the Roeders the well-wishes and congratulations of the U.S. House of Representatives on the occasion of their 70th wedding anniversary.

#### PERSONAL EXPLANATION

**HON. ANTHONY G. BROWN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 26, 2019*

Mr. BROWN of Maryland. Madam Speaker, I inadvertently cast a “yea” vote on roll call No. 372, on an amendment during consideration of the Commerce, Justice, and Science division of H.R. 3055. I would like to change my vote on the amendment to “nay.”

The North Atlantic right whale is a critically endangered species iconic to the Eastern seaboard of the United States. We should be empowering the National Marine Fisheries Service (NMFS) to implement regulations to protect this species based on scientific, consensus

recommendations, not disarming the agency. The North Atlantic right whale Risk Reduction Decision Support Tool is a critical piece of NOAA and NMFS’ regulatory framework, and preventing its use undermines their decision-making process.

My record of fighting for the Chesapeake Bay, preventing off-shore drilling, funding the Land and Water Conservation Fund, protecting the Arctic, and being an ally to the environmental activists and wildlife conservationists in my district and around the country speaks for itself. My recorded vote is inconsistent with my lifetime record in both state and federal office on matters and policies pertaining to wildlife preservation.

JACKSON MOORE, SR.

OF VIRGINIA

Mr. Moore completed basic training school, basic schools of enlisted training and the U.S. Army’s Officer Candidate School (OCS) at Fort Bliss Texas in July 1952. After being commissioned a Second Lieutenant, Mr. Moore was assigned to an anti-aircraft unit as a commanding officer. After three years of active service, Mr. Moore joined the U.S. Army Reserves.

#### INTRODUCTION OF THE PASSPORT ASSISTANCE FOR DISADVANTAGED STUDENTS ACT OF 2019

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 26, 2019*

Ms. JOHNSON of Texas. Madam Speaker, I rise today to introduce a bill that will hopefully be the first step in ensuring that students from all backgrounds are able to take advantage of study abroad programs offered by their universities.

As we see a new class of students graduate, I’ve noticed that some of these students are lacking the global skills needed to excel in today’s workplace. Exposure to the world’s diverse cultures and traditions allows oneself to be more understanding and comfortable in a rapidly transforming world while also developing a greater appreciation for the United States and our shared culture.

Over 80 percent of incoming freshmen hope to study abroad as a part of the college experience; however, due to obligations such as coursework, employment and affordability, only 10 percent end up taking advantage of this incredible opportunity offered by many universities. Minority students are greatly underrepresented within this population.

The Passport Assistance for Disadvantaged Students Act of 2019 would establish a pilot program between the Department of Education, Department of State, and 3 public universities, including 1 HBCU and 1 Hispanic Serving Institution. Students at each of these schools who receive Pell Grants and are accepted for a study abroad program would have the opportunity to receive a United States Passport at no cost. The public university would cover the upfront cost and the Department of State would reimburse the institution after they’ve reported relevant information to the Department of Education.

With this bill, we take a step forward in breaking down systematic barriers that prevent certain students from studying abroad while in college. The opportunity to travel and learn in a foreign country offers students the chance to advance their studies in a globalized environment.

Madam Speaker, I believe that students should have equal access to opportunities like study abroad regardless of race or socioeconomic status, which is why I am proud to introduce this bill.

**MICHAEL BEDKE**

**HON. KATHY CASTOR**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 26, 2019*

Ms. CASTOR of Florida. Madam Speaker, I rise today to recognize the selfless pro bono

work of Tampa attorney, Michael Bedke, who will receive the Florida Bar Foundation's 2019 Medal of Honor Award this week. The Medal of Honor is the Foundation's highest honor.

Michael Bedke works to ensure the wheels of justice turn for everyone. He has devoted a large portion of his distinguished legal career in service to his community and his country. He has provided extensive pro bono service and advocacy for AIDS patients, domestic violence survivors and individuals in need. He also has maintained an unfailing commitment to improve the lives of veterans. He spearheaded the "No Place Like Home" initiative which establishes permanent supportive housing for neighbors in need of mental health services or who are at risk of chronic homelessness.

Throughout his life, Mike always has recognized his duty to serve his neighbors and country in a wide variety of ways. He is constantly thinking of ways to meet unmet legal needs and has a unique ability to develop effective plans for meeting those needs.

As a young lawyer, Mike took on pro bono cases to represent persons with AIDS in the 1980s, a time when the general public was both fearful and uneducated about the disease. True to his style of leading by example, by taking on these cases and serving on the board of the Tampa AIDS Network he encouraged colleagues to take similar action.

After Category 5 Hurricane Andrew struck Florida in 1992, Mike worked to pass Good Samaritan legislation that removed an impediment to lawyers providing pro bono help to disaster survivors. He also led legal relief efforts in response to Hurricane Iniki in Hawaii, the bombing of the Alfred P. Murrah Federal Building in Oklahoma City, and September 11. He founded the Greater Access and Assistance Project while chair of the American Bar Association's Young Lawyer's Division, modeling it after the Courthouse Assistance Project he created at home as a member of Bay Area Legal Services' board of directors.

Mike has worked to empower domestic violence survivors for more than 25 years. He was appointed to the National Advisory Committee on Violence Against Women in 2002 and has served on numerous boards working to improve access and support for survivors. He worked with the Women's Caucus of the Peruvian Parliament to draft model domestic violence legislation.

Mike received his bachelor's degree with high honors from the University of Florida in Gainesville and served as student body president. He then completed his juris doctorate with honors from the University of Florida. He developed a program at his alma mater to recruit and retain minority law students. He has also served as an adjunct professor at Stetson College of Law.

Close to my heart and so many in the Tampa Bay area is Bay Area Legal Services that provides legal aid to people who need it. As president of the Board of Directors for Bay Area Legal Services, in 2015, Mike spearheaded a fundraising effort that created a \$400,000 endowment for a veterans program. He also led the development and implementation of Bay Area's "No Place Like Home Project" to provide pro bono help to low-income homeowners experiencing title issues.

He is a partner in the Tampa office of the distinguished international law firm, DLA Piper. While Mike is much sought after in his specific

area of practice, he was called to do more in service to his community and country—and we are better for it and grateful for his vision and commitment.

Madam Speaker, on behalf of the citizens of America, the State of Florida and my neighbors across our hometown, I am proud to mark Mike Bedke's lifetime of leadership.

#### TRIBUTE TO MOLLY GRAHAM

**HON. JAMES E. CLYBURN**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 26, 2019*

Mr. CLYBURN. Madam Speaker, I rise today to pay tribute to a woman whose bravery and perseverance exemplify a significant American story. It is fitting that during this July 4th, as we celebrate our nation's birthday, citizens of South Carolina and the descendants of Molly Graham will be dedicating a bridge over the Combahee River in Colleton County, South Carolina in her honor. Although seven generations removed, Molly Graham's story is inspiring and instructive for all of us.

Molly Graham was enslaved on the Cypress Plantation in Green Pond, South Carolina during the Civil War. Her husband and brother were killed during the final months of the war when Confederate soldiers executed male slaves to prevent them from enlisting in the Union Army. Ms. Graham and her daughters escaped after Confederate troops raided their plantation and threatened to burn it to the ground.

She and her daughters traveled 16 miles on foot to the safety of a Union camp in Beaufort. Along the treacherous journey, they had to crawl across a plank over the Combahee River because the bridge had been destroyed by fire. They hid from Confederate troops during the day and traveled under the cover of darkness at night. Ms. Graham let faith, "the substance of things hoped for, the evidence of things unseen," guide her.

After spending several months in the refuge of the Union camp, Ms. Graham and her

daughters returned to Green Pond. The daughters eventually married, and they worked together, pooled their resources and bought several hundred acres of land. The family raised chickens, turkeys and vegetables on the farm and sold their goods at the Walterboro farmers market.

Ms. Graham also served as a naturopathic herb doctor who treated both former slaves and plantation owners without prejudice or malice. She added rooms to her home to treat patients overnight, that served as the only "hospital" to ever exist in Green Pond. Today, she and many of her progeny are buried at the historic Hickory Hill Cemetery close to the banks of the Combahee River.

Madam Speaker, I ask you to join me in celebrating the life of Molly Graham and the contributions of seven generations of her offspring in the Bryant, Pinckney and Singleton families. Theirs is a true story of resilience and triumph that exemplifies the diversity of the American experience. I applaud the descendants' efforts to dedicate the Molly Graham Memorial Bridge that crosses her beloved Combahee River and to continue her legacy of giving back to the community through their family's non-profit foundation.

#### IN RECOGNITION OF PATRICK & DENISE GOGGINS' 50TH WEDDING ANNIVERSARY

**HON. RICHARD E. NEAL**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 26, 2019*

Mr. NEAL. Madam Speaker, I would like to take this opportunity to congratulate Patrick and Denise Goggins on the occasion of their 50th wedding anniversary. This July 4th marks a special milestone for this couple and their family, and it is my pleasure to recognize it as such.

Pat and Denise were married on July 4, 1969, but their story begins even four years earlier when they met as high school sweethearts. Their life of love, marriage and family is truly heartwarming and worthy of recognition. From the purchase of their first home through President Johnson's Housing and Urban Development program for first-time homebuyers, to the births of their three daughters (Bridget, Erin, and Molly), and then the gifts of grandchildren, the Goggins exemplify the spirit of hardworking American families across the country.

Marriage is an institution undeniably linked to the fabric of our society. It is a union celebrated not only by the two partners, but by their friends and family alike. The nuptial celebrations of Patrick and Denise were no exception and are certainly still not today. Their marriage will be celebrated by close to 200 people in Cape Cod, Massachusetts this July 4th and will certainly be filled with the same warmth of the original, humble wedding reception of five decades prior. I extend my personal greetings to all those that will gather together that day in celebration of Pat and Denise.

Madam Speaker, once again, it is my pleasure to recognize the milestone of Patrick and Denise Goggins' 50th wedding anniversary. Their commitment to each other and their family is truly uplifting. I wish them all the best in their future endeavors as they continue their wonderful life together for years to come.
