

In his immediate response to the 9/11 attacks and his fortitude in dealing with the aftermath, Colonel Childress is a paragon of bravery. He exemplifies the words of Winston Churchill before Britain was about to be under siege by Germany when Prime Minister Churchill said:

There will be a time when doing your best is not good enough. We must do what is required.

Colonel Childress did what was required in the service to freedom. His actions set the example that all Americans can share pride in and follow.

Mr. GIANFORTE. Mr. Speaker, I rise today to recognize a bright and talented group of young women from Kalispell, Montana, who excelled in the recent Code Girls United Northwest Regional App Challenge.

Emma Anderson, Kyra Hutchison, and Trinity Hutchison took second place for creating an app that reminds users to exercise throughout the day.

Meara Greer and Abby Stillo placed third with their prototype of a robotic self-driving vehicle.

Code Girls United is an after-school computer science program teaching fourth through eighth grade girls to become problem-solvers through coding and business training.

Congratulations to all the participants. The skills and ideas they are developing could help tackle the challenges we face today and in the years to come.

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. COURTNEY) at noon.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

Loving God, we give You thanks for giving us another day.

Guide the Members of this people's House with the spirit of understanding which might lead them to their best judgment. We live in a world of human failure and broken promises; may they be tolerant of the faults of others because they are aware of their own shortcomings.

Bless all with a quiet respect for the diversity of opinions to be found here. Through honest dialogue and contemplative listening, may Your servants search all of the avenues open to them to meet today's challenges with integrity and justice.

May all that is done be for Your greater honor and glory.

Amen.

CONGRATULATING LEOR TORCHMAN AUERBACH

(Mr. QUIGLEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. QUIGLEY. Mr. Speaker, I rise to recognize Leor Torchman Auerbach for receiving the 2019 CityPAC Scoop Jackson Award.

Her service for over 20 years as an advocate and leader in Chicago's pro-Israel community make her an ideal recipient for this honor. Since the 2000s, Leor has served as a long-time CityPAC board member, and her organizational and fundraising approach set the standard that CityPAC continues to emulate.

She has served as the AIPAC Chicago co-chair of the Young Leadership Council and is AIPAC's Illinois council member. She leads Americans United in Support of Democracy which has organized more than 1,000 events to cultivate support for the U.S.-Israel relationship.

As a granddaughter of Holocaust survivors, Leor is a friend and supporter to the entire community, and her activism is an inspiration and model for us all.

CONGRATULATING NEW PALESTINE HIGH SCHOOL SOFTBALL TEAM

(Mr. PENCE asked and was given permission to address the House for 1 minute.)

Mr. PENCE. Mr. Speaker, I rise today to congratulate the New Palestine High School softball team who capped their record-setting season with a 10-0 victory in the State title game.

This is the Dragons' third State title in as many years. Over the last 3 years, this dynasty has been unstoppable. Their record is a staggering 90-6.

This season the Dragons won each game of the State tournament by at least 10 runs, a feat which has never been accomplished in Indiana State history. They are also the first softball team in Indiana history to win back, to back, to back.

Through everything, they personified hard work and team spirit, and I recognize Ed Marcum and the New Palestine Dragons for this historic accomplishment.

PROTECT AND PRESERVE THE ATLANTIC COAST FROM OFFSHORE DRILLING

(Mrs. LURIA asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. LURIA. Mr. Speaker, today I am happy to announce House passage of a commonsense amendment to prohibit Federal spending for offshore drilling throughout the entire Atlantic Ocean.

Protecting our coastal Virginia district from the threat of offshore drilling is among my top priorities. One of my first actions in Congress was cosponsoring the Defend Our Coast Act. This bipartisan bill would forbid any drilling, exploration, development, or production of fossil fuels off the Continental Shelf in the mid-Atlantic region.

As a 20-year Navy veteran who trained off the Virginia coast, I know that having to dodge oil platforms would impact military readiness and undermine our national security. I also know what offshore drilling could do to Virginia's beautiful shorelines and thriving economy. This is why I proudly cosponsored and continue to support Congressman FRANK PALLONE's amendment to protect and preserve the Atlantic Coast from offshore drilling.

I urge the Senate to follow the House's lead.

SUPPORT THE SCHOOL FOOD MODERNIZATION ACT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)
