How long must it take to recognize an icon of freedom and courage?

How long must it take to rightfully acknowledge the work of a woman who helped countless enslaved Americans of African descent?

How long must it take when the American people overwhelmingly selected her as the face of the new \$20 bill?

Harriet Tubman embodies the American spirit of strength and hope.

It is time to put a woman on the \$20 bill. In this year, the 100th anniversary of women's suffrage, we want to guarantee that Treasury will follow through on this promise and this commitment.

RECOGNIZING DUBOIS AREA MIDDLE SCHOOL

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to recognize the hardworking students, teachers, and staff at DuBois Area Middle School. For the fourth consecutive time, DuBois Area Middle School was one of over 465 schools from around the country named as a school to watch by the National Forum to Accelerate Middle-Grades Reform.

The Schools to Watch recognition is based on a comprehensive 3-year review of the entire school. Only one other middle school in Pennsylvania has remained at the top with DuBois for their continuous designations.

The students, teachers, and faculty members have joined together to create a learning community where everyone is supported. Every year, the community is challenged to maintain their success by continuing to put their best foot forward. This week, they were recognized for their 12 years of excellence at the National Forum Schools to Watch Conference here in Washington, D.C.

I look forward meeting representatives from the DuBois Area Middle School later today. Madam Speaker, the entire 15th Congressional District of Pennsylvania is proud of their continuous success.

CRISIS AT THE BORDER

(Ms. SPEIER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. SPEIER. Madam Speaker, this is not my America. This is not the values of our America. Look at this picture.

Now, some critics think that this should not have been published, but I disagree, because these people are not rapists or murderers or drug dealers.

This is Oscar Ramirez and his 23-month-old daughter, Angie Valeria. They died on the Rio Grande River, Angie clinging to Oscar's neck and tucked under his shirt in a desperate attempt to survive.

Their story isn't unique. Last Saturday, a mother and three children were found dead on U.S. soil. Children have been found freezing. We now know that many of them don't even have simple items of hygiene like soap and toothbrushes.

A group of women from my district, 20 of them, created a nonprofit called Bay Area Border Relief. They are in McAllen right now. They took 490 boxes of clothes, and it was actually reduced in less than 2 weeks.

We need to address this issue now.

RECOGNIZING LIEUTENANT GENERAL ROBERT SCOTT WILLIAMS ON HIS RETIREMENT

(Mr. DUNN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DUNN. Madam Speaker, I rise today to recognize Lieutenant General Robert Scott Williams as he retires after 32 years of service to the United States Air Force.

On June 20, General Williams completed his tour as dual commander of Air Forces Northern and First Air Force headquarters at Tyndall Air Force Base, capping a long and distinguished career.

His service to the Air Force included a tour as commander of the 169th Operations Group and Fighter Wing at McEntire Joint National Guard Base in South Carolina.

General Williams' leadership during and after Hurricane Michael was top tier. He and his team at Tyndall Air Force Base overcame numerous obstacles and exceeded expectations by opening First Air Force headquarters way ahead of schedule. This is only 2 short months after the category 5 storm Michael devastated the panhandle.

Madam Speaker, I applaud the work he has accomplished over his last 3 years of command and his 32-year career. Please join me in saluting Lieutenant General Robert Scott Williams for his great service to the Air Force.

RECOGNIZING AMERICAN GROWN FLOWERS MONTH

(Ms. PINGREE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. PINGREE. Madam Speaker, I rise in recognition of July as American Grown Flowers Month.

As co-chair of the House Cut Flowers Caucus, I know the buy local movement has encouraged customers to buy not only their food, but also their flowers, from local farmers. People want to support the small family farm down the road, whether it is lettuce or lilies.

The cut flower industry creates jobs, benefits our local economies, and naturally encourages us to embrace our planet's natural beauty.

For farmers, cut flowers allow us to preserve open spaces, participate in sustainable agriculture, and, many times, support women-owned businesses.

In my home State of Maine, where I represent many small farms, more than 250 farms sell cut flowers, from the Snell Family Farm in Buxton to Lazy Acres Farm in Farmingdale.

This is an industry worth upwards of \$1 million to our economy and has seen such rapid growth in recent years that we have many flower CSAs for local customers. The new interest in locally sourced flowers has allowed farmers to diversify their crops and boost their income.

In Maine, nationally recognized as "Vacationland," cut flowers are essential to our tourism industry. Flowers decorate wedding venues, hotels, and restaurants across our State. And when you are celebrating something as special as a wedding or a long-awaited vacation, shouldn't everything, down to the flowers on the table, have some meaning?

RECOGNIZING PARALYMPIC ATHLETE LIZZI SMITH

(Mr. PENCE asked and was given permission to address the House for 1 minute.)

Mr. PENCE. Madam Speaker, I rise today to recognize an individual from Muncie, Indiana, who has made her community and State proud.

Lizzi Smith, a Paralympic athlete who competed in the 2016 Paralympic Games, is now working toward her goal of swimming in the 2020 Paralympic Games in Tokyo.

Lizzi has already accomplished so much in her swimming career. She helped Muncie Central High School win a sectional in high school. She won two world medals at the age of 17, and she came away from the 2016 Paralympics with two medals. Just this year, Lizzi set the Pan American record in the S10 100-meter butterfly.

I thank Lizzi for inspiring us to dream big and for setting a strong example for young Hoosiers and all Americans. I wish her the best of luck on the road to Tokyo.

Bring home the gold.

HIGHLIGHTING THE DAIRY MARGIN COVERAGE PROGRAM

(Mr. DELGADO asked and was given permission to address the House for 1 minute.)

Mr. DELGADO. Madam Speaker, I rise today to acknowledge the end of Dairy Month, which is recognized throughout June. I also rise to highlight the USDA's new Dairy Margin Coverage program, which is enrolling farmers right now.

My district in upstate New York is home to hundreds of dairy farmers, and way too many are struggling to survive with years of plummeting milk prices.

Now at the mercy of not just a complex pricing system, but also trade wars, our farmers need real support. I

encourage all dairy farmers in New York's 19th Congressional District to begin making coverage decisions.

The Dairy Margin Coverage program is retroactive until the beginning of the year, with applicable payments following soon after enrollment.

As dairy farmers continue to face low prices and increased market consolidation, I hope this program will provide much-needed support during this challenging farm economy.

As a member of the Agriculture Committee, I am deeply committed to supporting our dairy farmers, and I will be closely following implementation of the Dairy Margin Coverage program. I will continue fighting to give our farmers the support and the certainty they

RECOGNIZING JUDY GENSHAFT

(Mr. BILIRAKIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BILIRAKIS. Madam Speaker, today I rise to recognize Dr. Judy Genshaft, a truly outstanding leader whose contributions to the Tampa Bay area as the sixth president of the University of South Florida have been unmatched, in my opinion.

President Genshaft has completely transformed USF by helping it achieve elite status as a preeminent research university. The National Science Foundation has ranked USF as one of the Nation's top 25 research universities.

Under Judy's leadership, USF has nearly quadrupled its research portfolio to expand lifesaving research and develop cutting-edge technologies. The school's success has attracted some of the brightest young minds to the Tampa Bay area of Florida, growing enrollment by 40 percent, and USF's graduation rate has tripled with Dr. Genshaft at the helm.

Summarizing the many accomplishments of President Genshaft in just 1 minute is impossible. She is a remarkable woman who has made the Tampa Bay region a better place. As she prepares to retire, it is my honor to say congratulations to her.

Go Bulls.

CARING FOR THE CHILDREN

(Ms. DEAN asked and was given permission to address the House for 1 minute.)

Ms. DEAN. Madam Speaker, there is a Gospel reading I like: Matthew 25: "For I was hungry and You gave me food, I was thirsty and You gave me drink, a stranger and You welcomed me, naked and You clothed me, ill and You cared for me, in prison and You visited me."

That spirit of welcoming and compassion is a part of what defines us as Americans. In fact, we have enshrined it in our legal code, including laws re-

quiring safe and sanitary conditions for migrant children. Yet right now, children are imprisoned in appalling and unconscionable conditions.

These children have not been welcomed in the spirit of Matthew. Instead, they are in cages, in prison without adequate food, clean clothing, clean diapers, toothbrushes, access to showers, and a comfortable place to lay their head.

"Whatever you did unto the least of these, you did unto me."

Madam Speaker, we will be judged as a nation, as a government, and a people for our failure to look out for the least of these. May this imprisonment end.

(a) IN GENERAL.—Section 301(a)(2) of the Help America Vote Act of 2002 (52 U.S.C. 21081(a)(2)) is amended to read as follows:

"(2) PAPER BALLOT REQUIREMENT.—

"(A) VOTER-VERIFIED PAPER BALLOTS.—

"(i) Paper Ballot requirement.—(I) The voting system shall require the use of an individual, durable, voter-verified paper ballot of the voter's vote that shall be marked and made available for inspection and verification by the voter before the voter's vote is cast and counted and which shall be counted by hand or read by an optical character recognition device or other counting device. For purposes of this subclause, the term 'individual, durable, voter-verified paper ballot' means a paper ballot marked by the voter by hand or a paper ballot marked through the use of a nontabulating ballot marking device or system, so long as the voter shall have the option to mark his or her ballot by hand. The paper ballot shall be printed or marked in such a way that vote selections, including all vote selections scanned by voting systems to tabulate votes, can be inspected and verified by the voter without training or instruction or audited by election officials without the aid of any machine or other equipment.

"(II) The voting system shall provide the voter with an opportunity to correct any error on the paper ballot before the permanent voter-verified paper ballot is preserved in accordance with clause (ii).

"(III) The voting system shall not preserve the voter-verified paper ballots in any manner that makes it possible, at any time after the ballot has been cast, to associate a voter with the record of the voter's vote without the voter's consent.
