

for beef and pork products that meets World Trade Organization requirements; and be it further

*Resolved*, That the Secretary of State send copies of this resolution to the individual members of the United States House of Representatives and the United States Senate.

POM-98. A joint resolution adopted by the Legislature of the State of Montana memorializing its opposition to the bison grazing proposal by the American Prairie Reserve; to the Committee on Energy and Natural Resources.

#### HOUSE JOINT RESOLUTION NO. 28

Whereas, the American Prairie Reserve (APR) controls private properties tied to 18 Bureau of Land Management (BLM) grazing allotments in Fergus, Petroleum, Phillips, and Valley counties; and

Whereas, the APR has requested that the SLM fundamentally shift long-established grazing practices on the 18 BLM allotments, which encompass 250,000 acres of public property; and

Whereas, APR has petitioned to change the allotments from seasonal or rotational grazing to year-round grazing and remove the interior fencing on those allotments; and

Whereas, the APR proposes to allow the year-round, continuous grazing of public land by bison, which would impact the future grazing viability of the allotments; and

Whereas, the existing BLM designation for managed grazing is what science dictates the rangeland can support; and

Whereas, it is the responsibility of the BLM to ensure the future vitality of these public parcels is protected; and

Whereas, the removal of interior fences will eliminate the ability of BLM to control the access of bison to certain parcels to shorten grazing permits in response to drought or fire to protect the rangeland.

*Now, therefore, be it resolved by the Senate and the House of Representatives of the State of Montana:*

(1) That it is essential for the preservation of the future viability of Montana's rangeland that the BLM deny the petition by the APR to alter grazing permits on the 18 allotments under the control of APR.

(2) That the denial of the proposed APR grazing permit change is critical for the health of Montana's livestock and wildlife.

(3) That private landowners and communities should not bear the cost of damages incurred by the lack of integrated bison management in the APR's grazing proposal.

(4) That the denial of the APR grazing proposal would protect Montana farmers, ranchers, and communities.

(5) That the BLM should deny the APR bison grazing proposal.

(6) That the Secretary of State send a copy of this resolution to the United States Congress, the Department of the Interior, and the Bureau of Land Management.

POM-99. A joint resolution adopted by the Legislature of the State of Montana memorializing its support of the ratification of the United States-Mexico-Canada Agreement; to the Committee on Finance.

#### SENATE JOINT RESOLUTION NO. 13

Whereas, the United States and Canada have one of the largest trading relationships in the world, and Canada is the United States' largest export market, valued at \$320 billion (\$411 billion Canadian) in goods and services in 2017 and the United States is Canada's largest export market, valued at \$308 billion (\$396 billion Canadian) in 2017 goods and services; and

Whereas, this trade supports 9 million jobs in the United States and 2.1 million jobs in Canada; and

Whereas, in the more than 20 years since the United States, Canada, and Mexico entered into the North American Free Trade Agreement (NAFTA), trade among these countries tripled from \$340 billion in 1993 to \$1.2 trillion in 2016; and

Whereas, North American integration of trade under NAFTA has helped to make the region more competitive in the world economy by providing highly integrated and valuable supply chains, as well as common rules and harmonized regulations that increase the speed and global competitiveness of one another's businesses, and by driving investment and imbedding value in each others' economic success, including by providing jobs in North American communities; and

Whereas, Canada and Mexico are the first-ranked and third-ranked markets, respectively, for agriculture exports from the United States at an estimated \$20.6 billion sent to Canada and \$18.6 billion sent to Mexico, up from \$8.7 billion in 1992, the year that NAFTA was signed; and

Whereas, of particular interest to Montana because Canada is its largest trade partner, Canada has agreed to grade imports of wheat from the United States in a manner no less favorable than that accorded to wheat in its own country and not to require a country of origin statement on its quality grade or inspection certificate; and

Whereas, in signing the United States-Mexico-Canada Agreement, the three countries have agreed to make targeted improvements to NAFTA and build on the successful partnership and a shared competitiveness in the global marketplace in which free, fair, open, and mutually beneficial trade helps to strengthen the economies of all countries.

Now, therefore, be it resolved by the Senate and the House of Representatives of the State of Montana:

That the Montana Legislature supports the ratification of the United States-Mexico-Canada Agreement on trade by all countries as soon as possible; and be it further

*Resolved*, That the Montana Secretary of State send copies of this resolution to the President of the United States, the Speaker of the United States House of Representatives, the Majority Leader of the United States Senate, the Consulate of Canada in Colorado, the Consulate of Mexico in Colorado, each member of the United States Senate Finance Committee, the United States House of Representatives Ways and Means Committee, the United States Senate Advisory Group on Negotiations, and the United States House of Representatives Advisory Group on Negotiations, the United States Trade Representative, the United States Secretary of Commerce, the United States Secretary of State, the United States Secretary of Labor, the Director of the Office of Management and Budget, and the Intellectual Property Enforcement Coordinator.
