

two children, Anh Tran and Julie Quynh Nhu Tran; and his two grandchildren, Alexander Tran and Benjamin Tran.

I ask my colleagues to join me in recognizing the legacy of Mr. David Tran. May his honor and commitment serve as an example for all and his spirit rest in peace and glory.

HONORING THE FAMILY OF GREG
MCDANIEL

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 9, 2019

Mr. COSTA. Madam Speaker, I rise today to honor the family of Greg McDaniel on Atwater's 2019 4th of July parade. On December 25, 2018, the greater Atwater community lost one of their most dedicated leaders who served as the President of Atwater's 4th of July Committee for over 20 years. In honor of Mr. McDaniel's many years of commitment to organizing this parade, his wife Pinky has been named the Grand Marshal of this year's parade.

As President of the Atwater 4th of July Committee, Mr. McDaniel played an integral role in the planning of Atwater's annual 4th of July parade and celebration. Each year he successfully helped raise the necessary funds and oversaw many of the operations that helped make the parade the event it has grown into today. Mr. McDaniel was committed to making each year's celebration better than the year before, which is reflected in what Atwater's 4th of July celebration has become.

Atwater's 4th of July celebration is now a day consisting of a morning run, parade, and fireworks that attracts thousands from throughout the City of Atwater and other cities in Merced County. The positivity Mr. McDaniel exuded in this endeavor is now present in the Atwater community members that have stepped up to continue the traditions Mr. McDaniel cared so deeply about.

Mr. McDaniel was joined in all he did by his wife of 45 years, Pinky. She was by his side assisting him in all his tremendous community contributions. In addition to planning the 4th of July celebration, Mr. McDaniel spent many years with local youth sports organizations, announced the Atwater High School football games, and served many times as the president of the Atwater Chamber of Commerce, among various other civic engagements. Though he is deeply missed, his wife Pinky, sons Christopher and Jeffory, grandchildren, and residents of Atwater continue to carry on the legacy he left.

Madam Speaker, I ask my colleagues to join me in honoring the family of Greg McDaniel. It is both fitting and appropriate that we honor them as his wife Pinky is recognized as the Grand Marshal of a parade and celebration her husband dedicated so many years to. I wish his family and the residents of Atwater the best as they celebrated the 4th of July.

HONORING THE RETIREMENT OF
CAPTAIN JASON B. FITCH

HON. MIKE LEVIN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 9, 2019

Mr. LEVIN of California. Madam Speaker, I rise today to recognize the retirement of Captain Jason B. Fitch. Captain Fitch has devoted his young adult life to the service of his family and country. Later this year, on December 1, 2019, Captain Fitch will retire from active duty after honorably serving this Nation for 28 years. As he completes his tour of duty in the Office of the Assistant Secretary of the Navy for Research, Development and Acquisition, and prepares to hang up his military uniform, we all know that his influence has reached far beyond the strict confines of his rank and previous job titles.

Captain Fitch's military career began 28 years ago today as a Midshipman when he took the Oath of Office at the United States Naval Academy in Annapolis, Maryland. After graduation, he was commissioned as an Ensign into the United States Navy. He served honorably in uniform for nearly three decades with tours of duty across the United States and deployments around the world. He served as the Supply Officer for Naval Special Warfare Center in Coronado, California. He served aboard the USS *Bonhomme Richard* (LHD 6) and the USS *Mount Vernon* (LSD 39). In 2006, Captain Fitch was recognized as the Navy Fuel Officer of the Year and as the Fuel Director for the Navy Bulk Fuel Terminal of the Year for 2007. He also served as the Naval Aviation Enterprise Officer and Director for the H-60 "Seahawk" Integrated Weapons Support Team at Naval Inventory Control Point in Philadelphia, Pennsylvania. While assigned to U.S. Special Operations Command, he deployed to Operation Enduring Freedom (2013) in support of the Special Operations Joint Task Force-Afghanistan (SOJTF-A) as the J4 director.

Captain Fitch was entrusted with command ashore, where he served as the Commanding Officer for Naval Special Warfare Group ONE Logistics Support Unit. During his tenure in command, he deployed to Operation INHERENT RESOLVE (2015) as the J4 director of Combined Joint Special Operations Task Force-Iraq and received the Bronze Star Medal. He currently serves at the Pentagon as the Director for Outcome Based Logistics and Supply Chain Management, in the Office of the Deputy Assistant Secretary of the Navy for Expeditionary Programs and Logistics Management (E&LM).

In addition, Captain Fitch earned a master's degree in Business Administration with concentrations in Petroleum Management and International Business from the University of Kansas. He earned a Master of Science in National Security and Resource Strategy from the National Defense University's Eisenhower School. Captain Fitch also completed Kellogg's Executive Development Program.

In honor of his service, I would like to express my gratitude for Captain Jason B. Fitch's dedication to this country and our community. I wish him and his family the best as he retires to San Diego this December.

CAPE CORAL CITIZEN FLORIAN
MICKULEIT RECEIVES THE CITIZEN
COMMENDABLE ACTION
COIN

HON. FRANCIS ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 9, 2019

Mr. ROONEY of Florida. Madam Speaker, I rise today to congratulate Florian Mickuleit on receiving the Citizen Commendable Action Coin for aiding law enforcement in rescuing a man from a canal. This award is given by an Officer of the Cape Coral Police Department to a civilian for exemplary behavior or a remarkable act.

On June 4, 2019, a concerned citizen called Cape Coral Police to report that a man had been swimming in the canal by their home for an extended period, and he refused to come out of the water. When police arrived, they found the man was not acting rationally and was out of their rescue rope's range. The man claimed that the current was too strong for him to swim to shore.

Mickuleit had been delivering a rental boat in the area and offered to use the boat in a rescue attempt. He drove the boat to the middle of the canal with officers onboard, and they were finally able to bring the man safely to shore. The man was then taken to the local hospital by Lee County Emergency Medical Services.

I am grateful for Florian and his actions to help save a citizen in need. I commend his actions and congratulate him on receiving this honor.

MEDICAID AND CHIP TERRITORY
TRANSPARENCY AND INFORMATION ACT

**HON. GREGORIO KILIL CAMACHO
SABLAN**

OF THE NORTHERN MARIANA ISLANDS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 9, 2019

Mr. SABLAN. Madam Speaker, today, I introduce the Medicaid and CHIP Territory Transparency and Information Act, which would require the Centers for Medicare & Medicaid Services (CMS) to publish on its website, and periodically update, specified information related to federal expenditures under Medicaid and the Children's Health Insurance Program (CHIP) in each of the U.S. territories.

Presently, data reporting for the Northern Mariana Islands' (NMI) Medicaid program is waived at the discretion of Secretary of Health and Human Services, as allowed by Section 1902(j) of the Social Security Act. American Samoa also has this waiver. Absent this waiver, other insular areas are required to maintain appropriate reporting systems as a condition of receiving Medicaid funds. However, there is little evidence to suggest that CMS has been carrying out any robust oversight. An April 2016 Government Accountability Office report found that "the lack of enforcement of program integrity mechanisms and information systems—have contributed to the limited federal program integrity efforts in the territories." The report goes on to state "until recently,
