

EXTENSIONS OF REMARKS

NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2020

SPEECH OF

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 10, 2019

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2500) to authorize appropriations for fiscal year 2020 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes:

Mr. ENGEL. Madam Chair, I rise to support the amendment offered by Mr. MALINOWSKI. I'm horrified that the humanitarian crisis in Yemen—the worst such crisis in the world, according to the United Nations—has gone on this long.

The crisis has been exacerbated by the ongoing conflict between the Saudi-led coalition and Iranian-backed Houthi rebels. Since 2015, the Saudi-led coalition has undertaken 18,000 airstrikes, and far too many of these have killed innocent civilians. In fact, more Yemeni civilians are killed or wounded in their own homes than anywhere else.

That is why I am co-sponsoring this amendment, to prohibit the sale of all air-to-ground munitions to Saudi Arabia and the United Arab Emirates for one year. It is our obligation to make sure the United States is not enabling civilian deaths.

I thank the gentleman for his leadership in offering this amendment.

LIGHTS FOR LIBERTY VIGILS

HON. PETER A. DeFAZIO

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Friday, July 12, 2019

Mr. DeFAZIO. Madam Speaker, as thousands take part in vigils across Oregon, the U.S., and the globe, I rise today in strong opposition to the Trump administration's inhumane detention policies. These policies and practices have led to families being ripped apart, children dying, and a shameful chapter written in our nation's history.

That's why I voted for the House-passed bill which had strong health and safety requirements for care of unaccompanied minor children, tightened restrictions on detention shelters, created accountability for contractors violating essential standards at detention shelters, and more. Instead, the Republican-controlled Senate stripped these essential reforms from the bill. Congress ultimately passed the weak and flawed Senate version.

I voted against this toothless legislation. If we don't address this crisis head-on with proper oversight standards and commitment to holding this administration accountable, nothing will change and people will continue to suffer. That is unacceptable.

Make no mistake, we can't solve the problems at our border if we don't address the reasons that so many individuals are fleeing their home countries. The Trump administration's plan to cut aid to countries like El Salvador, Guatemala, and Honduras will only make the situation worse, likely increasing violence and government dysfunction. Instead, we should be investing in a plan similar to the Marshall Plan after World War II to restore safety, stability, and promote economic opportunities in Central America.

We must act—now—to get serious about reforming our broken immigration system by passing bipartisan, comprehensive immigration reform. This is the only course of action that will allow us to protect these vulnerable individuals while also producing real, long-term solutions to our immigration crisis.

NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2020

SPEECH OF

HON. DAVID E. PRICE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 11, 2019

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2500) to authorize appropriations for fiscal year 2020 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes:

Mr. PRICE of North Carolina. Madam Chair, I rise in support of the en bloc amendment, which includes my proposal to require the Administration to report to Congress on the status of United States military-to-military and diplomatic deconfliction channels with Iran.

This amendment is cosponsored by my colleagues JAN SCHAKOWSKY, GERRY CONNOLLY, JOHN YARMUTH, LLOYD DOGGETT, BARBARA LEE, PETER WELCH, and EARL BLUMENAUER. I thank them for their support, and I thank Chairman SMITH for his consideration.

Last month, President Trump came dangerously close to conducting a military strike on Iran in retaliation for the downing of an American surveillance drone.

During that week in June, officials from the U.S. and Iran traded public accusations before any investigation into the downing of the drone was complete.

Meanwhile, oil tankers have been attacked in the Strait of Hormuz, the Iranian regime is beginning to increasingly enrich uranium, and U.S. troops are being moved around the region.

These events demonstrate the extraordinary need for established military-to-military and diplomatic channels of communication and deconfliction to prevent miscalculation, define ambiguities, and correct misunderstandings that could otherwise lead to unintended and possibly devastating consequences.

In January 2016, such diplomatic lines of communication saved U.S. sailors on two

Navy riverine command boats that were seized by Iran's Islamic Revolutionary Guard Corps after entering Iranian territorial waters. Secretary of State John Kerry called Iranian Foreign Minister Zarif. Within 15 hours, the sailors were released unharmed.

Since withdrawing from the JCPOA, the Trump administration has eliminated those channels of communication. Can you imagine what would happen now should U.S. forces be captured by Iranian forces? Can you imagine the cost and consequences of military action provoked by a misunderstanding or miscalculation?

Even Department of Defense officials caution that spiraling escalations put our troops in the region at risk, and that we cannot be pulled into an unnecessary armed conflict with Iran.

This amendment would assert Congressional oversight to ensure that we have information about the status of vital military and diplomatic channels of communication that must be in place to prevent miscalculation.

I urge the adoption of this En Bloc amendment.
