□ 1918

Mr. GOHMERT changed his vote from "yea" to "nay."

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

REQUEST TO CONSIDER H.R. 962, BORN-ALIVE ABORTION SURVIVORS PROTECTION ACT

Mr. BANKS. Madam Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of H.R. 962, the Born-Alive Abortion Survivors Protection Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

Mr. BANKS. Madam Speaker, if this unanimous consent request cannot be entertained, I urge the Speaker and the Majority Leader to immediately schedule the Born-Alive bill so we can stand up and protect the sanctity of human life, and I would ask all others to join in in that request.

The SPEAKER pro tempore. The gentleman is not recognized for debate.

STAND UP FOR HARDWORKING AMERICANS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Madam Speaker, I rise today in support of H.R. 582, the Raise the Wage Act. H.R. 582 is truly long overdue.

Truly hardworking folks across this country, most of whom are first in the door and last to leave, will benefit from this strong legislation. Low-wage earners, manufacturing workers, healthcare workers, construction workers, and educators will come closer to being able to make ends meet.

Middle- and working-class real wages have remained stagnant over the past several decades, even as the corporations and shareholders they labor for have seen soaring profits.

In short, the Federal minimum wage has not increased since 2009. Hardworking families have not been given a fair deal and, thus, have an extremely tough time trying to keep up with the rising cost of living.

Madam Speaker, I will vote yes on H.R. 582, the Raise the Wage Act, and I urge my colleagues on both sides of the aisle to join me in standing up for hardworking American people.

RECOGNIZING REVEREND CAROLYN CUBBEDGE
