and correspondents, and was printed on a foot-powered press. Brillion at the time was largely a German immigrant community. This presented an issue for the original owners, who could neither speak nor read the German language.

In 1899, Otto Zander entered the business. To the company’s benefit, he could speak German. Under Otto’s direction, the paper focused on local news in the greater Brillion community. Otto published community events, wedding announcements and obituaries, and showcased local businesses.

The Brillion News was, and remains, a family business. Otto’s son, Elliot, joined the paper in 1927, operating the Line-O-type machine and learning skills in editing. In 1944, Otto passed away, and complete ownership of the business was transferred to Elliot. Continuing in the footsteps of his father, Elliot became publisher and editor of The Brillion News and was later elected president of the Wisconsin Newspaper Association.

In the early 1960s, Elliot’s children, Zane and Noel, joined the business, leading to the incorporation of Zander Press in 1965. Noel took up sports reporting and covered Brillion athletics for 33 years. Zane used his skill set in design to create The Brillion News flag and Zander Press logo. In 2005, Zander Press, Inc. was sold to Zane’s four children, passing the business on to the next generation of the Zander family.

Today, The Brillion News has a weekly subscription of 2,000 and provides local news to residents throughout Brown, Calumet, and Manitowoc counties. Zander Press, Inc. is currently operated and owned by Beth Wenzel, Darcy Zander-Feinauer and Kris Bastian.

Madam Speaker, it is my honor to congratulate The Brillion News on its 125 years of success in business. I wish the Zander family many more years of continued success.

INTRODUCTION OF THE INSURANCE ACT—IMPROVING NATIONAL SAFETY BY UPDATING THE REQUIRED AMOUNT OF INSURANCE NEEDED BY COMMERCIAL MOTOR VEHICLES PER EVENT ACT

HON. JESÚS G. “CHUY” GARCÍA
OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES
Tuesday, July 16, 2019

Mr. GARCÍA of Illinois. Madam Speaker, I rise in support of the INSURANCE Act, a bill introduced today with Representative MATT CARTWRIGHT to ensure that those who fall victim to crashes with motor carriers receive the fair financial compensation they deserve to cope with their tragedies.

On May 2, 2005, Kate Brown’s 27-year-old son Graham was hit by an impaired and fatigued truck driver in Round Lake, Illinois. Graham underwent 22 different surgeries, and three full years of physical and occupational therapy. He is now permanently, partially disabled.

Their story is unfortunately an all-too often occurrence on today’s roads. In fact, since 2007, the U.S. has seen a 41 percent increase in truck crash fatalities; an increase that was felt by Pam Biddle’s family. In 2017, Pam’s 23-year-old son, Aaron Lee, was with his father, Brian, and Brian’s partner, Stephanie Swaim in traffic, when they were rear-ended and pushed into another semi in front of them. Both vehicles burst into flames killing Aaron, Brian, and Stephanie. Aaron was close to receiving his degree from the Purdue School of Nursing. Brian was a Navy veteran who served in Iraq. Stephanie, known as “Storm,” Stephanie is survived by her five children.

Thousands of families, like Kate’s and Pam’s, are suffering in silence, saddled with crippling medical and long-term care costs associated with catastrophic injuries that come as a result of crashes with motor carriers and large trucks.

I am so proud to lead this effort with Rep. MATT CARTWRIGHT to do better for those who fall victim to the nightmare of such accidents.

The INSURANCE Act ties the minimum insurance required for large trucks or motor carriers to inflation of medical costs. For 40 years, since 1980, that minimum requirement has remained stagnant at $750,000. That minimum should be almost 6.5x higher, to account for inflation of medical costs—a figure calculated using the estimated rate of inflation for medical costs issued by the Bureau of Labor Statistics.

This bill is not asking for anything unreasonable. Families shouldn’t have to go bankrupt because a family member died or became severely injured with life-long disabilities as a result of negligent truck drivers. Big Business shouldn’t grow profit margins by leaving the taxpayer’s to foot the bill for medical costs that families cannot realistically cover.

For these families to do better. This bill is common sense and is simply the right thing to do. In fact for families like Kate’s or Pam’s, it is long overdue.

We urge members to cosponsor the INSURANCE Act and require that families are adequately compensated for the injuries and fatalities caused by motor carrier negligence.
