HOUR OF MEETING ON TOMORROW

Mr. PAYNE. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 9 a.m. tomorrow.

The SPEAKER pro tempore (Mr. CISNEROS). Is there objection to the request of the gentleman from New Jersey?

There was no objection.

CONGRATULATING TYKHIL GREENE ON BEING FIRST AFRICAN AMERICAN VALEDICTORIAN OF UNIVERSITY ACADEMY CHARTER HIGH SCHOOL

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise to acknowledge Tykhil Greene. Mr. Greene is the first African American valedictorian of the University Academy Charter High School in Jersey City, New Jersey.

Mr. Greene's hard work over the past 4 years is an incredible feat. He achieved the highest level of academic success in his class. He also received the Salutatorian Award from the Jersey City Community Middle School. These honors are so well-deserved.

At University Academy, Mr. Greene challenged himself by taking AP classes every year. Each summer, Mr. Greene worked for the Jersey City Department of Recreation. Even with this rigorous schedule, Mr. Greene had only 10 absences in 4 years.

He continues to pursue these challenges as he prepares for college. Mr. Greene will study international business and prelaw at Seton Hall University.

Mr. Speaker, I congratulate Tykhil Greene on his hard work and success. He has a very bright future ahead of him, and we are proud of him in the 10th Congressional District in the State of New Jersey.

OPPOSING RAISING THE FEDERAL MINIMUM WAGE

(Mr. SPANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SPANO. Mr. Speaker, I rise today in strong opposition to H.R. 582, which would more than double the Federal minimum wage.

Numerous studies show that doubling the minimum wage to \$15 an hour would be catastrophic for small businesses. The Congressional Budget Office estimates that this bill would re-

sult in the loss of up to 3.7 million jobs, which is approximately the same number of people who live in the State of Oklahoma.

When I started my own business, I went without a salary for a full year to invest in the business, to pay for overhead, and to keep my employees paid. I could not have borne these expenses under a \$15 minimum wage.

I think of my scheduler, Naomi Hilton. As a teenager, I hired her in my small business to be the receptionist in my office. She worked hard, and within a year she was promoted to legal assistant, and then to paralegal, and eventually she earned more than \$15 an hour.

If not for a much lower minimum wage, I would never have been able to start my business, hire Naomi, and pay her more than the minimum wage proposed in this bill.

I support higher wages for all, and the economy has given us these jobs without costing millions of jobs and thousands of small businesses.

INCLUSIVITY AND DIVERSITY, NOT BIGOTRY AND DISCRIMINATION

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, I am a Congressman in no small part due to civil rights legislation: the ADA that passed 29 years ago next week. Inclusivity is not abstract to me. Diversity is not just a buzzword.

This weekend, our Nation confronted bigotry and discrimination, the vile opposites of these virtues. That we did so is not surprising. Our country is not perfect, built as it is on the original sin of slavery, but the source of these racist remarks should shock all of my colleagues, as they came from the President himself.

The President's tweets attacking my fellow Representatives is inexcusable. There is no explanation, no possible context in which they would be acceptable. They are the product of his world view that prizes division and conflict.

I believe in compromise. I believe in trying to work together to better our country even when we disagree, but that spirit of tolerance cannot extend to the blatantly racist and xenophobic rhetoric.

I voted yesterday to condemn the President's remarks, but that should never have been necessary. Our country is better than the example this President is setting. I only hope that we can heal after this dark chapter.

ADDRESSING THE MURDER OF ROSENDA STRONG

(Mr. NEWHOUSE asked and was given permission to address the House for 1 minute.)

Mr. NEWHOUSE. Mr. Speaker, sadly, I rise again today to speak about the epidemic of missing and murdered indigenous women.
