

School in Roanoke, Virginia. Dr. Crummey was recently named Elementary Principal of the Year by the Virginia Parent Teacher Association.

Dr. Crummey has over 25 years of experience in education. As both an educator and administrator, his life has been dedicated to service. His quarter century of experience continues to enrich the lives of the students who pass through the doors of Highland Park.

During Dr. Crummey's tenure, students have shown improvements in both grades and test scores, a testament to his and the staff of Highland Park Elementary's efforts.

Mr. Rogers once said: "Anyone who does anything to help a child in his life is a hero to me." I agree with that statement and want to recognize Dr. Crummey as a hero in our community. His continued dedication to the students of Highland Park Elementary is commendable, and I congratulate him on this incredible honor.

RAISING THE MINIMUM WAGE

(Ms. GARCIA of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. GARCIA of Texas. Mr. Speaker, the Fair Labor Standards Act of 1938 created a minimum wage for all workers to ensure a livable wage. However, it has been over a decade since the last increase of the Federal minimum wage, the longest period without any raise since the minimum wage was established.

Sadly today, \$7.25 an hour forces many Americans to work two, many times three, jobs to make ends meet.

Someone living in my district making minimum wage must work 112 hours a week to afford a two-bedroom apartment for their family. That is 16 hours a day, 7 days a week. That is two shifts with no day off.

181,000 workers in my district would receive a pay raise by increasing the minimum wage to \$15 an hour.

Raising the minimum wage would help many hardworking Americans rise out of poverty and reach financial stability that, right now, is simply out of reach. We must increase the minimum wage.

Mr. Speaker, I urge all of us to vote for the minimum wage bill tomorrow.

50TH COMMEMORATION OF APOLLO 11

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, what a glorious week to celebrate the 50th commemoration of Apollo 11.

I rise as someone whose eyes were wide open when this magnificent act occurred.

I had the privilege of serving on the House Science, Space, and Technology

Committee, as well, and on the Space and Aeronautics Subcommittee. I even served as they were building this massive space station.

It is likewise a privilege to represent the area on which NASA's Johnson Space Center is located. Just a few weeks ago, I walked through mission control and saw those outstanding men and women symbolizing those who were at their station on the very day that Neil Armstrong touched this magnificent planet. And then to be able to say, "one small step for man, and one large step for mankind," but to know what the astronauts go through, and the stars in the eyes of children.

Every year, I hold a Christmas party of 15,000 for the children in our community. The most popular people that come are the astronauts that I invite.

I am excited about celebrating this 50th commemoration of Apollo 11. I salute the astronauts, the teams, and NASA because it opens our eyes to the wideness of space, the wonderment of science, and the greatness of America.

God bless them. Congratulations. And God bless America.

CONGRATULATING BRADLEY FERGUSON

(Mr. VAN DREW asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VAN DREW. Mr. Speaker, I want to take a moment to talk about an exceptional young person from Mainland Regional High School in South Jersey. Bradley Ferguson of Mainland Regional High School was recently selected as a United States Presidential scholar.

The U.S. Presidential Scholars Program was founded in 1964. Since 1964, it has honored over 7,500 graduating high school seniors for academic achievements and contributions to their communities.

One hundred and twenty-one U.S. Presidential Scholars are honored annually for their academic excellence and their service. I am so excited that Bradley is representing South Jersey with his great achievement. All the young people being honored with this award are proof that education brings forth excellence.

Mr. Speaker, I congratulate Bradley for his accomplishment. I can't wait to see whatever his future is going to hold, but we all know that he is going to achieve greatness.

HONORING HILTON RAY SEGLER

(Mr. BISHOP of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of Georgia. Mr. Speaker, I rise today to honor the life of my constituent and friend of longstanding, Hilton Ray Segler. On July 4, 2019, Hilton, a loving husband, father, and grandfather, passed away at the age of 82 in Albany, Georgia.

He dedicated his professional life to agriculture. He began in 1957 selling ag chemicals, was co-owner of NIPAN, and later sold crop insurance. He is most remembered for his leadership in the pecan industry.

Hilton developed a special interest in pecans and became a leading State leader and advocate for the pecan industry. He served as president of the Georgia Pecan Growers Association for two terms. As president, and a pecan grower himself, he testified before Congress on behalf of pecan growers for three of the last four farm bills.

Hilton's hard work and desire to better the industry led to many accomplishments, including crop insurance, ensuring that conservation and emergency programs were available to pecan growers; and the Market Access Program, to aid in building the pecan export market. His passion and leadership will be sorely missed by the industry.

On a personal note, Hilton was my friend. I will miss his sage advice and his wise counsel. He never told me what I wanted to hear. He always told me what I needed to hear. The State of Georgia and our Nation have been truly blessed to benefit from Hilton's leadership and his advocacy.

RAISING THE MINIMUM AGE

(Mr. JOHNSON of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of the Raise the Wage Act.

For the last 10 years, the minimum wage has remained stagnant as the cost of living has skyrocketed across the country. Low-income families and minimum wage workers have carried the brunt of this burden.

Working Americans deserve sustainable living wages, and we should not accept an economy where parents working full-time jobs cannot support their families. A vital part of the American promise is the right to a decent livable wage.

This legislation will empower our workforce, strengthen the economy, and support families across the United States of America. I look forward to voting in favor of this important legislation, and I encourage my colleagues to do the same.

COLLEGE AFFORDABILITY

The SPEAKER pro tempore. Under the Speaker's announced policy of January 3, 2019, the gentlewoman from California (Ms. PORTER) is recognized for 60 minutes as the designee of the majority leader.

Ms. PORTER. Mr. Speaker, I yield to the gentlewoman from Georgia (Mrs. MCBATH).

Mrs. MCBATH. Mr. Speaker, I rise today on the issue of college affordability. Too many of our students are
