His service underscores the significant price of freedom, and the dedication and sacrifice of our servicemembers in the Armed Forces and their families.

Madam Speaker, I ask my colleagues to join me in honoring Sergeant Frederick John Horne, II for his exemplary service. He has effectively served Michigan and our nation through his selflessness and leadership.

Mrs. TORRES of California. Madam Speaker, I rise today to honor the life of Robert B. Elwell, Jr. of the City of Pomona, and his tireless dedication to serving the Inland Empire community.

RECOGNIZING THE MARQUETTE COUNTY DEPARTMENT OF VETERANS AFFAIRS COMMITTEE

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 18, 2019

Mr. BERGMAN. Madam Speaker, It is my honor to recognize the Marquette County Department of Veterans Affairs Committee (MCDVAC) for its service to Veterans and their families. Through its tireless work, exceptional leadership, and steadfast devotion to its community, the MCDVAC has become an indispensable part of the Upper Peninsula of Michigan.

The Marquette County Veterans Affairs Committee consists of five Veteran volunteers appointed by the Marquette County Board of Commissioners to four-year terms. They work to provide the Veterans of Marquette County with the benefits and services they have earned through their service, including burial benefits, emergency financial relief, and disability compensation. They work with programs like the Disabled American Veterans Transportation Network, which provides trans-

portation from the Jacobetti Home for Veterans and other areas in the county to the Oscar G Johnson VA Medical Center in Iron Mountain. The organization also aids in the administration of the Soldier Sailor Relief Fund, which provides financial help for Veterans who are unable to provide for the basic necessities of life without causing hardship, and works to help Veterans and their families in applying for a broad range of benefits provided by the U.S. Department of Veterans Affairs. Day after day, the Marquette County Veterans Affairs Committee continues to set a positive example of what can be achieved when the people of a community work together for the common good.

Madam Speaker, It's my honor to recognize the Marquette County Veterans Affairs Committee for decades of success, and service to the Veterans of the Upper Peninsula. Michiganders can take great pride in knowing the First District is home to such dedicated citizens. On behalf of my constituents, I wish them all the best in their future endeavors.

IN RECOGNITION OF CHRIST CATHEDRAL

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 18, 2019

Mr. CORREA. Madam Speaker, I rise today to congratulate the Diocese of Orange Christ Cathedral on the completion of its renovations. The Christ Cathedral, formerly known as the "Crystal Cathedral," has been a recognizable architectural marvel landmark in Garden Grove since 1955. The 34-acre land has been a beacon to the community and continues to be a space for community members to practice their faith.

In 1955, protestant mega-church leader Dr. Robert Schuller began preaching at the Orange Drive-in Theater. By 1975, his congregation outgrew the first church and Dr. Schuller began searching for architects to build a creative and beautiful space for worship. He worked with Philip Johnson and John Burgee to create a plan for an all glass church. In 2012, the campus and its buildings were sold to the Roman Catholic Diocese of Orange and have since become the new spiritual center of the division.

Starting in 2015, the campus began major renovations including extensive restorations to the grounds and buildings. These renovations included the restoration of 11,000 glass panes, the construction of scaffolding inside the cathedral, and the design of sacred art. Construction workers involved in the project logged over 100,000 hours of work without a single accident. The renovations are now complete, and today the refurbished cathedral is ready to serve as a spiritual home to Orange County's more than 1.3 million Catholics, and the local community at-large through services and programs available to everyone including weddings, conferences, concerts, and family-friendly events.

It is my distinct honor to ask my colleagues to join me in honoring the new building design of the Christ Cathedral.

RIDGEVIEW CHARTER MIDDLE
SCHOOL COMMENDATION HON-
ORING PRINCIPAL OPIE
BLACKWELL

HON. LUCY MCBATH

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 18, 2019

Mrs. MCBATH. Madam Speaker, I rise today to honor my constituent and Ridgeview Charter Middle School Principal Opie Blackwell. A good principal knows that his or her students need a robust support system along with a strong education to guarantee success in the classroom and in life. This philosophy is the basis upon which Mr. Blackwell has structured his school.

Principal Blackwell demonstrates exceptional dedication to ensuring that the students at Ridgeview Charter Middle School receive the quality education that they deserve. He is actively involved in the daily life at Ridgeview, takes time to chaperone school trips, and is committed to the wellbeing of the faculty.

Principal Blackwell also takes pride in recognizing outstanding members of the school's staff. A few weeks before the last day of the school year, Mr. Blackwell took to social media to document an impromptu jump rope competition that took place during a 6th grade Chinese class. The class had ventured outside to practice their Chinese when the students and teachers began to see who could jump rope the longest. The students won, as Mr. Blackwell proudly noted, but he also gave the teachers their due credit. This friendly competition is one of many examples of how hard Mr. Blackwell and his colleagues work to give their students a positive and engaging learning environment.

This year, that hard work was recognized by the National Forum to Accelerate Middle-Grades Reform as a Georgia Lighthouse School to Watch. The National Forum is a prestigious organization of educators, researchers, and officers committed to promoting academic excellence for young students.

In 1999, the National Forum selected four middle schools from across the country as the first Schools to Watch. Since then, the program has expanded to 18 states and honored 465 schools. Ridgeview Charter Middle is one of nine schools in Georgia recognized as a School to Watch. The National Forum strives to make every middle-grade school one that is academically excellent, socially equitable, and responsive to the developmental needs and interests of middle schoolers. It has developed tools to help schools meet their criteria to expand their program across the country.

Ridgeview Charter Middle School's policies for the classroom and overall school culture soar above and beyond the Forum's standards. When the National Forum staff spent time at Ridgeview, they saw that almost every student was actively engaged in the classroom and teachers were using a wide variety of learning strategies to assist their students.

As National Forum staff spoke to students, it was evident that Ridgeview students feel that they can be heard by their teachers and administrators when an issue arises. As a result, students are encouraged to give their input and help make changes to improve the school.

The student-first culture is evident at Ridgeview Charter Middle School. Student work is clearly displayed in the hallways, and the faculty and staff are familiar faces at music concerts and the annual musical. Mr. Blackwell recorded the finale of this year's musical, *Alice in Wonderland*, and posted it to social media with encouraging words about the performance and the work done by students, faculty, and parents.

In addition to the environment created by teachers and staff, school administrators have worked to ensure that the school is one that is clean and comfortable. Music is played in the hallways during class change to create a calming and pleasant atmosphere. Inspirational messages painted on the walls add a culture of positivity, and those messages convey the high expectations the school has for students.

Ridgeview Charter Middle School stands out as a success story in public education. In his principal's message on the school's website, Principal Blackwell made his formal title "Proud Principal". With such an exceptional review by the National Forum, he and the entire Ridgeview Charter Middle School family certainly should feel proud of the school, its faculty and staff, and most of all, the outstanding student body.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Christina Vargas on receiving the Chancellor's Excellence Award. I thank her for her dedication to our students.

IN RECOGNITION OF RICHMOND
BELL, RECIPIENT OF THE
FRENCH LEGION OF HONOR

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 18, 2019

Mr. KEATING. Madam Speaker, I rise today in recognition of Richmond Bell as he is awarded the French Legion of Honor, 75 years after bravely serving in the United States Army at the Battle of Normandy.

At only 18 years old, Mr. Bell enlisted in the 29th Infantry in 1943. After many members of his regiment lost their lives on D-Day, Mr. Bell, along with 14 other soldiers, were sent to France in an essential support effort of the remaining American Troops.

While serving on the frontlines each day for more than six weeks, Mr. Bell fought with courage and dedication to his country. He continuously risked his life for the war effort and the safety of his fellow soldiers.

In December of 1945, Mr. Bell returned to his hometown of Wellfleet, Massachusetts, honorably discharged with three Purple Hearts. A lifetime resident of the town, Mr. Bell is a beloved and respected member of the Wellfleet community. He is the son of the town doctor and a former paperboy for the Cape Cod Standard. Mr. Bell, now "semi-retired," lives with his wife Gail. He has 5 children, four step-children and 26 grandchildren.

Madam Speaker, I am proud to honor Richmond Bell for his dedication to his country. I ask that my colleagues join me in thanking him for his immense bravery and valiant efforts through a critical time in our nation's history.

INTRODUCTION OF SAILORS ACT

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 18, 2019

Ms. KAPTUR. Madam Speaker, I rise with my fellow co-chairs of the bipartisan Congressional Ukraine Caucus to introduce the SAILORS ACT, or the "Stopping Aggressive Incursions on Liberty by Ordering Russian Sanctions Act."

This bill would direct the Administration to sanction 24 senior officers of the Russian Federal Security Service and its border patrol until it releases all 24 Ukrainian sailors and the three vessels it illegally seized in the Kerch Strait on November 25, 2018.

On that day, an unprovoked Russia brazenly fired upon and took hostage 24 Ukrainians sailors in international waters. The sailors now languish in Russian prisons in Moscow under dire conditions.

Tragically, this is just the latest in a series of dangerous and malicious steps Russia has taken to undermine Ukraine's democratic progress and the international rules-based order.

Since illegally invading Crimea in 2014, Russia now seeks to tighten the noose around Ukrainian coastal waters including building a barrier in the Kerch Strait to starve Ukraine of vital naval commerce.

To date, Russia's illegal war in Eastern Ukraine has led to the death of over 10,000 innocents and the displacement of millions.

The international community must not stand idly by as Russia increases its aggression in Europe and its efforts to undermine democracies globally—including in the United States. The United States and the free world must continue to raise the costs of Russian aggression to protect those at the edge of liberty.

This bill sends a message to the Ukrainian sailors and their families that the American people have not forgotten their immense sacrifice and heroic struggle to protect their nation's democratic future. We call on Russia to
