POM-118. A joint resolution adopted by the Legislature of the State of New Jersey urging the United States Congress to enact the Military Hunger Prevention Act; to the Committee on Agriculture, Nutrition, and Forestry.

SENATE JOINT RESOLUTION NO. 73

Whereas, The Supplemental Nutrition Assistance Program (SNAP), formerly known as the Food Stamp Program, provides assistance to eligible low-income individuals and families to buy healthy, nutritious food at a network of participating stores and farmer's markets, and is the country's most important anti-hunger program; and

Whereas, The federal government pays for the cost of SNAP benefits and the program's eligibility rules are primarily set at the federal level, while the costs of administering the program are shared between the federal government and the states; and

Whereas, In a typical month in 2017, the SNAP program helped more than 40 million low-income Americans afford a nutritionally adequate diet; and

Whereas, Most recipients of SNAP who are able to work are working while receiving benefits, which demonstrates the need of many working families, including those with a member in the armed forces, for assistance, particularly during economic downturns; and

Whereas, In 2015, more than \$80 million in SNAP benefits were used to buy food at military commissaries; and many military installations have food pantries or food banks that provide food to military families who are in need; and

Whereas, According to the U.S. Census Bureau's American Community Survey, two percent of active duty military families, or approximately 23,000 families, received SNAP benefits from 2009 to 2012, and six percent of respondents of the Blue Star Family
