

minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to highlight the suffering of Ethiopian Israelis. A couple of weeks ago, a young Ethiopian Israeli man was killed by an Israeli police officer.

After this tragedy, there have been massive protests against police brutality. Unfortunately, these protests have turned violent. While I do not condone violence, I believe people have the right to protest systemic racism.

The Ethiopian community in Israel has been treated like second-class citizens for decades. In the 1990s, Ethiopian Israelis had their donated blood secretly disposed of by Israeli officials because they believed it may contain the HIV virus.

Just 4 years ago, an Ethiopian Israeli IDF soldier was brutally beaten by an Israeli police officer, setting off another wave of massive demonstrations.

Now, there are reports that the protests against police brutality are being cast as anti-Israeli. This is nothing more than an attempt to delegitimize their suffering. I will not tolerate it, and neither should any Member of this body.

#### NEW SNAP PROGRAM RULING

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, this week the U.S. Department of Agriculture announced and published a new rule that would address “broad-based categorical eligibility” through the SNAP program, formerly known as food stamps.

Under current law, SNAP recipients in dozens of States have been automatically enrolled into the program, despite not really demonstrating financial need; simply by receiving other minimal welfare services, even just receiving a pamphlet in the mail.

Now, let me be clear that these changes—anyone who truly is economically distressed and eligible will continue to receive SNAP benefits. But through the loophole that has been in existence, some recipients were enrolled in the program without meeting its asset and income tests. The asset and income tests are critical metrics to ensure program integrity and prevent benefits from going to those who would not normally qualify or truly need the assistance.

This new regulation attempts to fix this problem by limiting categorical eligibility for SNAP recipients only to those recipients who receive substantial welfare benefits, rather than nominal ones.

As the former chairman of the Nutrition Subcommittee, I rise in strong support of this proposal. Enacting this rule will help address waste and abuse within SNAP, while encouraging the continued availability of the program for our friends in need who truly find themselves food insecure.

#### HONORING THE LIFE AND SERVICE OF PAUL HANEY

(Mr. MORELLE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MORELLE. Mr. Speaker, I rise today to honor the life of Paul Haney, a longtime leader in Rochester and Monroe County, and my very dear friend, who passed away on Sunday.

As a former county legislator and city councilman, Paul was a fixture in our community; a man who truly embodied the high ideals of public service.

Paul was kind, honest, smart as a whip, and deeply passionate about improving the community he loved. He devoted his life in service to his neighbors and was always the first to lend a hand to those in need.

Paul Haney’s contributions have left a profound and lasting impact on his beloved city. His legacy will never be forgotten.

I join all of Rochester County and Monroe County in mourning his loss, and extend my thoughts, prayers, and deepest sympathies to the Haney family.

#### CONGRATULATING CHANDLER WASHBURN AND THE UNITED STATES NAVAL ACADEMY MIXED CREW TEAM

(Mr. RUTHERFORD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RUTHERFORD. Mr. Speaker, I rise today to congratulate Midshipman Chandler Washburn and the entire United States Naval Academy mixed crew team for their victory at the historic, now historic, King’s Cup this past July.

The King’s Cup is a prestigious race between eight allied military forces, and has only been held twice, once in 1919, and this year on the 100th anniversary. The U.S. Naval Academy defeated countries like Canada, France, and Germany on their way to winning the cup.

The Northeast Florida community is incredibly proud of Chandler and his fellow midshipmen on this extraordinary accomplishment.

Chandler graduated from the Episcopal School in Jacksonville and is now a sophomore at the Naval Academy. Like all those representing us at service academies across the country, his commitment to both academics and military service inspire us all.

On behalf of the Fourth District of Florida, congratulations to Chandler and the Naval Academy mixed crew team for a victory they will remember for the rest of their lives.
