

supporting H.R. 693, and I yield back the balance of my time.

Mr. SCHRADER. Mr. Speaker, I yield myself the balance of my time.

I appreciate the discussion here tonight. I wish we didn't have to have this discussion. Unfortunately, soring is still with us, and it is crystal clear we need the PAST Act, a commonsense bill to give USDA and the industry itself the ability to clean out these bad actors who are, frankly, a stain on the Tennessee Walking industry that we all love and respect. Those horses are majestic. Anyone that has been around an equine athlete just can't be but in awe of what they are able to do.

Soring is completely unnecessary. Good trainers, good veterinary help, these horses are going to perform in a way that make Americans proud.

I thank my colleagues for the work on the bill and urge all my colleagues to support the PAST Act.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Oregon (Mr. SCHRADER) that the House suspend the rules and pass the bill, H.R. 693, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. SCHRADER. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

MARKING FIRST 200 DAYS AS MEMBER OF CONGRESS

(Mr. CISNEROS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CISNEROS. Mr. Speaker, this week marks 200 days into my first term as a Member of Congress. It has been an incredible honor to serve the residents of the 39th Congressional District in California.

I am very proud of what we have accomplished so far in Congress, from the passage of three of my pieces of bipartisan legislation this week, which will expand access to benefits for veterans, servicemembers, and their families; to the 32 amendments my colleagues and I have offered that were agreed to on a

bipartisan basis; and the three bipartisan bills that I had the honor of supporting that have been signed into law by the President.

I am most proud of our constituent services in the district. In just 200 days in office, we have retrieved over \$190,000 from Federal agencies for our constituents and worked on over 250 cases.

I work for the people of my district. It is why I have attended hundreds of local events and met with thousands of my constituents.

I look forward to the next 100 days and beyond, working for the people; bringing change to Washington, DC; and ensuring I give my constituents the representation they deserve.

IT IS GAME OVER FOLLOWING SPECIAL COUNSEL TESTIMONY

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, today, the Democrats got their wish. Special Counsel Robert Mueller testified before not one but two House committees.

I wonder if they would reconsider that in hindsight. I don't think it went as they had planned.

Today's hearings only hammered home the simple fact we already knew. The special counsel did not find evidence to charge the President with a crime. Game over.

Sadly, this was nothing more than political theater and a colossal waste of time. Democrats wanted reinforcement for their partisan witch hunt against the President. Didn't happen.

If anything, today's testimony is only going to raise more questions as to why this entire investigation was even opened in the first place and why exculpatory evidence wasn't included in the report.

After wasting 22 months, 25 million taxpayer dollars, and countless other resources, Americans deserve to know the truth about how this whole episode was fabricated and who is responsible.

The Steele dossier, abuse of our intelligence agencies, DNC direct involvement? If Democrats would put as much effort in improving our country as they do into baseless attempts to impeach the President, we might just be able to get something done around here.

Mr. Speaker, I urge my colleagues to move on from this disaster and get back to work for the American people.
