During Jon's time with the department he served variety of assignments, namely Field Training Officer, Bicycle Officer, and Criminal Investigation "Auto Task Force" Investigator. It is through his numerous commendations that Jon's colleagues, supervisors, and the Eules community have expressed their deepest appreciation and gratitude for his service.

In twenty years of service, Jon has received over 2000 hours of police in-service and public safety officer training, consisting of a variety of advanced and master-level police courses. These courses include areas of patrol, advanced "auto theft" investigation, accident investigation, defensive tactics training, complex crimes investigation, Reid Interviewing Advanced Investigation Techniques, and police "intoxilyzer operator" training. Jon's dedication to his fellow officers is apparent in his commitment to the instruction and development of younger police officers, and Jon has always been appreciated as an informal leader within the department.

Jon's contributions to the law enforcement operations in the City of Eules has helped to ensure countless officers were adequately trained and prepared for the challenges they face in their everyday duties as police. His legacy will leave a lasting mark on the City of Eules and the Eules Police Department for many years to come.

Madam Speaker, it is a pleasure to recognize the extensive efforts Jon has contributed to the City of Eules, and the State of Texas. I ask all of my distinguished colleagues to join me in recognizing Senior Officer Jon Pettit for his many years of service.

HON. MARC A. VEASEY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 30, 2019

Mr. VEASEY. Madam Speaker, I rise today to commemorate the life of Pastor R. L. Rogers—a man of God, a community leader, father, and husband.

Pastor Rogers was born on March 6, 1939 in Calvert, Texas to the late Ernest and Margaret Rogers and transitioned from labor to eternal reward on July 20, 2019, after many years of giving back to our Dallas-Fort Worth community.

Pastor Rogers attended high school in south Texas, before graduating from the Southwestern Theological Seminary in Fort Worth, Texas. Pastor Rogers' time at seminary started his journey in faith and helping our community that expanded over five decades.

Pastor Rogers was the founder, and the one and only Pastor for 53 years of the Harvey Avenue Baptist Church—a place of worship that is a cornerstone of the Fort Worth community. That was only the beginning of his accomplishments. Pastor Rogers was also an avid volunteer for important causes, like mentoring youth in our community, and serving as a Chaplain at the Tarrant County Jail. He was also a nationally known Evangelist, Pastor and Gospel Preacher.

Pastor Rogers was a pillar of our community—spending 53 of his years teaching and encouraging our community and his accomplishments and service will be greatly missed.

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 30, 2019

Mr. THOMPSON of California. Madam Speaker, I rise today to recognize Peter Nissen for his commitment to agriculture and our wine community and to honor him as the Napa County Farm Bureau's 2019 Agriculturalist of the Year.

Mr. Nissen was born in Richmond, California and began his career in agriculture before he graduated high school. The summer before he began his junior year, he moved irrigation lines in Cucamonga and Alta Loma vineyards. Mr. Nissen attended the University of California at Santa Barbara and graduated from San Diego State University with a Bachelor of Science in Business Administration in 1973. After graduation, Mr. Nissen worked in the vineyard department of Charles Krug Vinery. Starting in the equipment shop, he worked in all areas of vineyard operations, working his way up from the equipment shop to assistant vineyard manager in 1976. In February of 1978, Mr. Nissen started Nissen Vineyard Services Inc., a vineyard management business that currently farms over 1100 acres, most of which are in Napa County. Additionally, his company supplies labor to other agricultural operations.

Mr. Nissen's involvement in our community extends beyond his company as he volunteers his time for numerous agricultural organizations. He has been a Board Member of Napa County Farm Bureau (NCFB) since 1998, is a past President, and is the Board Member representing NCFB on the Napa Valley Vine Trail. Mr. Nissen currently sits on the Board of the California Farm Labor Contractors Association and previously served as President. He has served as coordinator since the NCFB and the Napa County Agriculture Commissioner's office began hosting the annual Ag Day program for students in second and third grades. Mr. Nissen volunteered to manage the vineyard at Carneros Elementary School from 1990 to 2014. He also volunteered to develop and manage the Napa County Resource Conservation District's Huichica Creek Sustainable Demonstration Vineyard.

Madam Speaker, Peter Nissen has been a committed and active member of our agricultural community for many decades. It is therefore fitting and proper that we honor him as the Napa County Farm Bureau's 2019 Agriculturalist of the Year here today.

HONORING DIANE YODER FOR HER
SELFLESS SERVICE TO OUR HEROES

HON. DANIEL MEUSER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 30, 2019

Mr. MEUSER. Madam Speaker, it is with profound respect that I rise today to honor Diane Yoder of Fleetwood for her incredible service to our community's veterans and first responders.

The Yoder family is a military family; all three of Diane's children served, following a

family tradition of service. When her son Jarett was killed in action in Afghanistan in 2013, Diane took up this call to service herself. She began the Jarett Yoder Foundation, a non-profit with 10 Patriot Houses in Pennsylvania for veterans and first responders at risk of homelessness. She is now working with more than 170 families to provide important resources to them in times of need.

Diane has touched countless lives through her work and carries on the memory of her son's service in her own. I ask my colleagues to join me in honoring Diane Yoder for her tireless service for Pennsylvania's veterans and first responders.

VOM JOHNATHAN SHEPHERD

HON. KEVIN HERN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 30, 2019

Mr. KEVIN HERN of Oklahoma. Madam Speaker, I rise to honor the First District of Oklahoma's July Veteran of the Month, Sergeant Johnathon Shepherd.

Sergeant Shepherd joined the Marines in 1997, where he served for 5 years, deploying to the Mediterranean in 2000.

Once back in Tulsa, Sergeant Shepherd started his first business after learning about federal opportunities available to veteran-owned businesses. He and his wife, Jessica, built the company in their spare time for 8 years before devoting their full efforts to establish Americom Technologies Group in 2016.

Also in 2016, Sergeant Shepherd and his wife launched Eagle Ops as an outreach program for veterans and their families. In 2018, they joined with fellow Marine Stacy Hester to create the Eagle Ops Foundation with the focus on community. The Foundation is active in the Tulsa community and works to build relationships for our veterans, their families and patriots in the community.

Sergeant Shepherd truly is an impressive man of integrity and honor. He makes Oklahoma proud and plays an important role in our community of veterans. I'm glad to have this opportunity to shine a light on his work and give him the recognition he deserves as our July Veteran of the Month.
