During Jon's time with the department he served variety of assignments, namely Field Training Officer, Bicycle Officer, and Criminal Investigation "Auto Task Force" Investigator. It is through his numerous commendations that Jon's colleagues, supervisors, and the Euless community have expressed their deepest appreciation and gratitude for his service.

In twenty years of service, Jon has received over 2000 hours of police in-service and public safety officer training, consisting of a variety of advanced and master-level police courses. These courses include areas of patrol, advanced "auto theft" investigation, accident investigation, defensive tactics training, complex crimes investigation, Reid Interviewing Advanced Investigation Techniques, and police "intoxilyzer operator" training. Jon's dedication to his fellow officers is apparent in his commitment to the instruction and development of younger police officers, and Jon has always been appreciated as an informal leader within the department.

Jon's contributions to the law enforcement operations in the City of Euless has helped to ensure countless officers were adequately trained and prepared for the challenges they face in their everyday duties as police. His legacy will leave a lasting mark on the City of Euless and the Euless Police Department for many years to come.

Madam Speaker, it is a pleasure to recognize the extensive efforts Jon has contributed to the City of Euless, and the State of Texas. I ask all of my distinguished colleagues to join me in recognizing Senior Officer Jon Pettit for his many years of service.

HON. DANIEL MEUSER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 30, 2019

Mr. MEUSER. Madam Speaker, it is with profound respect that I rise today to honor Diane Yoder of Fleetwood for her incredible service to our community's veterans and first responders.

The Yoder family is a military family; all three of Diane's children served, following a

She began the Jarett Yoder Foundation, a non-profit with 10 Patriot Houses in Pennsylvania for veterans and first responders at risk of homelessness. She is now working with more than 170 families to provide important resources to them in times of need.

Diane has touched countless lives through her work and carries on the memory of her son's service in her own. I ask my colleagues to join me in honoring Diane Yoder for her tireless service for Pennsylvania's veterans and first responders.

TRIBUTE TO THE LIFE AND LEGACY OF ELIJAH "PUMPSIE" GREEN

HON. MARK DeSAULNIER

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 30, 2019

Mr. DeSAULNIER. Madam Speaker, I rise today to recognize the life and legacy of a groundbreaking professional baseball player, Richmond native, and longtime El Cerrito resident, Elijah "Pumpsie" Green.

Born in 1933 in Oklahoma, Pumpsie's parents moved to Richmond, California, where they raised their five children. Pumpsie attended El Cerrito High School where he was an accomplished three-sport athlete who would later earn distinction as an inductee into the school's inaugural Athletic Hall of Fame class. He ultimately chose to pursue baseball, starring at Contra Costa College before joining the Oakland Oaks of the Pacific Coast League.

In 1959, 12 years after Jackie Robinson broke Major League Baseball's color barrier, Pumpsie became one of the game's true trailblazers when he became the first African American player ever to play for the Boston Red Sox. Despite facing continued discrimination and segregation, he went on to play five seasons for the Red Sox before being traded to the New York Mets and retiring in 1963.

After retiring as a professional baseball player, Pumpsie moved with his family to El Cerrito, where he devoted the rest of his life to education. He served as a student supervisor and baseball coach at Berkeley High School, and during his 20-year tenure became a mentor to countless students.

Pumpsie will forever be remembered for his role in helping to end segregation in professional sports and paving the way for other athletes of color. Please join me in honoring Elijah "Pumpsie" Green for his lasting impact on professional baseball and his dedication to youth. He is truly an inspiration for his Bay Area home.

HONORING MOUNTAINMAN OUTDOOR SUPPLY COMPANY OWNER JOHN NEMJO FOR WINNING THE NATIONAL SMALL BUSINESS ASSOCIATION'S SMALL BUSINESS EXCELLENCE AWARD

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 30, 2019

Ms. STEFANIK. Madam Speaker, I rise today to recognize the achievements of one of the North Country's most successful small business owners, John Nemjo.

John demonstrated his entrepreneurial spirit when he opened Mountainman Outdoor Supply Company in 1993. Back then, he ran the company out of an abandoned, 700 square foot pizza shop in the heart of the Adirondack State Park with just a couple seasonal employees and a budget of a few thousand dollars.

In the decades since, John has grown his company into a fixture of the Adirondack business community. He now operates a thriving business out of six locations with over 15,000 square feet in combined retail space. Instead of a handful of seasonal employees, John now has 53 year-round employees. Adirondack Bank acknowledged John's achievements with a 2018 Small Business Excellence Award.

Small business owners like John Nemjo benefit our communities in so many ways. They employ local residents and contribute to the dynamism and vibrancy of our economy. On behalf of New York's 21st Congressional District, I want to congratulate him for this well-deserved recognition and thank him for his contribution to our community.

INTRODUCTION OF A BILL TO REMOVE THE STATUE OF CONFEDERATE GENERAL ALBERT PIKE

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 30, 2019

Ms. NORTON. Madam Speaker, I rise to introduce a bill to require the removal of a statue of Confederate General Albert Pike from federal land near Judiciary Square in the District of Columbia. This statue was authorized, not by the District, but by Congress in 1898, when the District had no home rule. The statue was constructed using both federal and private funds. The Freemasons, of which Pike was a member, donated the majority of the money needed to build and install the statue in 1901. I oppose tearing down Confederate statues, because I believe they should be moved to more appropriate settings, like museums, to avoid erasing an important part of history from which Americans must continue to learn.

Pike was a Confederate general who served dishonorably and was forced to resign in disgrace. It was found that soldiers under his command mutilated the bodies of Union soldiers, and Pike was ultimately imprisoned after his fellow officers reported that he misappropriated funds. Adding to the dishonor of taking up arms against the United States, Pike dishonored even his Confederate military service. He certainly has no claim to be memorialized in the nation's capital. Even those who do not want Confederate statues removed will have to justify awarding Pike any honor, considering his history.

After meeting with the Freemasons, I believe that the best course of action is to remove the statue and find a more appropriate place for it. The Freemasons themselves support the statue's removal, given its divisive nature. The D.C. Mayor and the Council also support the removal of the statue.

My bill clarifies that no federal funds may be used to remove the Pike statue. I urge my colleagues to support this important legislation.
