

Government or contractor representatives to Canada. However, it is anticipated that engineering and technical support services provided by the U.S. Government may be required on an interim basis for training and technical assistance.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

TRANSMITTAL NO. 19-35

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act

Annex Item No. vii

(vii) Sensitivity of Technology:

1. The Multifunctional Information Distribution System (MIDS) Joint Tactical Radio (JTRS) is a software defined radio. The MIDS JTRS Programmable Secure Information Security Architecture Module (PSISAM) is Critical Program Information (CPI). The PSISAM is embedded in a MIDS JTRS Shop Replaceable Unit (SRU) and contains the information security hardware and cryptographic keys necessary to operate the terminal. MIDS JTRS contains embedded COMSEC and is capable of processing up to TOP SECRET information. Each MIDS JTRS contains an embedded SRU that is UNCLASSIFIED Controlled Cryptographic Information (CCI). Un-keyed terminals and de-energized terminals are UNCLASSIFIED CCI. When a terminal is operating on the host platform it is classified up to the level of data being transmitted.

2. If a technologically advanced adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures or equivalent systems, which might reduce weapon system effectiveness or be used in the development of a system with similar or advanced capabilities.

3. A determination has been made that Canada can provide substantially the same degree of protection for the technology being released as the U.S. Government. This sale supports the U.S. foreign policy and national security objectives as outlined in the Policy Justification.

4. All defense articles and services listed in this transmittal have been authorized for release and export to Canada.

ARMS SALES NOTIFICATION

Mr. RISCH. Madam President, section 36(b) of the Arms Export Control Act requires that Congress receive prior notification of certain proposed arms sales as defined by that statute. Upon such notification, the Congress has 30 calendar days during which the sale may be reviewed. The provision stipulates that, in the Senate, the notification of proposed sales shall be sent to the chairman of the Senate Foreign Relations Committee.

In keeping with the committee's intention to see that relevant information is available to the full Senate, I ask unanimous consent to have printed in the RECORD the notifications which have been received. If the cover letter references a classified annex, then such annex is available to all Senators in the office of the Foreign Relations Committee, room SD-423.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

DEFENSE SECURITY
COOPERATION AGENCY,
Arlington, VA.

Hon. JAMES E. RISCH,
*Chairman, Committee on Foreign Relations,
U.S. Senate, Washington, DC.*

DEAR MR. CHAIRMAN: Pursuant to the reporting requirements of Section 36(b)(1) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 19-40 concerning the Navy's proposed Letter(s) of Offer and Acceptance to the Government of Egypt for defense articles and services estimated to cost \$554 million. After this letter is delivered to your office, we plan to issue a news release to notify the public of this proposed sale.

Sincerely,

CHARLES W. HOOPER,
Lieutenant General, USA, Director.
Enclosures.

TRANSMITTAL NO. 19-40

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act, as amended

(i) Prospective Purchaser: Government of Egypt.

(ii) Total Estimated Value:

Major Defense Equipment * \$0 million.

Other \$554 million.

Total \$554 million.

(iii) Description and Quantity or Quantities of Articles or Services under Consideration for Purchase: Foreign Military Sales (FMS) case EG-P-GKB, implemented in September 2018, was below congressional notification threshold at \$45 million (\$0 in MDE) and provided for material and labor services in support of Oliver Hazard Perry Class Frigates (FFG-7), Fast Missile Craft (FMC), Mine Hunter Coastal (MHC) ships, Coastal Mine Hunter (CMH) ships, and 25 Meter and 28 Meter Fast Patrol Craft (FPC). Egypt has requested the case be amended to continue providing the same support on the basic case. This amendment will push the current case above the non-MDE or services congressional notification threshold and thus requires notification of the entire case.

Major Defense Equipment (MDE): None.

Non-MDE: Provides for material and labor services in support of Oliver Hazard Perry Class Frigates (FFG-7 class ships), Fast Missile Craft (FMC), Mine Hunter Coastal (MHC) ships, Coastal Mine Hunter (CMH) ships, and 25 Meter and 28 Meter Fast Patrol Craft (FPC).

(iv) Military Department: Navy (EG-P-GKB).

(v) Prior Related Cases, if any: None.

(vi) Sales Commission, Fee, etc., Paid, Offered, or Agreed to be Paid: None.

(vii) Sensitivity of Technology Contained in the Defense Article or Defense Services Proposed to be Sold: None.

(viii) Date Report Delivered to Congress: July 29, 2019.

* As defined in Section 47(6) of the Arms Export Control Act.

POLICY JUSTIFICATION

Egypt—Follow on Technical Support (FOTS)

The Government of Egypt has requested a possible sale of Follow on Technical Support (FOTS) that provides for material and labor services in support of Oliver Hazard Perry Class Frigates (FFG-7 class ships), Fast Missile Craft (FMC), Mine Hunter Coastal (MHC) ships, Coastal Mine Hunter (CMH) ships, and 25 Meter and 28 Meter Fast Patrol Craft (FPC). The estimated cost is \$554 million.

This proposed sale will support the foreign policy and national security of the United States by helping to provide a strategic partner with critical support for multiple type ships responsible for Egypt's maritime security. The proposed sale is essential to main-

tain Egypt's national security, regional stability, and the free flow of worldwide commerce via the Suez Canal.

Egypt intends to use this technical maintenance and service support to ensure the Egyptian Navy is operationally capable of providing coastal defense and security. The proposed sale will increase the Egyptian Navy's material and operational readiness. Egypt will have no difficulties absorbing this support into its armed forces.

The proposed sale will not alter the basic military balance in the region.

The prime contractor for Engineering Services Support will be VSE Corporation and U.S. Government activities will provide FOTS for Egypt. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will require periodic trips to Egypt involving U.S. Government and contractor representatives for technical reviews, support, and oversight for approximately five years.

There will be no adverse impact on U.S. defense readiness as a result of this proposal sale.

POLICY JUSTIFICATION

India—C-17 Sustainment Follow-On Support

The Government of India has requested to buy equipment for C-17 follow-on support, to include spares and repair parts; support equipment; personnel training and training equipment; publications and technical documentation; support and test equipment; U.S. Government and contractor engineering, technical and logistical support services; and other related elements of logistics and program support. The total estimated program cost is \$670 million.

This proposed sale will support the foreign policy and national security of the United States by helping to strengthen the U.S.-Indian strategic relationship and to improve the mobility capabilities of a major defensive partner which continues to be an important force for political stability, peace, and economic progress in the Indo-Pacific and South Asia region.

India needs this follow-on support to maintain its operational readiness and ability to provide Humanitarian Assistance and Disaster Relief (HA/DR) assistance in the region. India will have no difficulty absorbing this support into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The prime contractor will be the Boeing Corporation, Chicago, Illinois. There are no known offset agreements proposed in connection with this potential sale, however, the purchaser typically requests offsets. Any offset agreement will be defined in negotiations between the purchaser and the prime contractor.

Implementation of this proposed sale will require the assignment of one U.S. Government representative and 23 contractor representatives to India.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

TRANSMITTAL NO. 19-48

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) of the Arms Export Control Act, as amended

(i) Prospective Purchaser: Republic of Korea.

(ii) Total Estimated Value:
Major Defense Equipment* \$0 million.
Other \$950 million.
Total \$950 million.

(iii) Description and Quantity or Quantities of Articles or Services under Consideration for Purchase: The Republic of Korea has requested to purchase items and services for follow-on support to the RQ-4 Block 30 Remotely Piloted Aircraft (RPA) program.

Major Defense Equipment (MDE): None.

Non-MDE: Contractor Logistics Support (CLS); program management; training for pilots maintenance, logistics and communications personnel; depot and organizational level maintenance; minor modifications and upgrades; spares and repair/return parts; operational flight support; program analysis; publications and technical documentation; U.S. Government and contractor technical and logistics services; and other related elements of logistics and program support.

(iv) Military Department: Air Force (KS-D-QFU).

(v) Prior Related Cases, if any: KS-D-SAD.

(vi) Sales Commission, Fee, etc., Paid, Offered, or Agreed to be Paid: None.

(vii) Sensitivity of Technology Contained in the Defense Article or Defense Services Proposed to be Sold: None.

(viii) Date Report Delivered to Congress: July 29, 2019.

* As defined in Section 47(6) of the Arms Export Control Act.

POLICY JUSTIFICATION

Republic of Korea—Contractor Logistics Support (CLS) for RQ-4 Block 30 Remotely Piloted Aircraft (RPA)

The Republic of Korea has requested to purchase Contractor Logistics Support

(CLS); program management; training for pilots maintenance, logistics and communications personnel; depot and organizational level maintenance; minor modifications and upgrades; spares and repair/return parts; operational flight support; program analysis; publications and technical documentation; U.S. Government and contractor technical and logistics services; and other related elements of logistics and program support. The total estimated program cost is \$950 million.

This proposed sale will support the foreign policy and national security objectives of the United States by meeting the legitimate security and defense needs of one of the closest allies in the INDOPACOM Theater. The Republic of Korea is one of the major political and economic powers in East Asia and the Western Pacific and a key partner of the United States in ensuring peace and stability in that region. It is vital to U.S. national interests to assist the Republic of Korea in developing and maintaining a strong and ready self-defense capability.

This proposed sale will enable the Republic of Korea to sustain and operate its fleet of RQ-4 Block 30 remotely piloted aircraft and will significantly advance U.S. interests in standardization with the Republic of Korea's Armed Forces. The potential sale will further strengthen the interoperability between the United States and the Republic of Korea and ensures the Alliance has a robust intelligence, surveillance, and reconnaissance (ISR) capability on the Korean peninsula. The ROK will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be Northrop Grumman Corporation located in Palmdale, CA. There are no known offset agreements proposed in conjunction with this potential sale. Any offset agreement will be defined in negotiations between the Purchaser and the prime contractor.

Implementation of the proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to the ROK.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

All defense articles and services in this transmittal have been approved for release and export to the Republic of Korea.
