

INTRODUCTION OF A BILL TO REQUIRE THE DIRECTOR OF THE COURT SERVICES AND OFFENDER SUPERVISION AGENCY FOR THE DISTRICT OF COLUMBIA AND THE DIRECTOR OF THE DISTRICT OF COLUMBIA PRETRIAL SERVICES AGENCY TO RESIDE IN THE DISTRICT OF COLUMBIA

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 13, 2019

Ms. NORTON. Madam Speaker, today I introduced a bill to require the Directors of the Court Services and Offender Supervision Agency for the District of Columbia (CSOSA) and the District of Columbia Pretrial Services Agency (PSA) to reside in the District of Columbia during their tenure.

CSOSA is an independent federal agency that supervises offenders only in D.C. PSA is an independent agency within CSOSA that supervises defendants only in D.C. This bill would not apply to those already in office upon enactment.

Congress has justifiably required that certain federal officials live in the jurisdiction they serve to ensure in-depth knowledge of the unique issues and challenges residents and these federal officials face, but federal officials serving the District are not required to do so. This patronizing leftover from when the District was governed by the federal government has real effects on residents. There is no reason that the Directors of CSOSA and PSA, federal agencies that uniquely serve D.C. residents, should not be required to live in the District, engage with local communities and work closely with local officials. Adding residency requirements for federal officials serving the District is a matter of fairness for the residents they serve.

I strongly urge my colleagues to support this legislation.

CELEBRATING THE 100TH ANNIVERSARY OF THE HARVEYS LAKE PROTECTIVE ASSOCIATION

HON. DANIEL MEUSER

OF PENNSYLVANIA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 13, 2019

Mr. MEUSER. Madam Speaker, it is with great appreciation that I rise today to recognize and honor the Harveys Lake Protective Association on its 100 years of service.

Northeast Pennsylvania is home to an abundance of natural beauty, and chief among the many natural treasures found in the Ninth District is Harveys Lake in Luzerne County. For a century now, the Harveys Lake Protective Association (HLPA) has been a faithful steward of this lake, ensuring it remains a place where friends and families can enjoy and continue to make memories that will last a lifetime.

We owe a great deal of gratitude to HPLA for conserving the lake, establishing local emergency services, and preserving this peaceful spot in our great Commonwealth. A 1920 record from the Association's meeting reads, "Nature has given us, in the lake, a most beautiful spot for a summer home. By working together through our Association, we can prevent many things which would tend to mar its attractiveness and can accomplish much in the making it a better place at which to live." A testament to HPLA's dedicated efforts, Harveys Lake has retained its beauty every summer and in every season.

On behalf of the U.S. House of Representatives and the citizens of Pennsylvania's Ninth Congressional District, I extend my sincerest gratitude to HPLA as we celebrate its centennial anniversary. This great milestone serves as a reminder of all the great work HPLA has done over the last 100 years and the good work it will continue to do to preserve this gem for the next 100 years and beyond.

Ms. TLAIB. Madam Speaker, I rise today to recognize the city of Wayne, Michigan as its
