PAYING TRIBUTE TO LEGENDARY BOXER EMANUEL “MANNY” STEWARD

HON. RASHIDA TLAIB
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Tuesday, August 13, 2019

Ms. TLAIB. Madam Speaker, I rise today to pay tribute to the memory of Emanuel “Manny” Steward, a legend in the sport of boxing.

After moving to Detroit from Virginia as an adolescent, Steward became interested in boxing, training at Detroit’s Brewster Recreation Center before moving on to Kronk Gym. Over the years, he honed his skills as an amateur boxer, but is most well known for his career as one of boxing’s most successful coaches. Steward trained countless athletes, including Hilmer Kent, his first world champion, and most famously, Thomas “The Hitman” Hearns. Over the course of his career, Steward trained 411 world champions, and as further testament to his coaching skills, his heavyweights accumulated a remarkable record of 34–2–1 in title fights. Steward’s work brought world renown to Kronk Gym and secured Detroit’s reputation as an incubator for boxing.

Emanuel Steward embodied the true spirit of Detroit—determination, grit, and success through hard work. It is with great honor that I ask my colleagues to support this legislation to help preserve the indigenous languages of the United States for future generations.

HON. ELEANOR HOLMES NORTON OF THE DISTRICT OF COLUMBIA IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 13, 2019

Ms. NORTON. Madam Speaker, today I introduced a bill to require the Directors of the Court Services and Offender Supervision Agency for the District of Columbia (CSOSA) and the District of Columbia Pretrial Services Agency (PSA) to reside in the District of Columbia during their tenure.

CSOSA is an independent federal agency that supervises offenders only in D.C. PSA is an independent agency within CSOSA that supervises defendants only in D.C. This bill would not apply to those already in office upon enactment.

Congress has justifiably required that certain federal officials live in the jurisdiction they serve to ensure in-depth knowledge of the unique issues and challenges residents and these federal officials face, but federal officials serving the District are not required to do so. This patronizing leftover from when the District was governed by the federal government has real effects on residents. There is no reason these federal officials face, but federal officials serving the District are not required to do so. There is no reason that the Directors of CSOSA and PSA, federal agencies that uniquely serve D.C. residents, should not be required to live in the District, engage with local communities and work closely with local officials. Adding residency requirements for federal officials serving the District is a matter of fairness for the residents they serve.

I strongly urge my colleagues to support this legislation.

HONORING THE LIFE OF PAUL FINDLEY

HON. DARIN LaHOOD OF ILLINOIS IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 13, 2019

Mr. LAHOOD. Madam Speaker, I would like to honor and remember the life of Congressman Paul Findley, who passed away on August 9, 2019, at age 98.

Following Congressmans Findley’s service to our country, he returned to Illinois to become the editor and publisher of the Pike Press, in Pittsfield, Illinois. In 1960, Mr. Findley was elected to represent the 20th Congressional District of Illinois in the U.S. House of Representatives. Mr. Findley served eleven terms in Congress.

While he was a Member of Congress, Mr. Findley served on the Agriculture Committee and the Foreign Affairs Committee. During his time in Washington, Congressman Findley was known for his outspoken support of civil rights legislation, and as a strong advocate for agricultural policy.

We mourn the passing of Congressman Findley, a friend and hero to many. He left a lasting impact on those who had the pleasure of knowing him.

CELEBRATING THE 100TH ANNIVERSARY OF THE HARVEYS LAKE PROTECTIVE ASSOCIATION

HON. DANIEL MEUSER OF PENNSYLVANIA IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 13, 2019

Mr. MEUSER. Madam Speaker, it is with great appreciation that I rise today to recognize and honor the Harveys Lake Protective Association on its 100 years of service.

Northeast Pennsylvania is home to an abundance of natural beauty, and chief among the many natural treasures found in the Ninth District is Harveys Lake in Luzerne County. For a century now, the Harveys Lake Protective Association (HLPA) has been a faithful steward of this lake, ensuring it remains a place where friends and families can enjoy and continue to make memories that will last a lifetime.

We owe a great deal of gratitude to HLPA for conserving the lake, establishing local emergency services, and preserving this peaceful spot in our great Commonwealth. A 1999 report from the Association’s meeting reads, “Nature has given us, in the lake, a most beautiful spot for a summer home. By working together through our Association, we can prevent many things which would tend to mar its attractiveness and can accomplish much in the making it a better place at which to live.” A testament to HLPA’s dedicated efforts, Harveys Lake has retained its beauty every summer and in every season.

On behalf of the U.S. House of Representatives and the citizens of Pennsylvania’s Ninth Congressional District, I extend my sincerest gratitude to HLPA as we celebrate its centennial anniversary. This great milestone serves as a reminder of all the great work HLPA has done over the last 100 years and the good work it will continue to do to preserve this gem for the next 100 years and beyond.

RECOGNIZING MR. RONALD E. FEILE FOR HIS SERVICE AND DEDICATION TO AMERICA’S SPACE PROGRAM

HON. BILL POSEY OF FLORIDA IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 13, 2019

Mr. POSEY. Madam Speaker, today I rise in recognition of Mr. Ronald E. Feile of Titusville, Florida, a constituent who recently retired after thirty-six years of working at the Kennedy Space Center as an air traffic controller, and, most recently, as a lead contractor for the Wrangler Consulting Group.

Ronald Feile began his aviation career in the U.S. Air Force where he served as part of a mobile VFR tower crew in Vietnam from April
1970 through November 1971. In 1971, he became control chief of combined tower and radar facility and was placed in charge of training personnel and scheduling logistical supply which was vital to our operation in Vietnam. He also served as flight operations liaison to the South Vietnamese army and earned the Army Commendation Medal.

Following his military service and service as an air traffic controller with the FAA, Ron was recruited to work on our space program at the Cape serving as the lead Air Traffic Controller for the Shuttle Landing Facility and the Military Radar Unit. In that role, Ron was intimately involved with our Shuttle program, coordinating air and ground support for Shuttle launch and landing events. He also provided his expertise for major satellite and launch payload deliveries.

Throughout his career, Ron has been awarded NASA's Silver Snoopy Award and NASA's Space Flight Awareness Award. He was also interviewed by NASA as part of its oral history of the Shuttle program. In addition to these honors, he will receive the highest tribute for those in aviation history. Ronald Feile's name will be inscribed in the wall of the Air and Space Museum. Ron's name will join the names of Buzz Aldrin, the Wright Brothers, Charles Lindberg, John Glenn, Amelia Earhart, and countless other pioneers of our aviation history.

Having worked on our nation's space program as a young man, I have come to know many of the great Americans like Ron who have dedicated their lives to serving our nation and making our space program so successful. I ask Members of the U.S. House of Representatives to join me and Ron's family, friends, and colleagues at the Washington Consulting Group in recognizing his work and contribution to America's mission in space.

HONORING WAYNE, MICHIGAN'S SESQUICENTENNIAL

HON. RASHIDA TLAIB
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Tuesday, August 13, 2019

Ms. TLAIB. Madam Speaker, I rise today to recognize the city of Wayne, Michigan as its residents celebrate the city's one hundred fiftieth anniversary.

Wayne, Michigan was first incorporated in 1869, but its roots can be traced even further back as a trading post by the indigenous Potawatomi. With its prime location along the trading route, and in close proximity to the River Rouge, the area grew in population, securing the settlement's role in Michigan's manufacturing economy. Glass, carriage, and eventually automobile manufacturing.

Modern day Wayne, Michigan is a thriving, friendly community. Its seventeen public parks are enjoyed by families and nature lovers alike, and its historic downtown area is the perfect backdrop for numerous community events like Wayne Days, Family Fest, and annual community-wide flea market. The City of Wayne, Michigan has a long history, and its pride in traditional values of friendship and hard work are evident today.

Please join me in tribute to the City of Wayne, Michigan on the occasion of its one hundred fiftieth anniversary.
